RATING NOTES

TABLE A RATE GROUPS

The following table is for use when the rate group of the vehicle is shown in the Rate group Tables as 'A' (See Rule 116), or when the rate group of the vehicle is not provided for in the Schedule of Rates.

For Accident Benefits use rate group 10.

Estimated Value \$	Rate Group	Estimated Value \$	Rate Group
2,800 or less	2	120,501 - 125,500	44
2,801 - 4,000	3	125,501 - 130,500	45
4,001 - 5,200	4	130,501 - 135,500	46
5,201 - 6,400	5	135,501 - 140,500	47
6,401 - 7,600	6	140,501 - 145,500	48
7,601 - 8,800	7	145,501 - 150,500	49
8,801 - 10,100	8	150,501 - 155,500	50
10,101 - 11,400	9	155,501 - 160,500	51
11,401 - 12,700	10	160,501 - 165,500	52
12,701 - 14,000	11	165,501 - 170,500	53

Rule 200: Filed Underwriting Rules

A. The insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

For example: The vehicle is registered in New Brunswick but the application is being completed in Alberta. The vehicle must be registered in Alberta or an Agent/Broker in New Brunswick must complete and submit the application for coverage in New Brunswick.

Exception: See Rule 200.C Non- Residents and Vehicles Not Registered in Jurisdiction

4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 232: Suspension of Operator's Licence and Rule 201: Minimum Coverage.
5. The application is incomplete, has not been signed by the applicant, or has not been bound by the Agent/Broker.
6. The applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. "Sufficient valid information to write the risk" includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the applicant (i.e., has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.

8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles, rate group listed as A.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
 - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
 - or**
 - b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
 - or**
 - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
 - or**
 - d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 211 Vehicle Rate Group.

C. Non Residents and Vehicles Not Registered in Jurisdiction

These vehicles may be operated for 6 months at which point they must be registered and plated in this jurisdiction. A policy of insurance may be required to cover the vehicle during this period. If necessary FA will issue a short term policy for a period not to exceed 6

months to cover the insurance requirement. Upon expiry the policy will lapse and will not be renewed. If the vehicle is registered in this jurisdiction prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term.

Rule 201: Coverages Available and Minimum Deductibles

A. Liability

Not more than \$2,000,000 except

- When required by Canadian or American federal or provincial statute by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The liability limit may not exceed the amount required.
- Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

The policy states that an automobile and trailer are held to be one vehicle, a trailer and any towing vehicle must be insured for the same Liability limit.

B. Accident Benefits

As prescribed by statute.

C. Optional Physical Damage

No optional physical damage coverage shall be provided or offered for commercial/interurban vehicles valued at \$1,000,000 or more.

Physical damage shall not be provided for Off-Road Commercial Vehicles e.g. logging trucks used solely in the bush.

Under this coverage, a motor vehicle and one or more trailers are separate automobiles, consequently, different deductibles for trailers and towing vehicles are permitted.

a) Minimum Deductibles

Rate Groups	Minimum Deductible
Up to 15	\$500
16 - 18	\$1,000
19 - 21	\$2,500
22 and over	5% of LPN rounded to the nearest \$250 (minimum deductible \$2,500).*
All RGs	END 40 is mandatory on any vehicles with prior fire or total vehicle theft claims within the last 60 months

*Example: If the list price new is \$123,000 5% is \$6,150, the deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

NOTE: For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on rate group and another based on claims, the higher deductible applies.

Number of Automobile Insurance claims under each coverage (Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum \$5,000)

*Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive

Higher deductibles based on claims shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. For example one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

b) Vehicles insured for Comprehensive/Specified Perils only shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability coverage on the policy. Vehicles insured for Comprehensive/Specified Perils only shall not be written as new business.

c) Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or issued without the endorsement or the endorsement may be deleted and the policy re-rated accordingly. See Rule 213: Endorsement Forms/Wordings.

D. Uninsured Automobile

As provided in the policy. The premium for this coverage is shown on the rate page. Where no premium is shown charge \$6.

E. Family Protection Coverage (END 44)

For a brief description please see the Endorsement Section. The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.

For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.

END 44 is not available for vehicles that are subject to the Public Section of this manual.

F. Direct Compensation Property Damage (DCPD)

No deductibles are applicable.

G: Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except as indicated below:

Exception

When an automobile is temporarily out of use and in storage:

- a) Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to 'driving other vehicles'. The endorsement may be used in respect of most private passenger and commercial-type vehicles. In no event shall a refund be granted for any cancellation period of less than sixty (60) consecutive days.

Suspended coverages are reinstated by means of END 17. END 44 may remain on a policy where 'moving' coverages have been suspended by means of END 16.

- b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils coverage may be deleted.

Note: Neither (a) nor (b) above is applicable for the following:

- Vehicles for which proof of insurance is issued or filed.
- Recreational vehicles to which the Recreational section applies.
- Vehicles that were never intended to be driven (e.g. vehicles in a collection).
- Vehicles for sale whether or not on an auto dealer's lot.

- Experience rated risks.

Note: If Liability and Accident Benefits coverage is removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.

If Liability and Accident Benefits coverages are not added to the vehicle by the anticipated end date, the vehicle shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability and Accident Benefits coverages on the policy.

Rule 202: Not applicable

Rule 203: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

1. The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the applicant. If the Servicing Carrier is required to have a driver's permission to obtain a Driver Record Abstract, that written authorization must accompany the application
2. Before binding coverage the Agent/Broker must either:
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating)
 - or**
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
3. The insurance shall take effect as of the time and date the coverage is bound. ***Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 am on the date the application is signed.*** However, except when the binding time is 12.01 a.m. of a future date, the policy shall be shown as effective at 12.01 a.m. on the day following the date coverage was bound. The premium

rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
- b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
4. If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
5. The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/ Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.
6. Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt' a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be provided to the Servicing Carrier with the application.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short-term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 204: New Policies

A. Application Form

Every application for insurance must be made on a current approved Facility Association Application Form and must be fully completed and signed by both the applicant and Agent/Broker where required or as prescribed under Rule 204:D. Computer Generated Application Forms.

Garage, Public, Experience-rated and some specially rated risks will require completion of supplementary questionnaires.

If indicated on the current standard approved application form as a requirement for certain types of Commercial risks, a completed Commercial Vehicle Supplement must be submitted with the application.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be

submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

B. Owners Policy (APP 1)

Only the Facility Association application forms may be used. The form requires the Agent/Broker to indicate the time and date that coverage is bound. The multi-part form includes a temporary liability card.

C. Faxed Applications

Fully completed and signed Facility Association Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved standard application form.

A standard temporary liability card may be used.

The computerized application must be signed and dated by the applicant.

E. Applicant's Signature

The applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy

by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e., a limited company or partnership.

The name of the insured must include or be the same as the name on the vehicle registration. For garage and non-owned risks, the name of the business registered with the appropriate municipal, provincial or federal authority must be used.

For example: The vehicle is registered to Pat Doe who is operating Pat's Garage. The name of the insured may be shown as Pat Doe o/a Pat's Garage.

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as husband's and wife's names, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the vehicles are separately registered to an applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage.

If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage.

Separate policies must be issued at the time of next renewal.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.

- b) If that other insurance is to be cancelled, a liability card may not be prepared before the insurer concerned has issued the notice of cancellation, or the insured has signed the request for cancellation.

H. Variation in Coverage

To conform to the Insurance Act, the insured must be advised if the coverage provided by the policy is not as requested in the application.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver Record Abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.

- b) All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles or applicants with only an international licence. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 205: Definitions

A. Commercial Vehicle

A motor vehicle used primarily to transport materials, goods, tools or equipment in connection with the applicant's occupation, and includes a police department truck, a fire department truck, driver training truck, a vehicle designed specifically for construction or maintenance purposes, a vehicle designed to perform a function by means of motive power which is both separate from and additional to the function of transportation and travel, or a trailer intended for use with a commercial vehicle.

Commercial vehicle does not include vehicles:

- a) Used primarily for the transportation of persons, in which case see the Private Passenger or Public section.
- b) Held for sale, demonstration and/or testing, in which case see the Garage section.

B. Vehicle

For the purposes of this section of the manual, the unqualified word "vehicle" shall include "trailer" unless otherwise indicated.

C. Trailer

A unit not equipped with its own motive power designed to be towed by a motor vehicle and intended to be used with a commercial vehicle.

D. Owned/Leased

The expression "owned by" (as in a vehicle owned by the applicant) includes "leased to" if the applicant is/was responsible for obtaining the Liability insurance for the leased vehicle/item concerned. A similar interpretation applies to "owns, ownership", etc.

E. Rating Information

If indicated on the current standard approved application form as a requirement for certain types of Commercial risks, a completed Commercial Vehicle Supplement must be submitted with the application.

The information in the application and the Commercial Vehicle Supplement (where required and/or provided) is used to determine classification and rating territory.

When a commercial vehicle is operated within a certain radius from different bases where required by different contracts, the territory shall be that of the highest rated location and the radius shall be the road distance of operation from that base.

F. Types of Commercial Vehicles

Standard Production

New Brunswick 1 October 2019

The following truck types are generally light and, if standard production models are rated from Rate Group Table I.

Pickup - A truck with an open box behind the vehicle cab (identified by Body Code 0 in Rate Group Table I). The cab may be extended to accommodate additional seating behind the regular driving seat – may be referred to as crew, extended, or super cabs.

Standard Pickup

Extended, Crew or Super Cab

Utility - A "jeep" like truck which may be completely open, have a cab similar to a pickup or have a canvas or full top (identified by Body Code M in Rate Group Table 1).

Multi-purpose Vehicle

Van - A truck with a box like design (identified by Body Code 1 in Rate Group Table 1). Formerly known as panel trucks. Vans have the driver's compartment and the cargo area within the body.

Van

Window Van

Wagon - A truck built from a van or pickup chassis with seating for passengers (identified by Body Code W in Rate Group Table 1).

Van

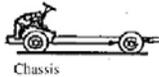

Window Van

Non Standard Production

Other truck types that are built from a **chassis** (the basic frame of a vehicle, including the engine, wheels, and other mechanical parts but not the body) or **chassis and cab** (a chassis equipped with a driver's compartment) by the addition of a body to carry goods or for specialized uses. Because these vehicles vary greatly even within a

particular body style, Rate Group Table II must be used to establish a rate group.

Chassis

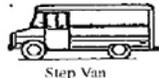

Chassis & Cab

The 'body' may be flat platform (**platform or flat deck**) or with racks (**stake**). Stake trucks often have canvas tops. With the addition of a fully enclosed box the vehicle is known as a **van**. Some have the cargo area open to the driver's compartment (**Step Van**); others have rear or side doors for access to the cargo.

Van

Step Van

Road Tractor - is a motor vehicle with a fifth wheel coupling device for attaching semi-trailers. A **fifth wheel** is a coupling device mounted on a road tractor and used to connect a semi trailer. It acts as a hinge point to assist longer vehicles in turning corners.

Road Tractor

In addition, a Commercial vehicle:

- a) may be of the private passenger or station wagon body type, in other words, a vehicle built on a private passenger chassis. Use Rate Group Table II.
- b) is a Snow Vehicle with a GVW in excess of 1 tonne (2,200 lbs.), or a snow groomer regardless of weight. Use Rate Group Table II.
- c) may be another specialized vehicle such as road machinery (for example, graders). Use Rate Group Table II.
- d) is a Motorcycle designed and used for commercial purposes. Use Rate Group Table II.

G. Gross Vehicle Weight ("GVW")

The Gross Vehicle Weight is the curb weight of the vehicle **plus** the maximum load capacity. Generally the vehicle permit (licence) will show the Gross Vehicle Weight. The gross vehicle weight is shown in manufacturer's specification and all truck data books. The GVW is not to be confused with load capacity such as a 3 ton van or 1/2 ton pickup – the GVW for 1/2 ton pickup will range from 3000 to about 6600 pounds (1.4 to 3.5 metric tonnes).

H. Machinery or Apparatus

Commercial vehicles are often equipped with machinery or apparatus. There are two types:

- 1. The equipment is designed to perform a function by means of motive power. This function is both additional to and separate from the functions of transportation and travel (e.g., welding, spraying, excavating, well drilling, cooking equipment). Insurance must be made subject to END 30 (Excluding Attached Machinery) which excludes coverage under Liability and Accident Benefits while at the site of the work (operation of the machinery or apparatus). See Endorsements in this section.
- 2. Some equipment is permanently attached to and used for the loading/unloading operations of the vehicle (e.g., fuel oil delivery pumping equipment, or, small hoisting equipment normally found on brick trucks) or the equipment requires the vehicle to be in motion on a public road in order for it to do the work (e.g. snow plows, street sweepers). END 30 is not used in these situations.

Some equipment owned by others may be attached to the vehicle. E.g. the applicant owns the truck but uses a tank body and pumping equipment owned by another. The coverage may be extended by attaching END 31 (Non-owned Equipment). The physical damage coverage may only be the same as that provided on the vehicle.

END 30 and 31 cannot be attached to the vehicle at the same time. In circumstances where coverage for attached machinery is excluded by endorsement from the commercial vehicle, coverage may be purchased on a commercial property/general liability policy.

Rule 206: Rating Territory

Commercial vehicles registered and used in New Brunswick are rated using New Brunswick premiums.

If a filing is required for another jurisdiction, the Outside New Brunswick exposure surcharge must be used regardless of the percentage of total mileage driven in that other jurisdiction.

The applicable rating territory is that in which the vehicle 'is and will be chiefly used'. If however, the vehicle is operated regularly i.e. more than 12 trips per year to or through other territories, the highest rated of those territories is to be used. A vehicle that travels through a higher rated territory from a lower rated territory where it is garaged, to another lower rated territory where the work is performed, shall be charged at the higher rated territory. This applies to all classes in the Commercial section including Truckmen. Outside New Brunswick exposure surcharge and currency differential surcharge are to be applied where required.

New Brunswick rates apply if the vehicle is operated outside New Brunswick but within Nova Scotia, Prince Edward Island, Newfoundland or Labrador.

New Brunswick rates and a surcharge apply if the vehicle is operated outside New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador. Refer to Rule 228.

Rule 207: Rating Class

A. Multiple Uses

If a vehicle is used for more than one purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

Since private passenger Classes 01, 02, 03 and 07 exclude commercial use, vehicles used for both private passenger and commercial use must be rated commercially.

Examples

- a) The insured has a mini van used for courier purposes and for pleasure. Rate the vehicle for courier delivery.
- b) The insured has a light pickup truck. During the day he makes business calls to clients of the company he works for as a salesman. During the night he works for another company delivering pizza. Rate the vehicle for pizza delivery.

Note 1: For driver training vehicles and short term rentals, refer to Rules 236 and 238.

Note 2: With Slip Tanks (removable tanks to carry combustible fuel), if the principal use of the vehicle is not the carriage of petroleum products, the vehicle must be rated according to its principal use and Class 48 may not be used.

B. Load Classification

Vehicles with a Gross Vehicle Weight not in excess of 4.5 tonnes (10,000 lbs)	Light (L)
Vehicles with a Gross Vehicle Weight of more than 4.5 tonnes (10,000 lbs.)	Heavy (H)
Road Tractors used to haul trailers	Heavy (H)

C. Radius

Radius means the road distance from the boundary of the city or town in which the vehicle is usually kept. Operation within a city or town or within 40 km (25 miles) of the boundaries of a city or town shall be regarded as within a 40 km (25 mile) radius. A radius of 80 km (50 miles) means that the vehicle is being operated within 80 km (50 miles) of the boundaries of the city or town in which it is kept.

Notes:

1. A vehicle used for more than 12 trips per year (6 trips on a six month policy) beyond a radius of:

Radius 81-160 km	Class 61
Radius 161- 400km	Class 62
Radius 401-750km	Class 63
Radius over 750km	Class 64

Hazardous Cargo rates are to be used if the vehicle is transporting Dangerous Goods. This rule only applies to vehicles hauling cargo for compensation.

For example: A vehicle hauling dangerous goods is used 13 times a year to haul those goods 100 km. Class 61B rates are applicable.

2. For policies issued for less than 6 months, Note 1 shall apply if the percentage of mileage used beyond 80 km (50 miles) for the policy period, exceeds 5%.

Note 2 does not apply if the vehicle is in transit and is not being used to transport goods or for the specialized purpose for which it was designed.

3. If the vehicle used travels into or through another jurisdiction, refer to Rule 228A.

D. Exclusive Contract

A truckman's vehicles that are operated under contract exclusively for one party, other than for mail or milk transportation may be classified as if owned and operated by that party if the vehicles are used within a radius of 40 km (25 miles). If used beyond a 40 km radius, rate as Truckmen.

For example: Acme Trucking has some trucks which are used solely for the delivery of Superior Drug Wholesaler's products to their customer drug stores within a 40 km radius. Superior Drug Wholesaler's do not have their own trucks. Rate the Acme trucks that are used solely for this purpose as Drug Manufacturer & Wholesalers.

E. Road Tractor Without Trailer

When a road tractor is insured it is presumed that it will be used with one or more trailers. Accordingly, the semi-trailer Liability premium (see Rule 212: Rating of Trailers) must be charged even if no specific trailer is described.

F. Vehicles in Transit

A vehicle that is in transit through the jurisdiction and not used to transport goods or for the special purpose for which it was manufactured is treated as a vehicle "not specifically classified".

For example: The insured lives in New Brunswick and purchases a road tractor in Ontario which is now driven back to New Brunswick to be registered in that jurisdiction. The vehicle is in transit and not being used for the purpose for which it was designed. It shall be rated Class 44 (heavy vehicle not specifically classified).

G. Electrically Powered Vehicles

– Discount no longer available.

H. Farm Trucks

The truck of a farmer who has no other gainful occupation and is residing on the farm may be rated as a farm truck. Vehicles owned by farm managers, farm labourers, transient harvesters and part-time workers may not be rated as farm trucks.

