**SUBJECT: ALBERTA RISK SHARING POOL  
ANNUAL UPDATE OF MEMBER SHARING RATIOS  
MAY 2017 OPERATIONAL REPORT**

With the recent availability of industry Automobile Statistical Plan (ASP) data for 2016, the share ratios have been updated for the Alberta Risk Sharing Pool as follows:

The May 2017 Operational Report reflects a retroactive adjustment in respect of Accident Years 2015, 2016, 2017, and 2018 (used to share the portion of premium written in 2017 that will earn in 2018) where the participation ratios are determined on the basis of Accident Year 2015 Earned Car Years developed to 24 months and 2016 Earned Car Years developed to 12 months. The 2016 Earned Car Years developed to 12 months is used for the participation ratios for Accident Years 2017 and 2018. The share ratios for accident years 2017 and 2018 will next be updated in June 2018 at which time both will be based upon accident year 2017 developed to 12 months. The share ratios for accident years 2014 and prior were previously finalized and are therefore not subject to further change.
