BULLETIN NO.: F17 –040

DATE: JUNE 21, 2017

SUBJECT: RESPONSE REQUESTED: MEMBER REPORTING SURVEY

A copy of this bulletin should be provided to your Chief Financial Officer and Appointed Actuary.

In recent years, Facility Association has made significant changes to its member reporting and related systems with a view to better meeting the needs of our members. A key aspect of this process involves periodically obtaining feedback on the current state of Facility Association's reporting to members. This allows Facility Association to track the effectiveness of our member reporting and for the identification of further improvement opportunities.

All recipients of the Facility Association Residual Market ("FARM") Participation Report and Risk Sharing Pool ("RSP") Operational Report bulletins are being requested to complete this survey. Other users of Facility Association reports are welcome to participate in the survey also. The survey consists of 15 questions which should not require more than 20 minutes to complete. Individual results will be kept strictly confidential. Only summarized results will be shared by Facility Association with its committees.

Please be sure to forward the following link to your Chief Financial Officer and Appointed Actuary (or appropriate delegates) for completion by Wednesday, July 12, 2017.