Class 33 is permissible only when the applicant owns both a commercial and private passenger vehicle and is a listed driver rated on both. If the private passenger vehicle is not insured for mandatory coverage with the Servicing Carrier, the Agent/Broker must confirm in writing to the Servicing Carrier at each renewal that the applicant owns and insures a private passenger vehicle; otherwise, the commercial vehicle is to be rated as a commercial vehicle not specifically classified.

Class 33 or 34 is not permissible if the vehicle is used for any retail/wholesale delivery or any use not considered part of the day-to-day operation of a farm.

For Class 34, a maximum 11,000 kg GVW is eligible. No extra heavy vehicles e.g. tractor trailers may be rated as farm vehicles.

Maximum annual mileage of any vehicle rated Class 33 or Class 34 may not exceed 10,000 km.

I. Artisan Class 35

This class is permissible only for those vehicles that are largely immobile i.e. parked during the business hours of the applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated Class 35. Wholesale or retail delivery is not permitted. The applicant or spouse also must have a private passenger vehicle insured for mandatory coverage.

K. Rating Class Table

Vehicle Type/Use	Class Code	
	Light	Heavy
All Commercial vehicles not specifically classified herein:		
Retail delivery of goods sold or serviced by the applicant	43	45
Excluding retail delivery (wholesale and no delivery)	36	44
All Terrain Vehicles:		
GVW not more than 1 tonne (2,200 lbs.) - see Recreational Section		
GVW more than 1 tonne (2,200 lbs.) - rate according to use		
Ambulances - see Public Section		
Armored Cars	46	46
Artisan	35	n/a
This class is permissible only for those vehicles that are largely immobile i.e. parked, during the business hours of the Applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated as Class 35. Wholesale or retail delivery is not permitted. The Applicant or spouse also must have a private passenger vehicle insured for mandatory coverage.		
Automobile Hauling - see Truckmen		
Facility Association does not provide legal liability cover for cargo		
Auto Accessories and Parts:		
Retail delivery	43	45
Wholesale delivery	36	44
Bakeries and Distributors	44	45
Brewers and Distributors	45	45
Building materials - including bricks and blocks (excluding dump trucks)	46	46
Buses - see Public Section		
Butchers: Wholesale Butchers - see Meat Packers		
Retail delivery	43	45
Caterers	43	45
Canteen Vendors, including Chip Wagons (Use END 30)	43	45
If equipped with a deep fat fryer, multiply premium by factor shown on Special Rating factor page		
Cement Blocks - see Building Materials		
Cement Mixers (Mix-in transit)	45	45
Chemical Products - see Dangerous Goods		
Chip Hauling (Wood) - see Logs		
Cleaners & Dyers	44	45
Coal & Wood Dealers	44	44

Vehicle Type/Use	Class Code	
	Light	Heavy
Contractors Excluding cement mixers, dump trucks and transportation of bricks or other building materials, logs, pulpwood and petroleum products. Class 35 is permissible only for those vehicles that are largely immobile i.e. parked, during the business hours of the applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated Class 35. Wholesale or retail delivery is not permitted.	35	44
Courier Service Maximum Radius 80 km (50 miles) Pickup and delivery of documents and small parcels/packages where an element of speed or timeliness is involved, excluding wholesale and retail delivery. In excess of 80 km rate as Truckmen.	44	46
Cranes (licensed, mobile) Use END 30	44	44
Dairies and Distributors	44	45
Dangerous Goods Any vehicle carrying substances so classified under Transportation of Dangerous Goods Act, Canada. Special Liability limit factors apply.		
<u>Maximum radius 80 km (50 miles)</u>		
Chemical Products no Explosives, Petroleum or Radioactive Materials Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	48	48
Explosives Manufacturers and Distributors. Use END 4A. Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	48	48
Petroleum Products Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	48	48
Radioactive Materials. Use END 4B Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	48	48
<u>Radius beyond 80 km (50 miles)</u> Use Hazardous Cargo Class 61 (81-160km) Class 62 (161-400km) Class 63 (401-750km) or Class 64 (over 750km) if the Premium Table II total premium is higher than the Class 48 total premium; otherwise Class 48 rates apply		
Delivery of goods sold or serviced by the applicant (where such use is not specifically classified)		
Retail delivery (pickup and delivery from individual households) Excluding retail delivery	43	45
Other delivery - see Truckmen	36	44
Dock and Station Trucks - see On-premises trucks		
Drug Manufacturers and Wholesalers		
Drug Stores	43	45
Dump Trucks not otherwise classified	42	42
Earth - see Sand		
Explosives Manufacturers and Distributors - see Dangerous Goods		
Express Companies - if risk meets definition of Courier, rate accordingly. Otherwise rate as Truckmen		

Vehicle Type/Use	Class Code	
	Light	Heavy
Farm Tractors Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	55	55
Farm Trucks - Not applicable to Greenhouse operators or Horticulturists Class 33 is permissible only where the applicant has both a commercial vehicle and a private passenger vehicle. If the private passenger vehicle is not insured with the Servicing Carrier, the Agent/Broker must confirm in writing to the Servicing Carrier at each renewal that the applicant owns and insures a private passenger vehicle. Otherwise, the commercial vehicle (or one with the highest rating group, if there are two or more) is to be rated as if it were a private passenger vehicle. Classes 33 and 34 are not permissible if the vehicle is used for any retail or wholesale delivery.	33	34
Fast Food Delivery - see Meals		
Fire Department Trucks (subject to END 24 if Physical Damage is insured) See Private Passenger section if private passenger or station wagon type. Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	53	53
Fishermen (excluding Wholesale or retail delivery) Refer to Farm Trucks for conditions of rating as Class 33 or 34	33	34
Fish and Sea Food Distributors Retail delivery	43	45
Wholesale delivery	46	46
Florist Including retail or Wholesale delivery	43	45
Excluding delivery - see Gardeners		
Food and Beverage Vendors - see Canteen Vendors		
Fruit Dealers Retail delivery	43	45
Wholesale delivery	46	46
Fuel Dealers - Solid fuel see Coal & Wood; Other see Dangerous Goods		
Funeral Vehicles - see Public Vehicles		
Furniture Manufacturers and Distributors	46	46
Garbage and Recycling Trucks (equipped with compactors, lift forks or roll off containers)	45	45
Gardeners & Horticulturists: Including delivery (retail or wholesale)	43	45
Excluding delivery (retail or wholesale)	35	45
Gasoline Trucks - see Dangerous Goods		
Golf Carts - used on golf courses only; others rate according to use Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	55	n/a

Vehicle Type/Use	Class Code	
	Light	Heavy
Gravel - see Sand		
Greenhouse Operators - see Gardeners		
Grocers:		
Retail delivery	43	45
Wholesale delivery	46	46
Hardware - including delivery (retail or wholesale)	43	45
Horticulturists - with delivery see Florists; otherwise Gardeners		
Ice Cream Manufacturers and Distributors	44	45
Ice Cream Vendors	43	45
Ice Dealers	44	45
Industrial Machinery Manufacturers and Distributors	36	44
Industrial Trucks - see On-premises Trucks		
Interurban Vehicles - see Truckmen		
Landscape Gardeners - see Gardeners		
Laundries	44	45
Lawn Mowers	55	n/a
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Lawn Service	36	44
If applying chemicals (e.g. fertilizer, pesticides) see Dangerous Goods		
Livestock:		
<u>Maximum radius 80 km (50 miles)</u>	46	46
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
<u>Radius beyond 80 km (50 miles)</u>		
Use Class 61 (81-160km) Class 62 (161-400km) Class 63 (401-750km) or Class 64 (over 750km) if the Premium Table II total premium is higher than the Class 46 total premium; otherwise Class 46 rates apply		
Logs, Wood Chips, Pulpwood:		
<u>Maximum radius 80 km (50 miles)</u>		
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page	41	41
<u>Radius beyond 80 km (50 miles)</u>		
Use Class 61 (81-160km) Class 62 (161-400km) Class 63 (401-750km) or Class 64 (over 750km) if the Premium Table II total premium is higher than the Class 41 total premium; otherwise Class 41 rates apply		
Lumber Dealers	46	46

Vehicle Type/Use	Class Code	
	Light	Heavy
Market Gardeners - see Gardeners		
Meals - Home Delivery of Fast Foods (Pizza, Chinese food and the like)	43	45
Meat Packers and Dealers	49	49
Messenger Service - see Courier Service		
Motorcycles designed for and used as a commercial vehicle	57	n/a
Liability - apply the applicable commercial vehicle premium less 50%		
All other coverages - apply applicable commercial vehicle premium in full		
Moving Vans - see Truckmen		
Municipal Corporation - see Public Service Vehicles		
Newspaper Delivery (daily newspapers)		
From or in cities of over 15,000 in population	49	49
Smaller cities and towns - see Delivery		
Nurserymen - see Gardeners		
Oil Drilling, Exploration and Seismograph (use END 30)	54	54
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Oil Tank Trucks - see Dangerous Goods		
On-premises Trucks (unlicensed)	55	55
Trucks used solely on applicant's premises, not designed for road use and which do not fall into any other category		
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Parcel Delivery - see Courier Service		
Petroleum Products - see Dangerous Goods		
Pilot Vehicles travelling in front or behind a vehicle with oversize cargo		
Rate as 'not specifically classified'		
Photo or Film Delivery		
Retail Delivery	43	45
Wholesale Delivery	36	44
Police Department Trucks	53	53
See Private Passenger section if private passenger or station wagon type or Recreational Section if motorcycle type.		
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Poultry Dealers		
Retail Delivery	43	45
Wholesale Delivery	46	46
Produce Dealers		
Retail Delivery	43	45
Wholesale Delivery	46	46

Vehicle Type/Use	Class Code	
	Light	Heavy
Public Service Vehicles (e.g. hydro or telephone) not Ambulance, Fire, Police or 'Road Construction & Maintenance'	43	44
Pulpwood - see Logs		
Radioactive Materials - see Dangerous Goods		
Radio or TV Sales and Service - see Television and Radio Sales & Service		
Radio Escort vehicles used on airport grounds Use Fire Department emergency or non emergency rates	53	53
Road Construction and Maintenance (excluding Dump Trucks): Graders, Snow Blowers & Plows, Snow Groomers, Street Sweepers, Tar Spreaders and like equipment especially designed and used for road construction or maintenance	54	54
Safe Dealers & Manufacturers	36	44
Sand, Gravel, Stone, Earth Multiply the premium that would otherwise apply by the factor on the Special Rating factor page <u>Radius beyond 80 km (50 miles)</u> Use Class 61 (81-160km) Class 62 (161-400km) Class 63 (401-750km) or Class 64 (over 750km) if the Premium Table II total premium is higher than the Class 42 total premium; otherwise Class 42 rates apply	42	42
Scrap (metal, paper, rags) Recycling, Junk Removal	49	49
Sewer and Septic Tank Cleaning	43	44
Slip Tanks carrying Dangerous Goods, irrespective of tank capacity (principal use is carrying petroleum products)	48	48
Snow Blowers/Plows designed for that use - see Road Construction		
Snow Plows - removable blade	36	44
Snow Groomers - see Road Construction		
Snow Vehicles: GVW not more than 1 tonne (2,200 lbs) - see Recreational Section GVW more than 1 tonne (2,200 lbs) - rate according to use		
Soft Drink Manufacturers, Bottlers and Distributors	44	45
Special Delivery (not Courier or similar services): Including retail delivery Excluding retail delivery	43 36	45 44
Station Trucks - see On-premises Trucks		
Steam Trucks (use END 30)	44	44
Steel Manufacturers & Distributors	46	46
Stone - see Sand		

Vehicle Type/Use	Class Code	
	Light	Heavy
Television and Radio Sales & Service		
Including retail delivery and service	43	45
Excluding retail delivery and service	36	44
Tow Trucks - see Tow Trucks in Garage Section		
Tractors other than road haulage tractors:		
Bush work, logging, lumbering	54	54
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Farm	55	55
Multiply the premium that would otherwise apply by the factor on the Special Rating factor page		
Road construction	54	54
Truckmen		
hauling or transport for others for compensation, where the use is not specifically classified:		
Maximum radius 40 km (25 miles)	46	46
Maximum radius 80 km (50 miles)	49	49
Premium Table II - Interurban Vehicles:		
Maximum radius 160 km (100 miles)	61	61
Radius 161- 400km	62	62
Radius 401-750km	63	63
Radius over 750km	64	64
For Premium Table II vehicles only, if operating any distance outside Canada, code Class 99 and rate as class above depending on radius.		
Valet Service (if automobile parking see Garage Section)	44	45
Van Pools - see Public Section		
Vegetable Dealers		
Retail Delivery	43	45
Wholesale Delivery	46	46
Welders	36	44
Well Drilling (use END 30)	36	44
Wood Chip Hauling - see Logs		
Wrecking Contractors	49	49

Rule 208: Method of Rating for More Than One Use

Refer to Rule 207:A. Multiple Uses

Rule 209: Driving Record

Driving record is the number of years of verified “Clear Record”. This rule does not apply to coverages that are fleet rated.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

A. Clear Record

Throughout the period concerned:

1. There has been no accident involving the described vehicle or one for which it has been substituted;

and

2. The applicant has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the applicant takes possession of the vehicle.

There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver’s history.

B. Driving Record Entitlement

Period of confirmed claims-free experience and vehicle ownership immediately preceding the commencement date of the period of insurance	Driving Record Entitlement
Less than 1 year	0
At least 1 year	1
At least 2 years	2
At least 3 years	3

Notes

1. The driving record established applies to all coverages for which driving record is a factor. There is no split rating.
2. Where an applicant owns more than one vehicle, each vehicle’s driving record is established separately. Where an additional vehicle is acquired it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted, an accident charged for on the deleted vehicle shall be transferred to a remaining vehicle with the best rated driving record.

For example: There are three vehicles on the policy all rated Class 36. Vehicle 1 is rated Driving Record 0 (due to an accident), vehicle 2 is rated Driving Record 1 and vehicle 3 is rated Driving Record 3. Vehicle 1 is deleted from the policy. The accident will be transferred to vehicle 3 and the rating will be amended to Driving Record 0.

3. Where a vehicle replaces another it acquires the driving record of the replaced vehicle.
4. Gaps in insurance coverage within the 3 years immediately preceding the effective date of the insurance shall have the following effect on the assignment of driving record:
 - a) If the gap in insurance coverage is 24 months or more in the past 3 years, the driving record will be reduced by 1 for each 12 months of the gap.
 - b) If the gap in insurance coverage is less than 24 months in the past 3 years and the gap is the result of a termination for non-payment of premium, termination for nondisclosure of an accident or conviction that would have increased the premium, or driver’s licence suspension for an offence related to the operation of an automobile, the driving record will be reduced by 1 for each 12 month gap in coverage.
 - c) If the gap in insurance coverage is less than 24 months in the past 3 years and the gap is for any reason other than one cited above, the driving record will not be impacted.

For example: The applicant has proof of accident free insurance from June 1, 2004 to February 15, 2008 when vehicle was taken off the road. Effective date of FA policy is July 1, 2008. Since the gap is less than 24 months (February 15, 2008 to July 1, 2008), there is no impact on the driving record.

The applicant has proof of accident free insurance from June 1 2004 to May 20, 2007 when the policy was cancelled for nonpayment. Effective date of FA policy is July 1, 2008. Since the gap is less than 24 months (May 20, 2007 to July 1, 2008) but for a reason indicated above, the driving record is reduced by 1 year.

5. A loss history report or letter from the prior carrier is required to confirm claims-free experience for all driving records on individually-rated vehicles. Where a loss history report or letter from the previous insurer verifying claims free experience in Canada or the U.S. is not provided, the insured shall be eligible for a maximum of Driving Record 0.

C. Seasonal Use

Some commercial vehicles, such as those used for road construction, farming, lumbering and fishing may only be used seasonally. In these cases the applicant may not be able to furnish proof of the accident-free period if the previous insurance policy did not retain Comprehensive or Specified Perils. Where this situation occurs and "Seasonal Use" is confirmed from past insurance records, Facility Association shall require only proof of the accident free operation during the previous seasons.

If proof of ownership and accident free use in previous seasons is obtained, then the driving record shall not be affected. The risk shall retain the existing driving record or the driving record shall be allowed to progress in the same manner as vehicles that are used year round.

D. Incorrect Class of Licence

Some heavy commercial vehicles require the operator to maintain a specific class of licence in order to operate such vehicles. Where the operator fails to have the proper class of licence for the vehicle to be insured, the policy will be issued at Driving Record 0. If evidence of the correct class of licence is not provided to the Servicing Carrier within 30 days, the policy will be cancelled by registered letter.

Rule 210: Not applicable

Rule 211: Vehicle Rate Group

The rate group is determined from Rate Group Table I or Rate Group Table II.

A. Rate Group Table I

This table lists by manufacturer, model and series, standard production pick-up, utility, van (panel or sedan delivery) or wagon types, having Gross Vehicle Weights not exceeding 10,000 pounds (4.5 metric tons).

If a current year make/model is not listed but it was listed in the immediately preceding year, use the rate group for the immediately preceding year.

If it was not listed in the immediately preceding year (it is a new model or there is a gap in model years), the Servicing Carrier shall provide you with the rate group assigned by IAO.

For vehicles equipped with attached machinery (e.g. tow trucks, pickups with snowplow blades) or those that have been customized (e.g. special paint job) where the value of the equipment or customization is \$3,000 or greater, an additional premium will be charged. For every \$3,000 of equipment value or customization, a rate group increase of 1 shall be made. If the value of the equipment is less than \$3,000 no additional premium shall be charged. The Servicing Carrier will require a copy of the bills of sale or if they are not available, an appraisal to substantiate the value of the attached equipment or customization.

Rate Group Table I is not to be used for models and series not specifically listed.

B. Rate Group Table II

The model year and List Price New are used to determine the rate group. Rating Group Table II is to be used for:

- Commercial vehicles of types and Gross Vehicle Weights not specified in Rating Group Table I.
- Any commercial vehicle not listed in Table I equipped with attached machinery (e.g. towing hoist on a pickup) or commercial vehicles that have been customized (e.g. special paint jobs).
- Commercial vehicles designated II in Rating Group Table I.
- Private Passenger vehicles being rated in the Commercial Section of the manual that are not listed in Rating Group Table I (e.g. car being used for courier purposes).
- Motorcycles designed and used for commercial purposes e.g. a three wheel motorcycle with a box built in between the rear wheels that permits the carriage of small packages for delivery purposes.
- Vehicles classed as or rated as Interurban.

C. List Price New

The Manufacturer’s Suggested Retail Price (MSRP) new (plus taxes) of the vehicle, including the value of the body, all permanently attached equipment and any customizing features.

Rule 212: Trailers

A. Types and Uses of Trailers

Non-Cargo Trailer

A trailer that does **not** supplement the load-carrying capacity of the towing vehicle. Such a trailer has a special function (e.g., compressor, tarpot, welding unit, canteen carts) and the insurance must be subject to END 30 described in Rule 205:H Machinery or Apparatus.

Cargo Trailer

A trailer that does supplement the load-carrying capacity of the towing vehicle, i.e. it is used for carrying removable cargo.

Common Trailer

A trailer attached to a straight truck by a tongue.

Semi-trailer

A trailer equipped with a “fifth wheel” or “kingpin” coupling device for use with a road tractor. Includes “bogies” used to convert containers into semi-trailers.

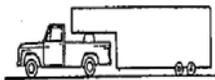

Pup Trailer

A second trailer attached to a lead trailer, either by means of a tongue or trailer converter dolly.

Low-bed Float Trailer

A trailer designed with a low center of gravity and used to haul very heavy loads (e.g. road graders, and transformers).

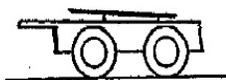

Gooseneck Trailer

A large trailer with a light cargo most commonly pulled by a pickup truck. Attachment to the pickup is by means of a small fifth wheel mounted on the bed of the pickup box.

Trailer Converter Dolly

A dual wheel axle with a fifth wheel mounted and a tongue for attachment to a lead trailer or straight truck.

Tractor-trailer-train or Tandem Rig

Road tractor with two or more trailers attached, or two or more trailers used with a truck.

Notes:

Except as provided above, trailers are classified in the same way as motor vehicles. E.g. a trailer used for grocery delivery is classified in the same manner as a road tractor used for grocery delivery.

For trailers designed or used for passenger carrying, demonstration, sales or office purposes, submit full details to the Servicing Carrier.

B. Rating of Trailers

1. Owned Trailer

Liability

Charge the indicated percentage of the premium applicable to the highest rated vehicle with which the trailer may be towed:

Note: If the towing vehicle is rated with Outside New Brunswick exposure surcharge and/or conviction/accident surcharge, the percentage applies to the towing vehicle premium including that surcharge.

Trailer Converter Dolly: Non Cargo	Nil
Cargo	25%
Non-Cargo Trailer	10%
Low-bed Float Trailer	25%
Cargo Trailer	
Semi-trailer	10%
Other	25%
Pulling Modular Homes and the like	25%

Direct Compensation – Property Damage

Charge 10% of the DCPD premium applicable to the highest rated vehicle with which the trailer may be towed.

NOTE For Liability and DCPD:

If the towing vehicle is rated with Outside New Brunswick exposure surcharge and/or conviction/accident surcharge, the percentage applies to the towing vehicle premium including that surcharge.

Notes:

If tractor-trailer-trains or tandem rigs are operated, every trailer that may be used is to be rated as a “Cargo Trailer-Other”.

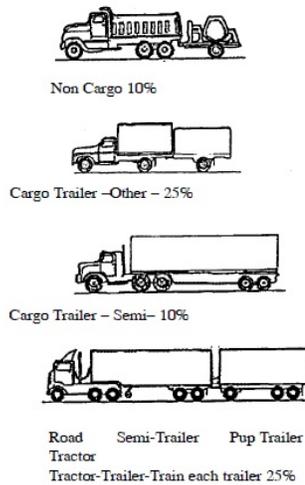

If the number of trailers insured by a policy exceeds the number that could be used at any one time (including with any vehicles insured by other policies/insurers), the premium under Liability and DCPD for the ‘excess’ trailers is reduced by 50%. If all trailers do not produce the same premium, the trailer(s) that would otherwise produce the lowest premium shall be considered excess.

For example: There are two tractors and four trailers. Two of the trailers produce premiums of \$500 each. The other two trailers produce premiums of \$700 each. The trailers that produce premiums of \$500 each will be considered excess and the Liability and DCPD premiums for each of those trailers will be reduced by 50%.

The driving record for rating a trailer's Liability insurance is the same as the vehicle on which the trailer's premium is based. (For reporting under the Automobile Statistical Plan, the trailer is identified by the use of Driving Record Code "7".)

Conviction surcharges are not applied to Collision coverage unless the trailer is the only vehicle on the policy in which case they apply to all coverages for which a premium has been charged other than Comprehensive/Specified Perils. A shipping container mounted on a frame is classified according to the frame upon which it is mounted. E.g. If mounted on a semi-trailer chassis then classify as a semi-trailer.

Here are Rating Examples:

Accident Benefits, Uninsured Automobile

No charge, unless the trailer is used for purposes like living/dwelling, show room, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle

Optional Physical Damage Coverage

Each trailer is rated as if it were a separate vehicle. Rate Group Table II is used to determine the rate group.

Each trailer and the vehicle by which it may be pulled use the same Collision driving record. Chargeable accidents will apply to the rating of both the trailer and the pulling vehicle. Apply Outside New Brunswick exposure surcharge and accident surcharge if required.

2. Non Owned Trailers

Liability

When a road tractor is insured, it is presumed that it will be used with one or more trailers. Accordingly, the semi-trailer Liability premium must be charged even if no specific trailer is described. Charge the premium applicable to an owned trailer.

Accident Benefits, Uninsured Automobile

No charge, unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle

Optional Physical Damage

Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required.

NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the policy.)

3. Policy Covers Trailers Only

Liability

If it is not known how the trailer is being used, charge 25% of Class 64 Driving Record 0. If the purpose for which the trailer is being used is known (e.g. local haulage) charge 10% of the appropriate class (e.g. Class 49) at Driving Record 0. Apply surcharges for Outside new Brunswick exposure, accidents and convictions if required.

If the trailer is being used with a tractor insured under another FA policy with the same Servicing Carrier, the non-owned charge on that other FA policy can be eliminated, whether or not the same Insured owns both the tractor and trailer.

Direct Compensation – Property Damage

Charge 10% of the DCPD premium applicable to the highest rated vehicle with which the trailer may be towed.

Accident Benefits, Uninsured Automobile

No charge, unless the trailer is used for purposes like living/dwelling, show room, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle

Optional Physical Damage

Establish the rate group and rate accordingly. If required, apply surcharges for the Outside New Brunswick exposure to all Physical Damage coverage and surcharges for accidents and convictions to Collision coverage.

4. Livestock Trailers

Where the trailer is used for transporting livestock (including horses) as part of the insured's business, the trailer is to be rated as a commercial cargo trailer, either 'semi' or 'cargo other' depending on the type of trailer. Where the trailer is used for transporting livestock for pleasure purposes, the trailer is to be rated as a utility trailer in the Recreational Vehicles Section.

Rule 213: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 243: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions. Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rated accordingly.

If a vehicle is registered in both the husband's name and the wife's name, endorsements that require signature must be signed by both husband and wife. If it is discovered that a policy is covering two vehicles (one registered in the husband's name and one in the wife's name), both signatures shall be required on any endorsements that require signature.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 214: Commonly Used Endorsements

END 13C – Deletion of Glass Coverage

The coverage provided under Comprehensive for damage to glass may be amended by attaching 13C. This endorsement is only applicable to vehicles listed in Rate Group Table I and Private Passenger type vehicles.

The premium charged for the reduced Comprehensive coverage is the Specified Perils premium plus 10% of the Comprehensive premium.

Where the deductible is \$1,000 or higher, there is no premium reduction.

END 20 – Loss of Use

Facility Association does not provide this coverage for vehicles that are used or rated commercially.

Machinery or Equipment Endorsements

END 30 – Excluding Operation of Attached Machinery

The description of the machinery or apparatus shall read:

“all or any machinery or apparatus designed to perform a function additional to and separate from the function of travel” Where the equipment is used on a public road and the vehicle is subject to compulsory automobile insurance, the END 30 must exclude only non road use of the equipment by adding “while the vehicle is not being used upon a public highway”.

END 31 – Non-owned Equipment

Use of this endorsement is not permitted in respect of a vehicle to which END 30 applies.

The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit must be specified. The rate group is based on Rate Group Table II using the list price new of the vehicle and the non-owned equipment.

END 27B – Business Operations - Legal Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control

The Applicant must specify the types of vehicle/trailer that may be in the Applicant's custody and provide the required limit per occurrence.

The premiums to be charged are those applicable to the highest rated vehicle that may be in the Applicant's custody as though the vehicle was an owned vehicle. The rating is based upon the driving record, the type and use of the vehicle/trailer.

Non-Owned Trailers

Optional Physical Damage

Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required.

NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the policy.)

After Market Sound and Electronic Communication Equipment

Where the vehicle is equipped with sound or electronic communication equipment, other than factory installed equipment, application of either the END 37 or END 38 is mandatory.

END 37 – Limitation to Automobile Sound and Electronic Communication Equipment

This endorsement limits the amount of coverage on such equipment to \$1,500. Where a vehicle is covered for Comprehensive or Specified Perils, this endorsement must be added if the applicant does not wish to purchase additional coverage. The endorsement must be signed by the insured.

END 38 – Increased Limit, Automobile Sound and Electronic Communication Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, and the applicant wishes to purchase additional coverage for the equipment, this endorsement may be added. Additional coverage may be purchased at a rate of \$30 per \$1,000 of value in excess of \$1,500 or part thereof. Documentation (appraisal or receipts) is necessary to substantiate the value stated in the endorsement. The endorsement must be signed by the insured.

For example: END 38 has a limit of \$4,300. The premium for END 38 shall be \$90.

Rule 215: Premiums**A. Premium Quotations**

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the “base” premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six-month policies charge 52% of the annual premium **except** for Motorcycles/Mopeds, Snow Vehicles and Antique Vehicles. See the **Recreational Vehicle** section for rating instructions on these vehicles.

Fleets as defined in Rule 239 are not eligible for six month policies.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. e.g. 46.56 will be rounded up to \$47.00 and 46.44 will be rounded down to \$46.00.

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Note: The minimum premium and minimum retained premium for garage policies (POL 4) is \$250.00.

E. Premium Determination**A. Calculating Premium with No Outside New Brunswick Exposure:****Steps**

1. Ensure that the vehicle qualifies as a Commercial Vehicle (See Rule 205: Definitions).
2. Establish the rating territory (See Rule 206: Rating Territory).
3. Establish the rating class (See Rule 207: Rating Class).
4. For Liability, DCPD and Collision coverages, establish the driving record (See Rule 209: Driving Record).
5. For DCPD establish the rate group and for Optional physical damage, establish the rate group and the minimum deductible (see Rule 211: Vehicle Rate Group and Rule 201: Coverages Available and Minimum Deductibles).
6. Establish what, if any, special rating factors apply.
7. Refer to the Schedule of Rates in this section and establish the ‘manual’ premium for each coverage.
8. Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, and then multiply the rate group premium by the deductible Factor. For trailers, also see Trailers in this section.
9. Apply any special use factor.
10. Apply fleet rating or accident/conviction surcharges if required.

B. Calculating Premium with Outside New Brunswick Exposure:**Towing Vehicles**

Liability – Calculate the Outside New Brunswick exposure surcharge for Liability and add to that the currency differential surcharge (if applicable). Apply to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.

DCPD – Apply the Outside New Brunswick exposure surcharge and currency differential surcharge (if applicable) to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.

Accident Benefits, Uninsured Automobile – Apply the Outside New Brunswick exposure surcharge for Liability to the premium. Then apply any fleet rating to the resulting premium.

Collision – Calculate the Outside New Brunswick exposure surcharge for physical damage and apply to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.

Comprehensive/Specified Perils – Apply the Outside New Brunswick exposure surcharge for physical damage to the premium.

END 44 – Apply the Outside New Brunswick exposure surcharge for Liability to the premium.

Trailers

Liability - Determine the premium for the Towing Vehicle in accordance with Rule 215.E. Steps 1 – 9 above plus any fleet rating surcharge or discount. Apply the appropriate Trailer percentage charge to obtain the premium. If the towing vehicle is rated with an Outside New Brunswick exposure surcharge and/or conviction/accident surcharge, the appropriate percentage for the trailer applies to the towing vehicle premium including that surcharge. If the trailer is the only vehicle on the policy, apply the accident/conviction surcharge.

DCPD – Determine the premium for the towing vehicle in accordance with Rule 215.E. Apply 10% of the DCPD premium applicable to the towing vehicle. If the towing vehicle is rated with an Outside New Brunswick exposure surcharge and/or conviction/accident surcharge, the appropriate percentage for the trailer applies to the towing vehicle premium including that surcharge. If the trailer is the only vehicle on the policy charge 10% of the DCPD premium applicable to the highest rated vehicle with which the trailer may be towed.

Accident Benefits, Uninsured Automobile – No charge unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

Collision - Calculate the premium for the required coverage and deductible in accordance with Rule 215.E, steps 1 to 9 plus any fleet rating surcharge or discount. Calculate Outside New Brunswick exposure surcharge and accident surcharge and apply to the premium. Do not apply any conviction surcharge unless the trailer is the only vehicle on the policy.

Comprehensive/Specified Perils - Calculate the premium for the required coverages and deductible in accordance

with Rule 215.E, steps 1 to 9 plus any fleet rating surcharge or discount. Calculate Outside New Brunswick exposure surcharge and apply to the premium.

Rule 216: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months. See also Rule 145: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate and Rule 100.C Non Residents and Vehicle Not Registered in Jurisdiction.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. A short term policy may also be issued for a vehicle being temporarily operated in a jurisdiction in which it is not registered.

The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

Policies subject to Rule 239 Fleets cannot be issued for a term of 6 months.

Rule 217: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/ Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled.

Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles

Leased Vehicles

- Where the insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of insured may be made by endorsement, provided there is no change in the name of the applicant, other than to add the lessor's name to the policy.
- In situations where the insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle. Where an insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 227: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

1. The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
2. Faxed or mailed policy change requests are acceptable.
3. If the policy change request cannot be sent to the Servicing Carrier on the date the insured makes the request, it must be sent to the Servicing Carrier on the next working day.
4. The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
5. Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.
6. Before physical damage coverage can be bound on a branded vehicle (salvage or rebuilt) a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be submitted with the request for a policy change (addition or substitution).
7. Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage. Where a copy of the valid registration is not provided, the following shall apply:
 - The vehicle(s) shall be added or substituted at the correct premium.
 - If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
 - If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
 - Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

E. Deletions of Vehicles and Coverages

a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

Note for a) and b)

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:

i) The day after the salvage is signed over to the insurer;

or

ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

e) In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

a) Driver Record Abstract must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years. Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.

b) Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, Previous Insurance History on the additional or replacement driver(s) is not required.

c) Insurance history is not required for Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles. See special instructions under Rule 239: Fleets.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting endorsement.

G. Not Applicable

H. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in

the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table except in the case of Snow Vehicles, Motorcycles/Mopeds and Antique Vehicles. For those vehicles, Short Term tables 3 and 4 are to be used for all coverages except Comprehensive/Specified Perils for which the Day Table is used.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy there will be a \$50 charge for each such substitution in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 218: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required – see Rule 227: Proof of Insurance.

NOTE: Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

Experience Rated, Garage and Commercial Risks may require the Agent/Broker to determine whether the information on record and/or coverages needs revision or updating.

A Driver Record Abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal (for six month policies every other renewal).

New Brunswick 1 October 2019

Renewals shall only be offered on policies for annual or six month terms.

B. Not Applicable

C. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

D. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

i. Renewal Notice to Agent/Broker

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

ii. Renewal Notice to the Insured

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the insured, the Agent/Broker must promptly return all the renewal documents (**including liability cards**) to the Servicing Carrier. A written request from the insured acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 219: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the insurer,
- or
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on

June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

5. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. (See Rule 227: Proof of Insurance.)

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company *regardless of the reason* for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

Motorcycles, Mopeds, Snow Vehicles, and Antique Vehicles use Short Term Table 3 or 4 for all coverages except Comprehensive/Specified Perils and Short Term Table 1 or 2 for Comprehensive/Specified Perils subject to any applicable minimum retained premium.

All other vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

All other vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured,
- or**
- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the insured or shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 219: Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled

on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.

2) If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and

b) the cheque was immediately deposited; and

c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and

d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the

Short Term Tables, unless a pro rata cancellation is being allowed because the risk (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles) is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

4. Where the policy is a six month policy, double the refund/change percentage.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change percentage. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change percentage.

Rule 220: Not applicable

Rule 221: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the percent that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the percent that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.

3. Subtract the second number from the first.

Policy expiry date	1999.233
Policy change date	1998.888
Refund/change percentage	.345

C. Short Term Tables

1. Motorcycles, Mopeds, Antique Vehicles.

Use Short Term Table 3 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

2. Snow Vehicles

Use Short Term Table 4 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

3. All Other Vehicles

For a policy cancellation use Short Term Table 1 or 2. For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the "Percentage of premium".
3. Subtract that percentage from 100% to determine the "refund percentage".
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the "Percentage of premium".
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2			
ANNUAL POLICIES				SIX MONTH POLICIES			
Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium

177-180	54						

D. Short Term Tables No. 3 and No. 4 (seasonal use vehicles)

These tables apply to all coverages except Comprehensive or Specified Perils for Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles. For Comprehensive or Specified Perils coverage use Short Term Table No. 1 or No. 2 or a pro rata calculation, depending upon the circumstances.

1. For each full month that insurance was provided, charge the corresponding "Percentage of annual premium" indicated below.
2. For part of a month charge pro-rata of the percentage applicable to the complete month. For example, in respect of a motorcycle insurance that commences on June 7th:
30 days minus 6 days = 24; 24 divided by 30 = .8; 8 times 20% = 16% for the month of June.

SHORT TERM TABLE No. 3			
Motorcycles & Mopeds and Antique Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	Nil	July	20
February	Nil	August	20
March	5	September	10
April	10	October	5
May	10	November	Nil
June	20	December	Nil

3. The tables below apply to Canadian conditions. If there is use outside Canada during a month where the table indicates the charges as "Nil" there shall be an additional premium charged for that month equal to pro-rata of the annual premium. The surcharge for U.S. exposure is applicable, except where the vehicle is used for personal use only and proof of insurance is not required.

For example: The insured has a motorcycle that he wishes to trailer down to Florida to use during the months of November and December in addition to regular use for the year in Halifax. The annual premium is \$1,250 excluding any premium calculation for November and December. Using the Pro Rata Day Table, calculate the pro rata fraction for the months of November and December (.164) and apply that to the total annual premium. The additional premium charge for November and December will be \$205.

SHORT TERM TABLE No. 4			
Snow Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	25	July	Nil
February	25	August	Nil
March	15	September	Nil
April	Nil	October	Nil
May	Nil	November	10
June	Nil	December	25

Rule 222: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 am. E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 223: Commission Schedule

The commission rates are:

Commercial Vehicles	Experience Individually	
	Rated	Rated
Long haul vehicles (including trailers) Classes 61-64, 99	6%	6%
Classes 33-36, 41-49, 53-55	7.5%	10%

Rule 224: Not applicable

Rule 225: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

- 1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,

or

- 2. A loss remains unsettled or unpaid,

or

- 3. A civil suit is pending **in respect of** Liability or Collision.

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

- 1. The insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
- 2. Damage to the applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words "loss(es)" and "claim(s)" where used in this manual are considered to have the same meaning as the word "accident."

The words "at fault" and "chargeable" where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

A chargeable accident will affect the rating of the Liability (including DCPD) and Collision coverages.

There is no requirement that drivers be accident free on other vehicles. The rating of the commercial vehicle is determined from the vehicle history not the driver’s history.

If the driver involved in the accident is removed from the policy, the accident shall continue to be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is principal operator of vehicle 1 and has had 2 losses on vehicle 1 and 1 loss on vehicle 2. Employee is principal operator of vehicle 2 and has had 1 loss on vehicle 1 and 1 loss on vehicle 2. For purposes of allocating accidents, the 3 accidents involving vehicle 1 will be allocated to vehicle 1 and the 2 accidents involving vehicle 2 will be allocated to vehicle 2.

The term ‘vehicle’ includes ‘one for which it has been substituted’.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motorhome, Light Commercial, Taxi or Garage
Light Commercial	Commercial, Private Passenger, Motorhome or Garage
Commercial	Commercial or Garage
Public (excluding Taxi)	Public (excluding Taxi)
Taxi	Taxi or Private Passenger
Motorhome	Motorhome, Private Passenger or Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

Note: “Type of vehicle” means the section of the manual in which the vehicle was or would have been rated.

For example: A pickup truck is rated as a private passenger vehicle and the insured had an at fault accident. The insured is now going to begin using the vehicle for commercial purposes. The accident that occurred while the vehicle was rated for personal use will continue to be applied when the insured begins driving the vehicle for commercial use.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle
- effective the date coverage on the original vehicle was deleted or suspended

Rule 226: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability and DCPD) and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The insured owns a business in which three commercial vehicles are driven by employees. Two of the commercial vehicles are insured in the voluntary market; the other is insured in FA. There have been 2 accidents on each of the vehicles in the voluntary market, none of which arose from the use or operation of the vehicle by the insured himself. There have been 3 accidents on the vehicle insured in FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the vehicle insured in FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered. There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver's history.

a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

For example: Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour's car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy; applicant is the only operator. There has been one accident on commercial vehicle 1 and one accident on commercial vehicle 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the commercial vehicles are rated on the vehicles on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

c) Two or more drivers and two or more vehicles

Each driver is to be assigned as an operator on the vehicle he/she most frequently drives. Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy and two operators. Applicant is operator of vehicle 1 and has had one accident on vehicle 1 and one accident on his personal vehicle insured elsewhere. Employee is operator of vehicle 2 on which there have been two accidents. On vehicle 1 count only the accident that occurred on the described vehicle. The accident on the

personal vehicle insured elsewhere is not to be considered. On vehicle 2 count both accidents as they occurred on the described vehicle.

2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- b) Other vehicles but were the subject of claims under this policy.

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured in FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. Snow Vehicles, All Terrain Vehicles) and vice versa.

Surcharges shall not be assessed on private type trailers as described under Recreational Vehicles.

a) One vehicle and more than one driver

The conviction record of all persons who are listed drivers of the vehicle shall be reviewed to establish which conviction record has the greatest impact on the driving record (including developing the highest surcharge percentage in accordance with the surcharge schedule for convictions). That conviction record shall be used in calculating the maximum driving record and the conviction surcharge.

b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle they drive most and that driver's conviction record shall be considered in relation only to that vehicle.

c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest premium prior to the application of any accident or conviction surcharges.

C. Accident/Conviction Surcharge Table

Maximum surcharge to be applied for accidents, serious, major and minor convictions is 250%.

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions	
1	15%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%

D. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Failure to stop on request of or obey directions of a police officer
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway

- Drive at unlawful hour
- Drive motorcycle with passenger
- Drive motorcycle on prohibited highway
- Stunting

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences added to an Act governing highway traffic, may be considered minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence

Signalling offences: any type

Slow driving/endangering other: any type

Smokescreen device on vehicle

Speeding: any type, except when listed as major or serious

Squealing tires

Stopping/illegal/improper: any type

Tires/defective/worn: any type

Towing/prohibited/unsafe: any type

Traffic signals/regulating lights: any type

Traffic signs/disobeying any legal sign except parking regulations

Trailer: improper attachments/improper towing

Turns/illegal/improper: any type

Unlicensed driver: any type including improper licence class

Unsafe move

Unsafe vehicle: any type

Using handheld/operated electronic/wireless device

Wrong side of road/wrong way: any type

Yield, failing to: any type

Driving while licence under suspension

Racing

Careless driving

Driver in the alcohol ignition interlock device programme operating a vehicle no so equipped

Driving without due care and attention

Driving without insurance

Dangerous driving

Impaired driving

Failure or refusal to submit to a breath or blood test

Failure to pass a breath or blood test

Failure to stop/remain at the scene of an accident

Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement

Learner/Level One driver fail/refuse breath sample

Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a Driver Record abstract identified as a Criminal Code conviction.

Driver under age 21 with more than zero percent blood/alcohol

Exceeding the speed limit by 50kph or more

Criminal negligence committed in the operation or use of a motor vehicle

Manslaughter committed in the operation or use of a motor vehicle

Rule 227: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.

- c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
 - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
- 2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out-of-Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
- 3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
- 4. Proof of insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed, and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
- 5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
- 6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion,

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the insured. However, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the insured and the provincial authority. For the insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the insured had a Comprehensive loss on June 25, the policy would not respond. If however, the insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the insured and the authority concerned.

For example: The insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the

provincial authority is sent on June 5. The effective date of cancellation for the insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a split limit of \$1,000,000 road hazard and \$1,000,000 passenger hazard. A filing for a \$5,000,000 combined limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 inclusive limit. One filing should be made showing the split limits of \$1,000,000 and \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the Processing Fees.

Rule 228: Outside New Brunswick Exposure

A. Outside New Brunswick Exposure Surcharge

Any vehicle registered in New Brunswick and operated in the U.S. or another Canadian jurisdiction (excluding Nova Scotia, Prince Edward Island or Newfoundland and Labrador) is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required and/or where the vehicles are used for business, commercial purposes or are carrying passengers.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask insureds whether or not proof of insurance must be filed and, if so, in what amount.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside New Brunswick and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 228 and the relevant section of the manual.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), DCPD, Accident Benefits, Uninsured Automobile and END 44 premiums for the highest rated New Brunswick territory in which the vehicle is used.

Liability, DCPD, Accident Benefits, Uninsured Automobile, END 44

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The surcharge percentage is calculated by means of the following formula:

Currency differential x Outside New Brunswick exposure surcharge

For example:

The rate of exchange for the U.S. dollar is 1.3085 Canadian.
Therefore the currency differential is 0.31.
The Outside New Brunswick exposure surcharge is 25%.

Currency differential surcharge:

$0.31 \times 25\% = 7.75\%$

The Currency differential surcharge is

1. Applied only to the Liability premium (Road/ Passenger Hazard)
2. There is no minimum surcharge applicable.
3. Additional to but not compounded on the Outside New Brunswick exposure surcharge.

Example:

The Liability premium is	\$1,000
Outside N.B. Exposure Surcharge is	25%
The Currency Differential Surcharge is	7.75%
Base Premium	\$1,000
Outside N.B. Exposure \$1,000 X .25 =	\$250
Currency Differential \$1,000 X 7.75 = 77.50	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the Outside New Brunswick exposure surcharge is subject to a minimum of \$50 per policy term.

For example: Using the example above, the dollar value of the Outside New Brunswick exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

Rule 229: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

1. Snow Vehicles and All Terrain Vehicles (with or without END 9) on Ice/Water

The following scenarios shall be considered Comprehensive losses:

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake and hits open water.

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake. The ice cracks and the Snow Vehicle or All Terrain Vehicle sinks to the bottom.

A Snow Vehicle or All Terrain Vehicle is parked on ice. The ice cracks under the machine and it sinks to the bottom.

2. Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 230: Not applicable

Rule 231: Suspension and Reinstatement of Coverages – END16/17

Liability, Accident Benefits, Uninsured Automobile and Collision as they relate to the **use and operation** of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the **ownership** of the vehicle. This means that END 16 does not suspend coverages related to ‘drive other vehicles’; while a pedestrian; or while the vehicle is in storage. This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.

No refund is allowed in respect of Comprehensive and Specified Perils.

If Liability and Accident Benefits coverages are removed or suspended twice in a year, then removal of these coverages is not permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while these coverages are removed or suspended.

END 16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks.
3. Recreational vehicles rated in the Recreational Vehicle Section.
4. Vehicles that were never intended to be driven.
5. Vehicles held for sale whether or not on an auto dealer's lot.

Rating

The refund for the period of cancellation is calculated according to the table printed on the END 16 form.

In no event shall a refund be granted for any suspension period of less than sixty (60) consecutive days.

Rule 232: Suspension of Operator's Licence – Use of END 28

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28 is being added to the policy at the request of the insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

Note: Where the insured's licence is suspended, the insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 201: Minimum Coverage.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and excluding physical damage where provided, for that person. END 8a shall be used in conjunction with END 28 except where END 28 applies to the named insured.
2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 28 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

- a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.
- b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28.

E. Completion of END 28

END 28 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word "Insured" in the Insured/Not Insured column. In any jurisdiction where Accident Benefits and Uninsured Automobile are mandatory when Liability coverage is provided, the word "Insured" must be shown against Section B and Section D in the Insured/Not Insured column.

Rule 233: "Home-Made" Vehicles / Reconstruction/ Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. Rate group 10 is to be used for Accident Benefits for private passenger vehicles where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
 - a) Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
 - b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy

signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

Rule 234: Vehicles Used Outside Jurisdiction of Registration

The Filed Underwriting Rules require that the vehicle must be registered in the jurisdiction in which the policy is issued. "If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction."

When an insured takes up residence in another jurisdiction, the insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

For example: The insured resides in New Brunswick and the vehicle is registered in that jurisdiction; however, the insured will be travelling the western provinces for the next year.

Regardless of where the vehicle is registered, Facility Association shall not provide insurance for vehicles which are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If the vehicle is operated outside New Brunswick, New Brunswick rates and a surcharge apply. Refer to Rule 138: Outside New Brunswick Exposure.
3. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
4. If the out of jurisdiction exposure is 5.0% or less of total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), Accident Benefits, Uninsured Automobile and END 44 only.

At the Servicing Carrier's discretion, a copy of fuel tax information log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

5. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. For example: The insured lives in Moncton, is on a sabbatical in California and the vehicle is registered in New Brunswick, New Brunswick rates apply.

Rule 235: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an insured acquires a new vehicle and all vehicles owned by the insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the insurer is notified of the acquisition within 14 days.

When the insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates, or
- b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the insured comes through Customs, the vehicle must be declared and the insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Private passenger vehicles are to be rated class 01 using the appropriate driving record. There is no surcharge for Outside New Brunswick exposure.

The territory to be used is the territory where the insured resides.

Commercial vehicles classified as light are to be rated class 36. Commercial vehicles classified as heavy are to be rated class 44. Driving record is 0. 100% Outside New Brunswick Exposure Surcharge applies.

Rule 236: Short-Term Rentals- Unspecified Lessees - Leases of 30 Days or Less

Use POL 1 and END 5c. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21a/b is not permitted. Use of END 44 is not permitted.

1. Coverages/Premiums Liability, Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
Liability	Non Pleasure rate plus \$15
DCPD	Normal rate
Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

Accident Benefits, Uninsured Automobile

Charge the normal rate for the type of vehicle concerned.

Rule 237: Long-Term Leases-Specified Lessees- Leases Exceeding 30 Days

A. Application

The lessee must complete an FA application form. The name and address of the applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 238: Driver Training Vehicles

All Driver Training Vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the applicant's liability for student drivers/observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles. *For example:* The insured opens a driver training school and either uses his own car or buys another car to use as a driver training vehicle. The insured has no previous experience with driver training and is 5 years accident free. According to the rules in the Private Passenger section the insured is entitled to Driving Record 5. Therefore the insured is entitled to Driving Record 3 on the driver training vehicle. If the insured had never owned a tractor trailer and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in the Commercial section.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:
Rate as Class 07

Commercial Vehicles:
Light – Rate as Class 36; Heavy – Rate as Class 44

Public Vehicles (Buses, etc.):
Private Passenger Type Vehicles:
Rate as Class 07
Other Vehicles:
Light Rate as Class 36; Heavy Rate as Class 44

Recreational Vehicles:
Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the 'other use'.

For example: If the vehicle is used for driving to and from work less than 17 km one way, use Class 02.

3. Add the dollar value of the driver training surcharge calculated in step 1 to the premium calculated in step 2.
4. Compare the premium in step 1 to the premium calculated through steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a private passenger vehicle and using class 07, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in step 1 is therefore \$770.

Step 2

The driver training use is part time and the insured also uses the vehicle to drive to and from another job. Therefore a premium of \$400 is calculated by rating the vehicle as Class 02.

Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

D. Driver Training Vehicle Surcharge Table

1. Vehicles used only for Secondary School, College or University training courses.

Coverage	Equipped with dual controls	Other
Liability/DCPD	35%	135%
Collision	0%	75%

2. Other Vehicles

Coverage	Equipped with dual controls	Other
Liability/DCPD	70%	170%
Collision	25%	100%

Rule 239: Fleets

A. Definition

A fleet is a group of 10 or more self-propelled vehicles under common ownership or management and used for business, commercial, or public transportation. Vehicles on a long-term lease are considered the equivalent of owned in determining whether or not a risk is a fleet.

The applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

For example: If the insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the insured has 132 months of Liability insurance. If the insured only had 9 vehicles insured for Liability in that period, there would only be 108 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the insured has owned or leased from others. The applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured by FA. If the policy does qualify for experience rating, only the experience on the vehicles insured by FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the applicant's business) is not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated 07 shall be added (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

B. Fleet Rating

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured in FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date so as to facilitate experience rating.

Experience rating includes the following:

- Losses are always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.
- Claims (paid by the previous insurer, reimbursed to the previous insurer or paid by the insured) outside the coverage on the application.
- Any amount paid back by the insured due to an END 8 on the policy with the prior insurer.
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss.
- Amounts above FA deductibles when the prior insurer had higher deductibles.
- Losses falling within any special agreements with the prior insurer

NOTE: Full experience details must be obtained directly from the prior insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21a and 21b is not permitted.

If vehicles being added to a fleet insured through Facility Association were previously on another fleet with the same common ownership or management as the Facility Association fleet, these added vehicles are subject to experience rating as outlined in Rule 239:B. Fleet Rating.

Midterm Rating

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 239:B. Fleet Rating.

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

For example: The new policy term will be May 1, 1999 to May 1, 2000. The insured had 2 losses between May 1, 1998 and May 1, 1999. The insured had 2 losses between May 1, 1997 and May 1, 1998. The insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a \$20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

D. New Applications**1. Forms required for Fleet Submissions**

- a) Facility Association application
The application form fully completed and signed. Under vehicle items show "Fleet Policy".
- b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.
The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a Currency differential surcharge shall be applied to the Liability premium (road hazard, passenger hazard). See Rule 228: Outside New Brunswick Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 227: Proof of Insurance.

Fleets cannot be issued with a term of 6 months.

The applicant(s) must sign and date all documentation where indicated.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the Outside New Brunswick Exposure Surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the applicant the premium quoted at driving record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a "blanket" wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

For example: The Agent/Broker bound coverage as of June 1 and quoted the applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The Agent/Broker advises the insured of the premium increase and the insured advises they want to cancel the policy. On July 25, the Agent/Broker advises the insurer to cancel the policy for non-payment. Because the request for cancellation was received within 45 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rate has been established and the policy is cancelled because the applicant rejects the premium, where a new application is submitted within 30 days of the cancellation of the fleet policy, either covering the same vehicles, or covering less than 10 vehicles individually rated, and the applicant still has at least 10 vehicles insured under different FA policies, then the premium will be quoted at the full rate and not the individual vehicle premium.

For example: Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at a premium of \$12,000 and the Agent/Broker receives it on September 22. The insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

7. Premium Calculation

Liability

Where the applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

Public Vehicle - Road Hazard and Passenger Hazard

- a) Enter the premium applicable to the minimum statutory limit for Road Hazard.

- b) If one premium applies to both Road and Passenger B.I., or if a combined Road and Passenger B.I. limit is to be provided, enter the combined base premium for the two coverages. If separate premiums apply for Road Hazard and Passenger B.I., show each premium separately.

For example:

- a) The insured requires a combined Road Hazard and Passenger B.I. limit of \$1,000,000. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium shall be entered on the fleet schedule as \$700 because the same Liability limit will apply to both coverages.
- b) The insured requires \$1,000,000 Road Hazard and \$2,000,000 Passenger B.I. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium will be entered on the fleet schedule as \$400/\$300 because different Liability limits apply to each coverage.
- c) If Passenger Property Damage is to be insured, enter the premium for the required limit in the Endorsement column.

Note: The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6a/b/c/f, 22).

Every other vehicle

Enter the premium applicable to the statutory minimum limit.

Physical Damage

All Perils

- a) All Perils coverage is no longer available. Vehicles having All Perils coverage on existing Facility Association policies shall be renewed with Collision and Comprehensive coverage subject to a minimum deductible.
- b) Record All Perils losses according to the peril under which they were paid i.e. Collision under Collision and Comprehensive/ Specified Perils losses under Comprehensive/Specified Perils.

All other coverages

Enter premium and deductibles where indicated.

Premium Totals

Liability

- a) Total the appropriate premiums and enter the totals under the appropriate Tables i.e. Table 1A (Road Hazard Liability), Table 1B (Road Hazard Liability – Hazardous Cargo), Table 2 (Passenger Hazard B.I.) and Table 3 (Road Hazard and Passenger B.I. Combined)

- b) Apply the increased limit factor for limits up to \$1,000,000. See the Commercial and Public sections of the manual for the factors.
- c) Apply the increased limit factor for limits over \$1,000,000 if required. See Commercial section for tables 1A and 1B and Public section for Tables 1A, 2 and 3.
- d) Add the final total under each Table to the total derived from adding together all other premiums.

All Other Coverages

Total the premiums in each column.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer-to-renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Fleet renewals cannot be issued with 6 month terms. Annual renewals only will be issued. Policies currently having 6 month terms will be renewed as annual policies on their next renewal.

Rule 240: Not applicable**Rule 241: Carrying Explosives**

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4a. END 4a can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the applicant and submitted to the Servicing Carrier.

1. A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial section of the manual.
2. For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

Rule 242: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4b. END 4b can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the applicant and submitted to the Servicing Carrier. An additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

Rule 243: Endorsements Applicable to POL 1 (Owner’s Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This Manual (in this section and elsewhere) provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort;
Physical Damage means Optional Coverages – Loss or Damage (Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	<p>Providing Coverage When Named Persons Drive Other Automobiles Extends the “drive other automobiles” Liability and Accident Benefits coverage to persons other than the insured and spouse.</p>	<p>The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11 Accident Benefits per person \$1.</p>
3	<p>Drive Government Automobiles Covers the insured’s legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The insured must specify the types of vehicle that may be in their custody and, in regard to the physical damage coverages, must indicate the required limit per occurrence.</p>	<p>Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the insured’s custody as if he owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle’s value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability/DCPD:20% Accident Benefits:50% Physical Damage:100%</p>
4A	<p>Permission to Carry Explosives Removes the policy form’s exclusion in regard to carrying specified explosives only.</p>	<p>If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. See Rule 241</p>
4B	<p>Permission to Carry Radioactive Materials Removes the policy form’s exclusion in regard to carrying radioactive materials only.</p>	<p>If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. See Rule 242</p>
5	<p>Permission to Rent or Lease Automobiles and Extending Coverage to the Specified Lessee(s) Applicable to leases exceeding 30 days.</p>	<p>No charge for the endorsement. Vehicle is rated as if owned by lessee. See Rule 237</p>
5C	<p>Permission to Rent or Lease (unspecified lessees - short term leases only) Applicable to leases not exceeding 30 days</p>	<p>The following premiums apply to the policy and are not specifically for the endorsement: 1. Liability, DCPD and Collision, Comprehensive, Specified Perils: Private Passenger250% of 07/0 Commercial Vehicles Light Trucks 200% of 43/0 Heavy Trucks 200% of 45/0 Tractor/Trailers 175% of 64/0 Private Trailers a. Liabilityadd \$15 b. Physical Damage250% of normal MotorHomes & Camper Units a. Liability250% of 07/0 b. Physical Damage250% of normal Motorcycles & Mopeds250% of DR 0 Snowmobiles & ATVs250% of normal See Rule 236</p>

5D	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6A	<p>Permission to Carry Passengers for Compensation Modifies the policy form’s restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Vehicles Rule 106.F and Public Vehicles. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.</p>	<p>For Private Passenger Vehicles used in car pools: add 10% of Liability premium. Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of insured’s job and employer reimburses employee for expenses - then 07 rates apply. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then 02 or 03 rates can apply. iii) All others, then appropriate taxi, limousine or bus rates are applicable.</p> <p>END 6a would be attached, however, only if the vehicle is used in a car pool would the 10% surcharge apply.</p> <p>For Public Vehicles, rate vehicle accordingly. See Public Vehicles Section of the manual.</p>
6B	<p>School Bus Used in respect of School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers’ property or (b) a combined limit in respect of all passengers’ bodily injury and property damage. Also, see END 22.</p>	Rate vehicle according to Public Vehicles Section.
6C	<p>Public Passenger Vehicles Used in respect of buses other than School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers’ bodily injury and property.</p>	Rate vehicle according to Public Vehicles Section
6D	<p>Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the insured’s liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both “any one person” and “two or more persons”. Also, see END 22</p>	See Rule 238 for rating instructions
6F	<p>Public Passenger Vehicles Used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.</p>	Rate vehicle according to Public Vehicles Section
7	<p>Separate Limits (Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.</p>	Premium is that applicable to an inclusive limit equal to the sum of the limits of “ii” and “iii”.

8	Property Damage Reimbursement	Not available on Facility Association policies.
8a	Property Damage Reimbursement for Operation by Named Person Used in conjunction with END 28 and 78. The insured agrees to indemnify FA for loss or damage to property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8a may not be used where the person to whom it applies is the named insured	No charge
9	Marine Use Excluded Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
13C	Deletion of Glass Coverage Amends the Comprehensive coverage by deleting coverage for damage to glass unless caused by a hazard included in Specified Perils coverage.	Private Passenger Vehicles, Motor Homes and “Light” Commercial Vehicles (excluding Trailers) Premium charged for reduced coverage is Specified Perils plus 10% of Comprehensive except for deductibles of \$1,000 or over where there is no discount from the full applicable Comprehensive premium. Note: For the purposes of the Automobile Statistical Plan, the reduced coverage is reported as Comprehensive Coverage. Other Vehicles: Not offered.
16	Suspension of Coverage The Liability, DCPD, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and Accident Benefits coverages that relate to “driving other vehicles”. The endorsement may be used in respect of most private passenger and commercial-type vehicles. It is not available in respect of: a) vehicles for which proof of insurance is issued or filed; b) experience-rated vehicles c) the Recreational vehicles/items to which the Recreational Vehicles Section of this manual relates d) vehicles that were never intended to be driven e) vehicles held for sale whether or not on an auto dealer’s lot	In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days.
17	Reinstatement of Coverage Used in connection with END 16.	
19	Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.	Base physical damage premiums on estimated or appraised current value.

19A	Valued Automobiles	Not available on Facility Association policies.
20	Loss of Use	Not offered in this section
21A	Receipts or Mileage Basis Fleet	Not available on Facility Association policies.
21B	Blanket Basic Fleet	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required.. See Public Vehicles Section.
22N	Cargo Insurance	Not available on Facility Association policies.
23A	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23B	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total physical damage premium; minimum net annual \$25.
24	Fire Apparatus Excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle	No charge.
25	Alteration Used by Servicing Carrier to record policy changes..	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobile(s) and Providing Other Coverages When Insured Persons Drive Other Automobiles	Not offered in this section
27B	Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control The purpose of the endorsement is to cover the Insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence.	Coverage premiums charged are those applicable to the highest rated vehicle as if the Insured owned such a vehicle. The limit per occurrence is used to calculate rate group; model year is assumed to be the current year. Non-Owned Trailers Optional Physical Damage Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required. NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the

		policy.)
28	Reduction of Coverage as Respects Operation By Named Persons Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
29	Additional Coverage as Respects Operation By Named Persons	Not available on Facility Association policies
30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use.END30may not be used in conjunction with END 31	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge, equipment cost to be included in vehicle value
32	Recreational Vehicles Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense Provides coverage up to \$50 for towing and emergency service expenses necessitated by disablement of the vehicle.	\$6 per annual term per vehicle.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in
37	Limitation to Automobile Sound and Electronic Communication Equipment. Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total.	No charge.
38	Increased Limit, Automobile Sound and Electronic Communication Equipment Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. eg. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.
43	Removing Depreciation Deduction	Not available on Facility Association policies.
43A	Removing Depreciation Deduction for Specified see(s)	Not available on Facility Association policies.

<p>44</p>	<p>Family Protection Provides limited protection to the insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the insured. For a complete description of the coverage, see the actual endorsement form and the “Supplement”.</p> <p>The limit for any one accident (ie., all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.</p> <p>For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.</p>	<p>Premiums are dependent on class of vehicle and limit of Liability. Premiums are shown on rate pages in each section of the manual.</p> <p>This endorsement is not available on “Public Vehicles” as described in the Public Vehicles Section of this manual or any other vehicles used in the manner of “Public Vehicles”.</p>

* \$500 deductible premium is shown only for calculating higher deductibles as per the Deductible Factor chart. Minimum deductible for these rate groups is \$1,000.

DEDUCTIBLE FACTORS			
Amount	Collision	Comp	S. P.
750	0.910	0.952	0.952
1250	0.787	0.905	0.905
1500	0.742	0.881	0.881
1750	0.708	0.869	0.869
2000	0.685	0.857	0.857
2250	0.663	0.851	0.851

For each step from the base deductible there is a minimum difference of a \$1.

Refer to Special Rating Factors on Pages 1-2 for the following uses:	
	Class
Chemical Products	48
Equipped with Deep Fat Fryer	-
Livestock	46
Logs, Chips, Pulpwood	41
Oil Drilling, Exploration, Seismograph	54
On Premises Trucks incl. Golf Carts, Lawn Mowers	55
Petroleum Products	48
Sand, Gravel, Earth, Stone	42
Tractors:excluding Road Tractors	
Bush-work/Logging/Lumbering	54
Farm	55
Road Construction/Maintenance	54

COMMERCIAL VEHICLES

PREMIUM TABLE I - ANNUAL PREMIUMS
Not applicable to vehicles that are hauling cargo for compensation beyond a radius of 80 km (Rule 207)
* Minimum deductibles apply; refer to rule 201

Rule 300: Filed Underwriting Rules

A. The insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

For example: The vehicle is registered in Nova Scotia but the application is being completed in New Brunswick. The vehicle must be registered in New Brunswick or an Agent/Broker in Nova Scotia must complete and submit the application for coverage in Nova Scotia.
4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 328: Suspension of Operator's Licence and Rule 301: Minimum Coverage.
5. The application is incomplete, has not been signed by the applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk. "Sufficient valid information to write the risk" includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the applicant (i.e., has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.
8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles, rate group listed as A.
9. Non-payment of premium for the current policy period (for purposes of termination only).

10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
 - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
or
 - b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
or
 - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
or
 - d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 310 Vehicle Rate Group.

Rule 301: Coverages Available and Minimum Deductibles

A. Liability

1. Maximum Limit(s) of Liability

Not more than \$2,000,000 except:

- a) When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as schoolboards). The Liability limit may not exceed the amount required.

- b) Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is required and permissible to provide a higher Liability limit, the increased limit factors can be found on Page 1 – Rating Notes. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

If the Liability insurance is required to provide distinct Road Hazard and Passenger Hazard BI limits, the maximum limit applies separately to the two hazards.

It is permissible to provide Passenger Property Damage coverage up to \$50,000 in addition to the amount(s) applicable to Road Hazard and Passenger BI.

Example 1: The insured is required by law to provide the Road Hazard limit of \$200,000 and the municipal by-law requires \$2,000,000 for Passenger BI. The policy may be issued for up to \$2,000,000 Road, \$2,000,000 Passenger BI and \$50,000 Passenger PD using END 6c or, if licensed as a School Bus, 6b.

Example 2.: The Insured is required by a *school board regulation* to provide \$3,000,000 Passenger BI, however as this regulation is not a municipal by-law or a legislated requirement, FA will not provide the \$3,000,000 Passenger Hazard BI limit unless the insured will be prevented from obtaining a contract of work.

The minimum limits required under the Board Public Passenger Motor Carrier Act Regulations are as follows:

- Road Hazard Liability \$1,000,000
- Passenger Bodily Injury and Property Damage:
 - \$2,000,000 for bodily injury to or death of persons and property damage up to 20 passengers
 - \$3,000,000 for bodily injury to or death of persons and property damage 21 or more passengers

The chart on Page 1 – Rating Notes indicates the appropriate endorsement form to be used with each vehicle type unless separate limits are required by law in which case 6c must be used.

It is the responsibility of the applicant to determine the limits that are required to be insured and advise the Agent/Broker/Servicing Carrier accordingly.

2. Proof of Insurance

Where filings are required the filing shall be made for the minimum limits that are required in that jurisdiction even if the policy is issued for a higher limit.

For example: The Liability limit chosen by the applicant is \$1,000,000. Proof of insurance is required for \$500,000. The policy will be issued at \$1,000,000 but the proof of insurance shall only show \$500,000.

3. Policy Issuance Using Combined Limit – END 6F

END 6F is to be used unless separate limits are required by law for Road and Passenger Hazards. If separate limits are required END 6C is to be used.

END 6F deletes the Section A exclusion for carrying passengers for compensation and amends exclusions b) and d) of the insuring agreements to provide coverage for liability for bodily injury to occupants and damage to property of passengers.

The Section A limit on the declaration page will show the combined limit for Road Hazard, Passenger Hazard BI and Passenger Hazard PD. No limit is specified on END 6F. The combined limits for Road Hazard, Passenger Hazard BI and Passenger Hazard PD may not exceed the maximum limit of liability specified in this rule under 1a) and 1b).

- The limit for Road Hazard and Passenger Hazard BI must be the same.
- Establish the premium for the Road Hazard limit.
- Establish the premium for the Passenger Hazard BI limit.
- Apply the increased limit factor from Table D if excess limits are required.
- Establish the Passenger Hazard PD premium for \$5,000 and if required apply the increased limit factor from Table C.
- Add the three premiums together to calculate the Section A premium.

4. Policy Issuance Using END 6b (School Bus only) or END 6c

END 6b and 6c are to be used only when separate limits are required by law. The Road Hazard limit is shown as the Section A limit on the declaration page of the policy. END 6b or 6c must be attached to the policy and must indicate the limits applicable to Passenger Hazard BI and Passenger Hazard PD.

On END 6b and 6c, the limits applicable to Passenger Hazard are combined in a single limit for bodily injury to one person, bodily injury to two or more persons, and damage to property carried in the automobile.

For example: On END 6b or 6c the limits would be shown:

- 2 (b) \$3,000,000 for bodily injury to or death of one or more such persons and loss of or damage to passengers property in any one accident.

Do not show an amount under 2 (a) unless required by law in which case no amount is to be entered under 2 (b).

5. Policy Issuance Using END 22 Passenger Property Damage

This endorsement is used to insure the passenger property damage when END 6a, 6d or 6b (where separate limits are required for Passenger Hazard Bodily Injury & Property Damage) is attached to the policy. For END 6a and 6d use the Passenger Property Damage premium applicable to Taxi.

B. Accident Benefits

As prescribed by statute.

C. Optional Physical Damage

No optional physical damage coverage shall be provided or offered on vehicles valued at \$1,000,000 or more.

All Perils is no longer available.

- a) Minimum Deductibles

The following table indicates the minimum deductible on any physical damage coverages for Public Buses:

PUBLIC BUSES	
List Price New	Minimum Deductible
Up to \$52,501	\$500
\$52,501 – \$76,000	\$2,500
\$76,001 – \$100,000	\$4,000
Over \$100,000	5% of the said value to nearest \$250
All Rate Groups	END 40 is mandatory on any vehicle with prior fire and total theft claims within the past 60 months.

*Example: If the list price new is \$123,000 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

Other Public Vehicles

The following table indicates the minimum deductible on any physical damage coverage when Private Passenger rates and the CLEAR Rate Group Table or Table A are used. When the rate group is established in Table A, the minimum deductible is determined by applying the value used to obtain the rate group to the Table A column below:

CLEAR Rate Group	Minimum Deductible Collision / Comprehensive/ Specified Perils	Table A
1 - 40	\$500	Up to \$30,000
41 - 59	\$1,000	\$30,001-\$60,000
60 - 79	\$2,500	\$60,001-\$80,000
80 - 89	\$5,000	\$80,001-\$100,000
90 - 99	\$10,000	\$100,001+

The following table indicates the minimum deductible on any physical damage coverage when Commercial rates and Commercial Rate Group Table II are used:

Rate Group	Minimum Deductible
Up to 15	\$500
16 – 18	\$1,000
19 – 21	\$2,500
22 and over	5% of the LPN up to the nearest \$250 (minimum deductible \$2500)*
All RGs	END 40 is mandatory on any vehicle with prior fire and total theft claims within the past 60 months.

NOTE: For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on list price new and another based on claims, the higher deductible applies.

Number of Automobile Insurance claims under each coverage (Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum \$5,000)

*Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive

Higher deductibles based on claims shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. For example one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only.

Only if the insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

b) Vehicles insured for Comprehensive/Specified Perils only shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability coverage on the policy. Vehicles insured for Comprehensive/Specified Perils only shall not be written as new business.

c) Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or issued without the endorsement or the endorsement may be deleted and the policy re-rated accordingly. See Rule 311: Endorsement Forms/Wordings.

D. Uninsured Automobile

As provided in the policy. The premium for this coverage or the location of the applicable rate is shown on the rate pages. Where no premium or the location of the rate is shown, charge \$11.

E. Family Protection Coverage (END 44)

Not available on vehicles rated in this section of the manual.

F. Direct Compensation Property Damage (DCPD)

No deductibles are available.

G: Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except as indicated below:

Exception

When an automobile is temporarily out of use and in storage:

a) Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to 'driving other vehicles'. The endorsement may be used in respect of most private passenger and commercial-type vehicles. In no event shall a refund be granted for any cancellation period of less than sixty (60) consecutive days.

Suspended coverages are reinstated by means of END 17.

b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils coverage may be deleted.

Note: Neither (a) nor (b) above is applicable for the following:

- Vehicles for which proof of insurance is issued or filed.

- Recreational vehicles to which the Recreational section applies.

- Vehicles that were never intended to be driven (e.g. vehicles in a collection).

- Vehicles for sale whether or not on an auto dealer's lot.

- Experience rated risks.

Note: If Liability and Accident Benefits coverage is removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.

If Liability and Accident Benefits coverages are not added to the vehicle by the anticipated end date, the vehicle shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability and Accident Benefits coverages on the policy.

Rule 302: Not applicable

Rule 303: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the applicant. If the Servicing Carrier is required to have a driver's permission to obtain a Driver Record Abstract, that written authorization must accompany the application
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating)

or

 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

Where the Agent/Broker is aware of an unpaid premium owing on a previously cancelled FA policy, the Agent/Broker is responsible for collecting that premium prior to binding a new policy.

- 3) The insurance shall take effect as of the time and date the coverage is bound. *Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 am on the date the application is signed.* However, except when the binding time is 12.01 a.m. of a future date, the policy shall be shown as effective at 12.01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
- b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.
- 6) Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt' a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be provided to the Servicing Carrier with the application.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short-term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 304: New Policies

A. Application Form

Every application for insurance must be made on a current approved Facility Association Application Form and must be fully completed and signed by both the applicant and Agent/Broker where required or as prescribed under Rule 204:D. Computer Generated Application Forms.

Garage, Public, Experience-rated and some specially rated risks will require completion of supplementary questionnaires.

If indicated on the current standard approved application form as a requirement for certain types of Commercial risks, a completed Commercial Vehicle Supplement must be submitted with the application.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

B. Owners Policy (APP 1)

Only the Facility Association application forms may be used. The form requires the Agent/Broker to indicate the time and date that coverage is bound. The multi-part form includes a temporary liability card.

C. Faxed Applications

Fully completed and signed Facility Association Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved standard application form.

A standard temporary liability card may be used.

The computerized application must be signed and dated by the applicant.

E. Applicant's Signature

The applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e., a limited company or partnership.

The name of the insured must include or be the same as the name on the vehicle registration. For garage and non-owned risks, the name of the business registered with the appropriate municipal, provincial or federal authority must be used. *For example:* The vehicle is registered to Pat Doe who is operating Pat's Garage. The name of the insured may be shown as Pat Doe o/a Pat's Garage.

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as husband's and wife's names, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the vehicles are separately registered to an applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage. If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage.

Separate policies must be issued at the time of next renewal.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- Binding shall not be made effective before the expiry of that other insurance.
- If that other insurance is to be cancelled, a liability card may not be prepared before the insurer concerned has issued the notice of cancellation, or the insured has signed the request for cancellation.

H. Variation in Coverage

To conform to the Insurance Act, the insured must be advised if the coverage provided by the policy is not as requested in the application.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- Driver Record Abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.

- All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles or applicants with only an international licence. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 305: Definitions

A. Public Vehicles

Vehicles used for the carrying of passengers classified in Rule 307. Vehicles rated as Private Passenger vehicles with END 6a attached to permit the occasional carriage of passengers for compensation are not considered to be Public vehicles. Where a vehicle is used for carrying passengers for compensation but is not classified in Rule 307, full details must be provided to the Servicing Carrier including a description of the vehicle, its intended use and its seating capacity.

B. Road Hazard

Liability for bodily injury to others excluding passengers and liability for property damage excluding property carried in or on the insured vehicle.

C. Passenger Hazard - Bodily Injury (BI)

Liability for bodily injury to passengers (Passenger Hazard Bodily Injury (PHBI) and liability for damage to the property of passengers (PHPD).

D. Radius

The radius of operation is the distance between terminal points, which is taken to be one-half the distance travelled by the vehicle over its complete route - from the starting point of its trip to its return to the same point.

E. Seating Capacity

The number of persons, excluding the driver which can be carried/seated in the insured vehicle.

F. List Price New

The Manufacturer's Suggested Retail Price new (plus taxes) of the vehicle including the value of the body, all permanently attached equipment and any customizing features.

G. Owned /Leased

The expression "owned by" (as in a vehicle owned by the applicant) includes "leased to" if the applicant is/was responsible for obtaining the Liability insurance for the leased vehicle concerned. A similar interpretation applies to "owns", "ownership", etc.

Rule 306: Rating Territory

The rating territories are described in the Territory section of this manual.

Public vehicles registered and used in New Brunswick are rated using New Brunswick premiums

If a filing is required for another jurisdiction, the Outside New Brunswick exposure surcharge must be used regardless of the percentage of total mileage driven in that other jurisdiction.

New Brunswick rates apply if the vehicle is operated outside New Brunswick but within Nova Scotia, Prince Edward Island, Newfoundland and Labrador.

New Brunswick rates and a surcharge apply if the vehicle is operated outside New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador. Refer to Rule 325.

For example: The insured business, based in Moncton, New Brunswick, is operating a tour bus to Ontario twice a month with 40% of the annual mileage outside New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador. New Brunswick rates and a surcharge are applicable.

Rule 307: Rating Class

A. Public Bus - Classes 70, 73, 74, 78

A vehicle that is used for carrying passengers for compensation on public streets or highways including charters and/or sightseeing trips. The insured is in the business of providing transportation of persons.

For example: The insured owns a bus which is used to transport people to and from a ski resort. The sole purpose of the Insured's business is to provide transportation. If the resort owned the bus then the rating would be that of a Hotel/Country Club Bus.

The class is based upon the radius of operation.

Radius of Operation		Class
1. Used solely within the corporate limits of a city or town		70
2. Distance between terminal points:		
More than	Not more than	
	25 km (15 miles)	70
25 km	80 km (50 miles)	73
80 km	240 km (150 miles)	74
240 km (150 miles)		78
Use 6f or, if required by law, 6c.		

B. School Bus - Class 71

A vehicle that is used for carrying students and teachers to and from school premises or school activities.

Rating Note:

a) Charter Trips

If a School Bus is also used for charter trips up to (and including) 20 trips per year the premium payable must be increased according to the following percentages:

Anticipated number of trips per year	All Coverages
1 to 12	25%
13 to 20	50%

If a School bus is used for more than 20 charter trips per year, rate as a Public bus.
Use 6f or 6b if required by law.

b) Vehicles Used by Day Care Operations

Run by Individuals

If the seating capacity is seven or less and is used by an individual who runs a day care out of his/her home, the charge for the appropriate private passenger rate class (02, 03 or underage class) will apply plus 10% for the 6a endorsement. If the seating capacity exceeds seven seats, school bus rates apply.

Day Care Organizations

If the vehicle is used by a day care organization, rate as a school bus.

C. Hotel or Country Club Bus - Class 72

A vehicle owned by and used by a hotel, summer camp, fishing camp, white water rafting enterprise, resort, golf or country club and the like for carrying guests, members or employees. The operation of the bus is secondary or incidental to the insured’s business.

To complete END 6f or 6c, after ‘for compensation or hire only’ enter “in connection with the insured’s business of [enter the insured’s business]”

D. Private Bus - Class 79

A vehicle that is owned by an employer or employee or hired/contracted by an employer and used to carry employees or passengers in connection with the activities of the business or a vehicle owned by an association, church or a charitable or similar organization, to carry passengers in connection with activities of the organization. Where the use of a vehicle does not meet the definition of Public, Hotel/Country Club or School Bus, it will be rated as Private Bus.

To complete END 6f or 6c, after ‘for compensation or hire only’ enter “in connection with the insured’s business of [enter the insured’s business].”

E. Van Pool - Class 79

A vehicle owned by an employer and used for one round trip each day to carry commuting employees.

To complete END 6f or 6c, after ‘Use of the automobile in connection with the insured’s business of [enter the insured’s business]”

F. Taxi - Class 77

A vehicle that is not otherwise defined in this section, but is used for carrying passengers for compensation to a destination requested by the passenger.

A completed Taxi Questionnaire must be submitted with the application.

Attach END 6a and insert “Taxi”.

Rating Notes

1. Owner Driven Taxis

Where the application indicates the taxi, for taxi purposes, is solely driven by the applicant or spouse (or in the case of multiple ownership by one specific owner), a 10% premium reduction shall be applied to each coverage. Family members may also drive the vehicle solely for pleasure purposes.

2. Seating Capacity Exceeds Seven

1. Determine the Public Bus class based on the radius of operations as per Rule 307.A.
2. Obtain the per seat rates from the rate page for Public Bus for Passenger Hazard BI and PD for the limits required and for Accident Benefits and UA. Factors for higher limits for Passenger Hazard BI are in Table B on the Rating Notes page and in Table C for Passenger Hazard PD.

Passenger Hazard BI

3. For the number of seats from 8-12 use the per seat rate for 1 – 12
4. Multiply the per seat rate by the number of seats from 8 – 12
5. For the number of seats over 12 use the per seat rate for 13 – 29
6. Multiply the per seat rate by the number of seats in excess of 12 and add to the total from step 4.
7. If limits in excess of \$1,000,000 are required apply the excess limit factor from Table B.
8. Add the premium to the Passenger Hazard premium for Taxi

Calculate the premium for Passenger Hazard PD, Accident Benefits and UA in the same manner.

Example - Passenger Hazard BI calculation for 15 seat taxi

- The Passenger Hazard BI premium for \$2,000,000 for Taxi is \$1000.
- The Public Bus per seat rate for \$1,000,000 for seats 1-12 is \$18.00. The number of seat from 8-12 that exceeds 7 is 5. $\$18.00 \times 5 \text{ seats} = \90 .
- The Public Bus per seat rate for \$1,000,000 for seats 13-29 is \$10.00. The number of seats that exceed 12 is 3. $\$10.00 \times 3 \text{ seats} = \30 .
- Multiply $\$120 (\$90 + \$30)$ by 1.218 (the factor for \$2,000,000 found on the Rating Notes page) = \$146
- Add \$146 to the Taxi Passenger Hazard BI premium of \$1000.

G. Limousine

Attach END 6a and insert rated use of vehicle.

1. Private Passenger Vehicle (includes all vehicles listed in the Private Passenger Rate Group Tables, plus any similar type vehicles not specifically in the Rate Group Tables, such as but not limited to Passenger Vans and Stretch Limousines).

a) Airport – A vehicle used in the business of carrying passengers to and from an airport.

b) Excluding Airport – A vehicle used in the business of carrying passengers for compensation under contract for transporting passengers, or in connection with specific functions such as weddings, receptions and funerals.

2. For all uses listed above, code and rate as a Taxi.

3. Where seating capacity exceeds seven, rate as above and, for each seat over seven, add the per seat premium applicable to Passenger Hazard BI and PD, Accident Benefits and Uninsured Automobile for a Public Bus.

4. For vehicles manufactured as a bus and with a licence registration of a bus, code and rate as a Public Bus.

H. Ambulance - Class 76

Public

A vehicle constructed, equipped and used for carrying people who require medical attention or are under medical care.

Private Ambulance

An ambulance as described above but used exclusively for the carrying of the insured's employees.

Use the percentage applicable to Emergency or Non Emergency use.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier.

Attach END 6a and insert "Ambulance" and "Emergency" or "Non emergency".

I. Invalid Car - Class 76

A vehicle constructed, equipped and used for the transportation of wheelchair passengers and other disabled persons.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier.

Rate and code according to use. *For example*, if the vehicle is being used as a private bus, then rate as a private bus.

Attach the appropriate endorsement as indicated on the Rating Notes page.

J. Funeral Vehicles - Class 75

Attach END 6a and insert [rated use of vehicle].

Hearse/Casket Wagons

A vehicle used for the transportation of coffins, caskets, and flowers.

Funeral Carriage

A vehicle used for the transportation of passengers to and from funeral services.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier. For other vehicles operated by a Funeral Director, see the Private Passenger or Commercial sections of the manual.

Rule 308: Rating

A. Rating for More Than One Use

If a vehicle is being used for more than one purpose, the highest rated class based on premium must be used regardless of the percentage of exposure. If the exposure for the other use is higher than the exposure for the 'public' use, then the premium for Passenger Hazard Bodily Injury and/or Property Damage is not added to the premium for the other use.

For example: The insured has a station wagon and has been contracted by the school authority to transport children to and from school. The insured also uses the vehicle for strictly pleasure use. The school contract requires \$2,000,000 Road Hazard and \$3,000,000 Passenger Hazard Bodily Injury. Assuming Class 01 percentage of exposure is higher, the policy shall be issued using the Class 01 premium. The Liability limit on the face sheet of the policy shall show \$2,000,000.

END 6b must be attached. Under 2(a) the first and second lines shall be completed with a limit of \$3,000,000. END 6b provides that **while the vehicle is being operated as a school bus**, the policy shall provide \$2,000,000 Road Hazard and \$3,000,000 for bodily injury or death of one or

more persons. If the insured has an accident while driving the vehicle for pleasure the policy shall provide \$2,000,000 Liability.

The additional \$3,000,000 is only applicable while the vehicle is being operated as a school bus. The premium for 6b shall show as included on the face sheet of the policy.

B. Liability Coverages

The Liability premium is made up of three components:

1. Road Hazard Bodily Injury and Property Damage
2. Passenger Hazard Bodily Injury (PHBI)
3. Passenger Hazard Property Damage (PHPD)

The Schedule of Rates may show separate premiums for each component or combined premiums for some. Where the Schedule of Rates does not provide the premium for the required limit, an increased limit factor must be applied to the premium. The factors are found in the Limits Table at the beginning of the rate pages. Each coverage component has its own Table (A, B and C). In addition there is Table D which is used instead when a combined limit (where permitted) for Road Hazard and Passenger Hazard BI is required.

If the limit exceeds \$1,000,000, an excess limit factor is applied to the premium for a limit of \$1,000,000.

C. Types of Rating used for Public Vehicles

The premiums for Public Vehicles are developed on a “Per Vehicle”, “Per Seat” or a “percentage” of a Private Passenger, Commercial or another Public Vehicle premium.

“Per Vehicle” If the heading on the rate page states “Per Vehicle” the premium shown on the rate page is a premium applicable to the vehicle depending upon the territory, class, driving record , seating capacity and limit.

“Per Seat” If the heading on the rate page states “Per Seat,” then to determine the premium for that coverage

1. Obtain the applicable per seat rate shown for the territory, class, driving record, seating capacity and limit. Develop the premium in stages if seat rates are shown for various numbers of seats.

For example: using hypothetical seat rates for a 35 passenger bus

Seating Capacity	Per Seat
1-12	28.66
13-29	6.97
30+	3.35

2. Multiply each rate by the number of seats in the stage

12 times 28.66 =	343.92
17 times 6.97 =	118.49
6 times 3.35 =	20.10
Total premium =	482.51
Rounded to \$483.	

3. If in addition to the per seat rate, a **basic** premium is shown on the rate page for that coverage, then it must be added to the per seat premium. In the example a hypothetical \$41.56 would be added to the \$482.51 and the total rounded to \$524.

“Percentage” The rate page may show a class and a percentage. The premium is obtained by applying the percentage on the rate page to the premium for the class indicated at a Liability limit of \$200,000. The premiums for higher limits are obtained by applying the increased limit factors in the rate pages. Note that Public Vehicles are to be rated as Driving Record 0, 1, 2 or 3 even where there may be a better driving record available for the underlying class.

D. Physical Damage

Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, round to the nearest dollar, and then multiply by the deductible factor.

E. Premium Determination

Ensure that the vehicle is a Public Vehicle.

1. Establish the rating territory
2. Establish the rating class, including any special factors.
3. Establish the driving record
4. Establish the rate group and minimum deductible. Refer to the rate page and the rate per vehicle, per seat or percentage of underlying class.
5. Develop the total premium for each coverage
6. Apply any required Outside New Brunswick exposure and currency differential surcharge.
7. Apply fleet rating or any accident/conviction surcharge.

Rule 309: Driving Record

Driving record is the number of years of verified “Clear Record”. This rule does not apply to coverages that are fleet rated.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing

Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

A. Clear Record

Throughout the period concerned:

1. There has been no accident involving the described vehicle or one for which it has been substituted;

and

2. The applicant has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the applicant takes possession of the vehicle.

There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver’s history.

B. Driving Record Entitlement

Period of confirmed claims-free experience and vehicle ownership immediately preceding the commencement date of the period of insurance	Driving Record Entitlement
Less than 1 year	0
At least 1 year	1
At least 2 years	2
At least 3 years	3

Notes

1. A chargeable accident will affect the rating of both Liability and Collision coverages.
2. Where an applicant owns more than one vehicle, each vehicle’s driving record is established separately. Where an additional vehicle is acquired it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted, an accident charged for on the deleted vehicle shall be transferred to a remaining vehicle with the best rated driving record.
3. Where a vehicle replaces another it acquires the driving record of the replaced vehicle.
4. Gaps in insurance coverage within the 3 years immediately preceding the effective date of the insurance shall have the following effect on the assignment of driving record:

- a) If the gap in insurance coverage is 24 months or more in the past 3 years, the driving record will be reduced by 1 for each 12 months of the gap.
- b) If the gap in insurance coverage is less than 24 months in the past 3 years and the gap is the result of a termination for non-payment of premium, termination for nondisclosure of an accident or conviction that would have increased the premium, or driver’s licence suspension for an offence related to the operation of an automobile, the driving record will be reduced by 1 for each 12 month gap in coverage.
- c) If the gap in insurance coverage is less than 24 months in the past 3 years and the gap is for any reason other than one cited above, the driving record will not be impacted.

For example: The applicant has proof of accident free insurance from June 1, 2004 to February 15, 2008 when vehicle was taken off the road. Effective date of FA policy is July 1, 2008. Since the gap is less than 24 months (February 15, 2008 to July 1, 2008), there is no impact on the driving record.

The applicant has proof of accident free insurance from June 1 2004 to May 20, 2007 when the policy was cancelled for nonpayment. Effective date of FA policy is July 1, 2008. Since the gap is less than 24 months (May 20, 2007 to July 1, 2008) but for a reason indicated above, the driving record is reduced by 1 year.

5. A loss history report or letter from the prior carrier is required to confirm claims-free experience for all driving records on individually-rated vehicles. Where a loss history report or letter from the previous insurer verifying claims free experience in Canada or the U.S. is not provided, the insured shall be eligible for a maximum of Driving Record 0.
6. Taxi and Limousine maximum driving record entitlement is Driving Record 6. Driving Record entitlement is based on period of confirmed claims-free experience and vehicle ownership immediately preceding the commencement date of the period of insurance.

C. Incorrect Class of Licence

Some vehicles such as buses require the operator to maintain a specific class of licence in order to operate such vehicles. Where the operator fails to have the proper class of licence for the vehicle to be insured, rate at Driving Record 0. If evidence of the correct class of licence is not provided to the Servicing Carrier within 30 days, the policy will be cancelled by registered letter.

Rule 310: Rate Group

A. Public Bus

Determine the list price new and rate according to the 'List Price New' column on the Public Bus rate page.

B. Other Vehicles

Where the vehicle is listed in the CLEAR Rate Group Table in the Private Passenger Section of the manual, establish the CLEAR rate group. For similar type vehicles not specifically listed in the CLEAR Rate Group Table such as passenger vans and stretch limousines, determine list price new and obtain the rate group from Table A on the Rating Notes page in the Private Passenger Section.

For all other vehicles, determine the list price new and establish the rate group using Rate Group Table II in the Commercial Section of the manual.

Rule 311: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted. The Endorsement Section provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rereated accordingly.

If a vehicle is registered in both the husband's name and the wife's name, endorsements that require signature must be signed by both husband and wife. If it is discovered that a policy is covering two vehicles (one registered in the husband's name and one in the wife's name), both signatures shall be required on any endorsements that require signature.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 312: Endorsements

END 20 - Loss of Use

Facility Association does not provide this coverage for Public Vehicles.

After Market Sound and Electronic Communication Equipment

Where the vehicle is equipped with sound or electronic communication equipment, other than factory installed equipment, application of either END 37 or END 38 is mandatory in those jurisdictions where the endorsements and the END 38 rate have been approved. See Endorsement Section.

END 37 - Limitation to Automobile Sound and Electronic Communication Equipment

This endorsement limits the amount of coverage on such equipment to \$1,500. Where a vehicle is covered for Comprehensive or Specified Perils, this endorsement must be added if the applicant does not wish to purchase additional coverage. The endorsement must be signed by the insured.

END 38 - Increased Limit, Automobile Sound and Electronic Communication Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, and the applicant wishes to purchase additional coverage for the equipment, this endorsement may be added. Additional coverage may be purchased at a rate of \$30 per \$1,000 of value or part thereof in excess of \$1,500. Documentation (appraisal or receipts) is necessary to substantiate the value stated in the endorsement. The endorsement must be signed by the insured.

For example: END 38 has a limit of \$4,300. The premium for END 38 shall be \$90.

Rule 313: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the "base" premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six-month policies charge 52% of the annual premium **except** for Motorcycles/Mopeds, Snow Vehicles and Antique Vehicles. See the **Recreational Vehicle** section for rating instructions on these vehicles.

Fleets as defined in Rule 335 are not eligible for six month policies.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. e.g. 46.56 will be rounded up to \$47.00 and 46.44 will be rounded down to \$46.00.

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall *always* be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

Unless otherwise stated in any other section of this manual, the minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Note: The minimum premium and minimum retained premium for garage policies (POL 4) is \$250.00.

Rule 314: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months. See also Rule 331 – Purchasing Vehicles in Jurisdictions Where FA Does Not Operate.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

Policies subject to Rule 335 Fleets cannot be issued for a term of 6 months.

Rule 315: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled.

Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles

Leased Vehicles

- Where the insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of insured may be made by endorsement, provided there is no change in the name of the applicant, other than to add the lessor's name to the policy.
- In situations where the insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle. Where an insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 324: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

1. The Agent/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
2. Faxed or mailed policy change requests are acceptable.
3. If the policy change request cannot be sent to the Servicing Carrier on the date the insured makes the request, it must be sent to the Servicing Carrier on the next working day.
4. The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
5. Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.
6. Before physical damage coverage can be bound on a branded vehicle (salvage or rebuilt) a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be submitted with the request for a policy change (addition or substitution).
7. Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot

be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage. Where a copy of the valid registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

E. Deletions of Vehicles and Coverages

- a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

- b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

Note for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

- c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

- d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:

- i) The day after the salvage is signed over to the insurer; or
- ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

- e) In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver Record Abstract must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years. Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.
- b) Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, Previous Insurance History on the additional or replacement driver(s) is not required.
- c) Insurance history is not required for Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles. See special instructions under Rule 335 Fleets.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting endorsement.

G. Not Applicable**H. Midterm Policy Change Premium Calculation**

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Rates to be used**Addition of a vehicle:**

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table except in the case of Snow Vehicles, Motorcycles/Mopeds and Antique Vehicles. For those vehicles, Short Term tables 3 and 4 are to be used for all coverages except Comprehensive/Specified Perils for which the Day Table is used.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy there will be a \$50 charge for each such substitution in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 316: Renewals**A. Before issuing a Renewal:**

If the renewal involves a vehicle for which proof of insurance has been filed or is required – see Rule 324 Proof of Insurance.

NOTE: Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

Experience Rated, Garage and Commercial Risks may require the Agent/Broker to determine whether the information on record and/or coverages needs revision or updating.

A Driver Record Abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal (for six month policies every other renewal).

Renewals shall only be offered on policies for annual or six month terms.

B. Not Applicable**C. Accidents Occurring Between Renewal Process Date & Effective Date**

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

D. Renewal Processing**1. Other than Direct Billing****Servicing Carrier Responsibilities****i. Renewal Notice to Agent/Broker**

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

ii. Renewal Notice to the Insured

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the insured, the Agent/Broker must promptly return all the renewal documents (**including liability cards**) to the Servicing Carrier. A written request from the insured acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time of risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 317: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests a midterm cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be

effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the insurer,
- or
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

5. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the insured’s request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent’s/Broker’s request or Servicing Carrier’s initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires – see Rule 324: Proof of Insurance.

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company *regardless of the reason* for cancellation. The Agent/Broker’s account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:
 Motorcycles, Mopeds, Snow Vehicles, and Antique Vehicles use Short Term Table 3 or 4 for all coverages except Comprehensive/Specified Perils and Short Term

Table 1 or 2 for Comprehensive/Specified Perils subject to any applicable minimum retained premium.

All other vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

All other vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent/Broker’s account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured,
- or**
- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent/Broker’s originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words ‘agent/broker’ will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the insured (unless the policy is financed through a premium finance company) and the Agent/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the insured or shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 317.E.6 Flat Cancellation Exceptions. **Additional Premium Policy Change**
Flat cancellation of an additional premium policy change is not allowed.

Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.

2) If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and

b) the cheque was immediately deposited; and

c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and

d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier

Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles) is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 318: Time on Risk Tables**A. Pro Rata****Calculation for Endorsements & Cancellations**

Using the Day Table on the next page:

1. Determine the percent that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the percent that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change percentage .345
4. Where the policy is a six month policy, double the refund/change percentage.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change percentage. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change percentage.

B. (Pro Rata) Day Table

January			February			March			April			May			June		
Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year

C. Short Term Tables**1. Motorcycles, Mopeds, Antique Vehicles.**

Use Short Term Table 3 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

2. Snow Vehicles

Use Short Term Table 4 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

3. All Other Vehicles

For a policy cancellation use Short Term Table 1 or 2. For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the "Percentage of premium".
3. Subtract that percentage from 100% to determine the "refund percentage".
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the "Percentage of premium".
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

**D. Short Term Tables No. 3 and No. 4
(seasonal use vehicles)**

These tables apply to all coverages except Comprehensive or Specified Perils for Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles. For Comprehensive or Specified Perils coverage use Short Term Table No. 1 or No. 2 or a pro rata calculation, depending upon the circumstances.

1. For each full month that insurance was provided, charge the corresponding "Percentage of annual premium" indicated below.
2. For part of a month charge pro-rata of the percentage applicable to the complete month. For example, in respect of a motorcycle insurance that commences on June 7th:

**30 days minus 6 days = 24; 24 divided by 30 = .8;
8 times 20% = 16% for the month of June.**

SHORT TERM TABLE No. 3			
Motorcycles & Mopeds and Antique Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	Nil	July	20
February	Nil	August	20
March	5	September	10
April	10	October	5
May	10	November	Nil
June	20	December	Nil

3. The tables below apply to Canadian conditions. If there is use outside Canada during a month where the table indicates the charges as "Nil" there shall be an additional premium charged for that month equal to pro-rata of the annual premium. The surcharge for U.S. exposure is applicable, except where the vehicle is used for personal use only and proof of insurance is not required.

For example: The insured has a motorcycle that he wishes to trailer down to Florida to use during the months of November and December in addition to regular use for the year in Calgary. The annual premium is \$1,250 excluding any premium calculation for November and December. Using the Pro Rata Day Table, calculate the pro rata fraction for the months of November and December (.164) and apply that to the total annual premium. The additional premium charge for November and December will be \$205.

SHORT TERM TABLE No. 4			
Snow Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	25	July	Nil
February	25	August	Nil
March	15	September	Nil
April	Nil	October	Nil
May	Nil	November	10
June	Nil	December	25

Rule 319: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 am. E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 320: Commission Schedule

The commission rates are:

Public Vehicles	Experience Rated	Individually Rated
Public Bus		
Classes 70, 73, 74 or 78	6%	6%
School Bus Class 71	7.5%	10%
Hotel & Country Club Bus		
Class 72	7.5%	10%
Private Bus Class 79	7.5%	10%
Taxi, Limousine Class 77	6%	6%
Van Pool Class 79	7.5%	10%
Ambulance Class 76	7.5%	10%
Funeral Vehicles Class 75	7.5%	10%
Short Term Rental Class 79	7.5%	10%

Rule 321: Not applicable

Rule 322: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
or
2. A loss remains unsettled or unpaid,
or
3. A civil suit is pending **in respect of** Liability or Collision.

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words "loss(es)" and "claim(s)" where used in this manual are considered to have the same meaning as the word "accident."

The words "at fault" and "chargeable" where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

There is no requirement that drivers be accident free on other vehicles. The rating of the commercial vehicle is determined from the vehicle history not the driver’s history.

If the driver involved in the accident is removed from the policy, the accident shall continue to be assigned to the vehicle on which it occurred.

A chargeable accident will affect the rating of both Liability and Collision coverages.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is principal operator of vehicle 1 and has had 2 losses on vehicle 1 and 1 loss on vehicle 2. Employee is principal operator of vehicle 2 and has had 1 loss on vehicle 1 and 1 loss on vehicle 2. For purposes of allocating accidents, the 3 accidents involving vehicle 1 will be allocated to vehicle 1 and the 2 accidents involving vehicle 2 will be allocated to vehicle 2.

The term ‘vehicle’ includes ‘one for which it has been substituted’.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved.

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motorhome, Light Commercial, Taxi or Garage
Light Commercial	Commercial, Private Passenger, Motorhome or Garage
Commercial	Commercial or Garage
Public (excluding Taxi)	Public (excluding Taxi)
Taxi	Taxi or Private Passenger
Motorhome	Motorhome, Private Passenger or Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

Note: “Type of vehicle” means the section of the manual in which the vehicle was or would have been rated.

For example: A private bus is rated as a private passenger vehicle and the insured had an at fault accident. The insured is now going to begin using the vehicle as a private bus. The accident that occurred while the vehicle was rated for personal use will continue to be applied when the insured begins driving the vehicle for bus use.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle
- effective the date coverage on the original vehicle was deleted or suspended

Rule 323: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability and DCPD) and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The insured owns a business in which three commercial vehicles are driven by employees. Two of the commercial vehicles are insured in the voluntary market; the other is insured in FA. There have been 2 accidents on each of the vehicles in the voluntary market, none of which arose from the use or operation of the vehicle by the insured himself.

There have been 3 accidents on the vehicle insured in FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the vehicle insured in FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered. There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver's history.

a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

For example: Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour's car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy; applicant is the only operator. There has been one accident on commercial vehicle 1 and one accident on commercial vehicle 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the commercial vehicles are rated on the vehicles on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he/she most frequently drives. Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy and two operators. Applicant is principal operator of vehicle 1 and has had one accident on vehicle 1 and one accident on his personal vehicle insured elsewhere. Employee is principal operator of vehicle 2 on which there have been two accidents. On vehicle 1 count only the accident that occurred on the described vehicle. The accident on the personal vehicle insured elsewhere is not to be considered. On vehicle 2 count both accidents as they occurred on the described vehicle.

2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- b) Other vehicles but were the subject of claims under this policy.

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured in FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. Snow Vehicles, All Terrain Vehicles) and vice versa.

Surcharges shall not be assessed on private type trailers as described under Recreational Vehicles.

a) One vehicle and more than one driver

The conviction record of all persons who are listed drivers of the vehicle shall be reviewed to establish which conviction record has the greatest impact on the driving record (including developing the highest surcharge percentage in accordance with the surcharge schedule for convictions). That conviction record shall be used in calculating the maximum driving record and the conviction surcharge.

b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle they drive most and that driver's conviction record shall be considered in relation only to that vehicle.

c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest premium prior to the application of any accident or conviction surcharges.

C. Accident/Conviction Surcharge Table

Maximum surcharge to be applied for accidents, serious, major and minor convictions is 250%.

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions	
1	15%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%

D. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Exceeding the speed limit by 50 km/h or more
- Fail to report damage to highway property
- Failure to stop on request of or obey directions of a police officer
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger

- Drive with excess passengers
- Drive on prohibited highway
- Drive at unlawful hour
- Drive motorcycle with passenger
- Drive motorcycle on prohibited highway

Stunting

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences added to an Act governing highway traffic, may be considered minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type

Seatbelt: any type	Dangerous driving
Signalling offences: any type	Impaired driving
Slow driving/endangering other: any type	Failure or refusal to submit to a breath or blood test
Smokescreen device on vehicle	Failure to pass a breath or blood test
Speeding: any type, except when listed as major or serious	Failure to stop/remain at the scene of an accident
Squealing tires	Driving without insurance
Stopping/illegal/improper: any type	Racing
Tires/defective/worn: any type	Speeding of 50 kph or more over limit
Towing/prohibited/unsafe: any type	Careless driving
Traffic signals/regulating lights: any type	Driving without due care and attention
Traffic signs/disobeying any legal sign except parking regulations	Learner/Level One driver fail/refuse breath sample
Trailer: improper attachments/improper towing	Learner/Level One driver with alcohol in blood
Turns/illegal/improper: any type	Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
Unlicensed driver: any type including improper licence class	Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
Unsafe move	
Unsafe vehicle: any type	
Using handheld/operated electronic/wireless device	
Wrong side of road/wrong way: any type	
Yield, failing to: any type	

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a Driver Record abstract identified as a Criminal Code conviction.

Driver under age 21 with more than zero percent blood/alcohol

Criminal negligence committed in the operation or use of a motor vehicle

Manslaughter committed in the operation or use of a motor vehicle

Driving while licence under suspension

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 324: Proof of Insurance Where Notice of Cancellation or Deletion is Required

- The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.

- c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
 - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out-of-Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed, and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided

a fully completed and signed application is submitted for the applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion,

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the insured. However, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the insured and the provincial authority. For the insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the insured had a Comprehensive loss on June 25, the policy would not respond. If however, the insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the insured and the authority concerned.

For example: The insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a split limit of \$1,000,000 road hazard and \$1,000,000 passenger hazard. A filing for a \$5,000,000 combined limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 inclusive limit. One filing should be made showing the split limits of \$1,000,000 and \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the Processing Fees.

Rule 325: Outside New Brunswick Exposure

A. Outside New Brunswick Exposure Surcharge

Any vehicle registered in New Brunswick and operated in the U.S. or another Canadian jurisdiction (excluding Nova Scotia, Prince Edward Island or Newfoundland and Labrador) is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required and/or where the vehicles are used for business, commercial purposes or are carrying passengers.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask insureds whether or not proof of insurance must be filed and, if so, in what amount.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside New Brunswick and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 330 and the relevant section of the manual.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will

apply to Liability (Road Hazard and Passenger Hazard), DCPD and Accident Benefits.

Liability, DCPD, Accident Benefits, Uninsured Automobile

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The surcharge percentage is calculated by means of the following formula:

Currency differential x Outside New Brunswick exposure surcharge

For example:

The rate of exchange for the U.S. dollar is 1.3085 Canadian.
Therefore the currency differential is 0.31.
The Outside New Brunswick exposure surcharge is 25%.

Currency differential surcharge:
0.31 X 25% = 7.75%

The currency differential surcharge is

1. Applied only to the Liability premium (Road/Passenger Hazard), not DCPD
2. There is no minimum surcharge applicable.
3. Additional to but not compounded on the U.S. exposure surcharge.

Example:

The Liability premium is	\$1,000
Outside N.B. Exposure Surcharge is	25%
The Currency Differential Surcharge is	7.75%
Base Premium	\$1,000
Outside N.B. $\$1,000 \times .25$	250
Currency Differential $\$1,000 \times 7.75 = 77.50$	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the Outside New Brunswick exposure surcharge is subject to a minimum of \$50 per policy term.

For example: Using the example above, the dollar value of the Outside New Brunswick exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

Rule 326: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

1. Snow Vehicles and All Terrain Vehicles (with or without END 9) on Ice/Water

The following scenarios shall be considered Comprehensive losses:

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake and hits open water.

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake. The ice cracks and the Snow Vehicle or All Terrain Vehicle sinks to the bottom.

A Snow Vehicle or All Terrain Vehicle is parked on ice. The ice cracks under the machine and it sinks to the bottom.

2. Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 327: Suspension and Reinstatement of Coverages – END16/17

Liability, Accident Benefits, Uninsured Automobile and Collision as they relate to the **use and operation** of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the **ownership** of the vehicle. This means that END 16 does not suspend coverages related to ‘drive other vehicles’; while a pedestrian; or while the vehicle is in storage. This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.

No refund is allowed in respect of Comprehensive and Specified Perils.

If Liability and Accident Benefits coverages are removed or suspended more than twice a year, then removal of these coverages is not permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while these coverages are removed or suspended.

END 16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks.
3. Recreational vehicles rated in the Recreational Vehicle section
4. Vehicles that were never intended to be driven.
5. Vehicles held for sale whether or not on an auto dealer’s lot.

Rating

The refund for the period of cancellation is calculated according to the table printed on the END 16 form.

In no event shall a refund be granted for any suspension period of less than sixty (60) consecutive days.

Rule 328: Suspension of Operator's Licence – Use of END 28/78

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28/78 is being added to the policy at the request of the insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

Note: Where the insured's licence is suspended, the insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 301: Minimum Coverage.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28/78 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and excluding physical damage where provided, for that person. END 8a shall be used in conjunction with END 28/78 except where END 28/78 applies to the named insured.
2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 28/78 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

- a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.
- b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28/78 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28/78.

E. Completion of END 28/78

END 28/78 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word "Insured" in the Insured/Not Insured column. In any jurisdiction where Accident Benefits and Uninsured Automobile are mandatory when Liability coverage is provided, the word "Insured" must be shown against Section B and Section D in the Insured/Not Insured column.

Rule 329: "Home-Made" Vehicles / Reconstruction/ Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. Rate group 10 is to be used for Accident Benefits for private passenger vehicles where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
 - a) Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
 - b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

Rule 330: Vehicles Used Outside Jurisdiction of Registration

The Filed Underwriting Rules require that the vehicle must be registered in the jurisdiction in which the policy is issued. "If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction."

When an insured takes up residence in another jurisdiction, the insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

For example: The insured resides in New Brunswick and the vehicle is registered in that jurisdiction; however, the insured will be travelling the western provinces for the next year.

Regardless of where the vehicle is registered, Facility Association shall not provide insurance for vehicles which are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If the vehicle is operated outside New Brunswick, New Brunswick rates and a surcharge apply. Refer to Rule 138: Outside New Brunswick Exposure.
3. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
4. If the out of jurisdiction exposure is 5.0% or less of total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), Accident Benefits and Uninsured Automobile only.

At the Servicing Carrier's discretion, a copy of fuel tax information log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

5. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. For example: The insured lives in Moncton, is on a sabbatical in California and the vehicle is registered in New Brunswick, New Brunswick rates apply.

Rule 331: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an insured acquires a new vehicle and all vehicles owned by the insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the insurer is notified of the acquisition within 14 days.

When the insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates, or
- b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction

of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the insured comes through Customs, the vehicle must be declared and the insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Private passenger vehicles are to be rated class 01 using the appropriate driving record. There is no surcharge for Outside New Brunswick exposure.

The territory to be used is the territory where the insured resides.

Commercial vehicles classified as light are to be rated class 36. Commercial vehicles classified as heavy are to be rated class 44. Driving record is 0. 100% Outside New Brunswick Exposure Surcharge applies.

Rule 332: Short-Term Rentals- Unspecified Lessees - Leases of 30 Days or Less

Use POL 1 and END 5c. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21a/b is not permitted. Use of END 44 is not permitted.

1. Coverages/Premiums Liability, Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
Liability	Non Pleasure rate plus \$15
DCPD	Normal rate
Optional Physical Damage	250% of normal rate

Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

Accident Benefits, Uninsured Automobile

Charge the normal rate for the type of vehicle concerned.

Rule 333: Long-Term Leases-Specified Lessees- Leases Exceeding 30 Days

A. Application

The lessee must complete an FA application form. The name and address of the applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 334: Driver Training Vehicles

All Driver Training Vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the applicant's liability for student drivers/observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles.

For example: The insured opens a driver training school and either uses his own car or buys another car to use as a driver training vehicle. The insured has no previous experience with driver training and is 5 years accident free. According to the rules in the Private Passenger section the insured is entitled to Driving Record 5. Therefore the insured is entitled to Driving Record 3 on the driver training vehicle. If the insured had never owned a tractor trailer and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in the Commercial section.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:

Rate as Class 07

Commercial Vehicles:

Light –Rate as Class 36; Heavy – Rate as Class 44

Public Vehicles (Buses, etc.):

Private Passenger Type Vehicles:

Rate as Class 07

Other Vehicles:

Light Rate as Class 36; Heavy Rate as Class 44

Recreational Vehicles:

Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the ‘other use’. *For example:* If the vehicle is used for driving to and from work less than 17 km one way, use Class 02.
3. Add the dollar value of the driver training surcharge calculated in step 1 to the premium calculated in step 2.
4. Compare the premium in step 1 to the premium calculated through steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a private passenger vehicle and using class 07, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in step 1 is therefore \$770.

Step 2

The driver training use is part time and the insured also uses the vehicle to drive to and from another job. Therefore a premium of \$400 is calculated by rating the vehicle as Class 02.

Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

D. Driver Training Vehicle Surcharge Table

1. Vehicles used only for Secondary School, College or University training courses.

Coverage	Equipped with	
	dual controls	Other
Liability /DCPD	35%	135%
Collision	0%	75%

2. Other Vehicles

Coverage	Equipped with	
	dual controls	Other
Liability /DCPD	70%	170%
Collision	25%	100%

Rule 335: Fleets

A. Definition

A fleet is a group of 10 or more self-propelled vehicles under common ownership or management and used for business, commercial, or public transportation. Vehicles on a long-term lease are considered the equivalent of owned in determining whether or not a risk is a fleet. The applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

For example: If the insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the insured has 132 months of Liability insurance. If the insured only had 9 vehicles insured for Liability in that period, there would only be 108 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the insured has owned or leased from others. The applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured by FA. If the policy does qualify for experience rating, only the experience on the vehicles insured by FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the applicant's business) is not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated 07 shall be added (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

B. Fleet Rating

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured in FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date so as to facilitate experience rating.

Experience rating includes the following:

- Losses are always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.
- Claims (paid by the previous insurer, reimbursed to the previous insurer or paid by the insured) outside the coverage on the application
- Any amount paid back by the insured due to an END 8 on the policy with the prior insurer
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss

- Amounts above FA deductibles when the prior insurer had higher deductibles
- Losses falling within any special agreements with the prior insurer

NOTE: Full experience details must be obtained directly from the prior insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21a and 21b is not permitted.

If vehicles being added to a fleet insured through Facility Association were previously on another fleet with the same common ownership or management as the Facility Association fleet, these added vehicles are subject to experience rating as outlined in Rule 335:B. Fleet Rating.

Midterm Rating

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 335:B. Fleet Rating.

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

For example: The new policy term will be May 1, 1999 to May 1, 2000. The insured had 2 losses between May 1, 1998 and May 1, 1999. The insured had 2 losses between May 1, 1997 and May 1, 1998. The insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a \$20,000 reserve increase on a claim that

occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

D. New Applications

1. Forms required for Fleet Submissions

- a) Facility Association application
The application form fully completed and signed. Under vehicle items show "Fleet Policy".
- b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a Currency differential surcharge shall be applied to the Liability premium (road hazard, passenger hazard). See Rule 325: Outside New Brunswick Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 324: Proof of Insurance.

Fleets cannot be issued with a term of 6 months.

The applicant(s) must sign and date all documentation where indicated.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the Outside New Brunswick Exposure Surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the applicant the premium quoted at driving record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a "blanket" wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound. Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

For example: The Agent/Broker bound coverage as of June 1 and quoted the applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The Agent/Broker advises the insured of the premium increase and the insured advises they want to cancel the policy. On July 25, the Agent/Broker advises the insurer to cancel the policy for non-payment. Because the request for cancellation was received within 45 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rate has been established and the policy is cancelled because the applicant rejects the premium, where a new application is submitted within 30 days of the cancellation of the fleet policy, either covering the same vehicles, or covering less than 10 vehicles individually rated, and the applicant still has at least 10 vehicles insured under different FA policies, then the premium will be quoted at the full rate and not the individual vehicle premium.

For example: Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at a premium of \$12,000 and the Agent/Broker receives it on September 22. The insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

7. Premium Calculation

Liability

Where the applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

Public Vehicle - Road Hazard and Passenger Hazard

- a) Enter the premium applicable to the minimum statutory limit for Road Hazard.
- b) If one premium applies to both Road and Passenger B.I., or if a combined Road and Passenger B.I. limit is to be provided, enter the combined base premium for the two coverages. If separate premiums apply for Road Hazard and Passenger B.I. show each premium separately.

For example:

- a) The insured requires a combined Road Hazard and Passenger B.I. limit of \$1,000,000. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium shall be entered on the fleet schedule as \$700 because the same Liability limit will apply to both coverages.
- b) The insured requires \$1,000,000 Road Hazard and \$2,000,000 Passenger B.I. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium will be entered on the fleet schedule as \$400/\$300 because different Liability limits apply to each coverage.
- c) If Passenger Property Damage is to be insured, enter the premium for the required limit in the Endorsement column.

Note: The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6a/b/c/f, 22).

Every other vehicle

Enter the premium applicable to the statutory minimum limit.

Physical Damage

All Perils

- a) All Perils coverage is no longer available. Vehicles having All Perils coverage on existing Facility Association policies shall be renewed with Collision and Comprehensive coverage subject to a minimum deductible.
- b) Record All Perils losses according to the peril under which they were paid i.e. Collision under Collision and Comprehensive/ Specified Perils losses under Comprehensive/Specified Perils.

All other coverages

Enter premium and deductibles where indicated.

Premium Totals

Liability

- a) Total the appropriate premiums and enter the totals under the appropriate Tables i.e. Table 1A (Road Hazard Liability), Table 1B (Road Hazard Liability – Hazardous Cargo), Table 2 (Passenger Hazard B.I.) and Table 3 (Road Hazard and Passenger B.I. Combined)
- b) Apply the increased limit factor for limits up to \$1,000,000. See the Commercial and Public sections of the manual for the factors.
- c) Apply the increased limit factor for limits over \$1,000,000 if required. See Commercial section for tables 1A and 1B and Public section for Tables 1A, 2 and 3.
- d) Add the final total under each Table to the total derived from adding together all other premiums.

All Other Coverages

Total the premiums in each column.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer-to-renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Fleet renewals cannot be issued with 6 month terms. Annual renewals only will be issued. Policies currently having 6 month terms will be renewed as annual policies on their next renewal.

Rule 336: Carrying Explosives

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives

only, by adding END 4a. END 4a can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier.

1. A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial section of the manual.
2. For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

Rule 337: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4b. END 4b can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. An additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium

Rule 338: Endorsements Applicable to POL 1 (Owner’s Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This Manual (in this section and elsewhere) provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	Providing Coverage When Named Persons Drive Other Automobiles Extends the “drive other automobiles” Liability and Accident Benefits coverage to persons other than the insured and spouse.	The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11 Accident Benefits per person \$1.
3	Drive Government Automobiles Covers the insured’s legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The insured must specify the types of vehicle that may be in their custody and, in regard to the physical damage coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the insured’s custody as if he owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle’s value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability/DCPD:20% Accident Benefits:50% Physical Damage:100%
4A	Permission to Carry Explosives Removes the policy form’s exclusion in regard to carrying specified explosives only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. See Rule 336
4B	Permission to Carry Radioactive Materials Removes the policy form’s exclusion in regard to carrying radioactive materials only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. See Rule 337
5	Permission to Rent or Lease Automobiles and Extending Coverage to the Specified Lessee(s) Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. See Rule 333
5C	Permission to Rent or Lease (unspecified lessees - short term leases only) Applicable to leases not exceeding 30 days	The following premiums apply to the policy and are not specifically for the endorsement: 1. Liability and Collision, Comprehensive, Specified Perils: Private Passenger 250% of 07/0 Commercial Vehicles Light Trucks 200% of 43/0 Heavy Trucks 200% of 45/0 Tractor/Trailers175% of 64/0 rate Private Trailers a. Liabilityadd \$15 b. Physical Damage250% of normal MotorHomes & Camper Units a. Liability 250% of 07/0 b. Physical Damage 250% of normal Motorcycles & Mopeds 250% of DR 0 Snowmobiles & ATVs250% of normal See Rule 332

5D	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6A	Permission to Carry Passengers for Compensation Modifies the policy form's restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Vehicles Rule 106.F and Public Vehicles. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For Private Passenger Vehicles used in car pools : add 10% of Liability premium. Attach 6A. Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of insured's job and employer reimburses employee for expenses - then 07 rates apply. Attach 6A. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then 02 or 03 rates can apply. Attach 6A. iii) All others, then appropriate taxi, limousine or bus rates are applicable. See Public Vehicles section.
6B	School Bus Used in respect of School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage. Also, see END 22.	Rate vehicle according to Public Vehicles Section.
6C	Public Passenger Vehicles Used in respect of buses other than School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers' bodily injury and property.	Rate vehicle according to Public Vehicles Section
6D	Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both "any one person" and "two or more persons". Also, see END 22	See Rule 334 for rating instructions
6F	Public Passenger Vehicles Used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Vehicles Section
7	Separate Limits (Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits of "ii" and "iii".
8	Property Damage Reimbursement	Not available on Facility Association policies.
8a	Property Damage Reimbursement for Operation by Named Person Used in conjunction with END 28 and 78. The insured agrees to indemnify FA for loss or damage to	No charge

	property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8a may not be used where the person to whom it applies is the named insured	
9	Marine Use Excluded Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
13C	Deletion of Glass Coverage	Not offered in this section
16	Suspension of Coverage The Liability, DCPD, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and Accident Benefits coverages that relate to “driving other vehicles”. The endorsement may be used in respect of most private passenger and commercial-type vehicles. It is not available in respect of: a) vehicles for which proof of insurance is issued or filed; b) experience-rated vehicles c) the Recreational vehicles/items to which the Recreational Vehicles Section of this manual relates d) vehicles that were never intended to be driven e) vehicles held for sale whether or not on an auto dealer’s lot	In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days.
17	Reinstatement of Coverage Used in connection with END 16.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. See Rule 327
19	Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.	Base physical damage premiums on estimated or appraised current value.
19A	Valued Automobiles	Not available on Facility Association policies.
20	Loss of Use	Not offered in this section
21A	Receipts or Mileage Basis Fleet	Not available on Facility Association policies.
21B	Blanket Basic Fleet	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required.. See Public Vehicles Section.

	attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	
22N	Cargo Insurance	Not available on Facility Association policies.
23A	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23B	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total physical damage premium; minimum net annual \$25.
24	Fire Apparatus Excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle	No charge.
25	Alteration Used by Servicing Carrier to record policy changes..	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobile(s) and Providing Other Coverages When Insured Persons Drive Other Automobiles	Not offered in this section
27B	Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control Covers the insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence. This endorsement excludes customers automobiles under a garage policy in the definition of non-owned automobiles.	Coverage premiums charged are those applicable to the highest rated vehicle as if the insured owned such a vehicle; the limit per occurrence is used to calculate rate group; model year is assumed to be the current year. For use in the Atlantic Provinces only.
28	Reduction of Coverage as Respects Operation By Named Persons Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
29	Additional Coverage as Respects Operation By Named Persons	Not available on Facility Association policies

30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use. END 30 may not be used in conjunction with END 31	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge, equipment cost to be included in vehicle value
32	Recreational Vehicles Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense Provides coverage up to \$50 for towing and emergency service expenses necessitated by disablement of the vehicle.	\$6 per annual term per vehicle.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in
37	Limitation to Automobile Sound and Electronic Communication Equipment. Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total.	No charge.
38	Increased Limit, Automobile Sound and Electronic Communication Equipment Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. eg. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.
43	Removing Depreciation Deduction	Not available on Facility Association policies.
43A	Removing Depreciation Deduction for Specified Lessee(s)	Not available on Facility Association policies.
44	Family Protection	Not offered in this section

Rule 339: Territories

TERRITORY 1

- | | | |
|----------|--|----------------------|
| A | SAINT JOHN CITY & DISTRICT | STAT CODE 402 |
| | a) The City of Saint John | |

	Passenger BI	Table B						
	Passenger PD	Table C						

LIMIT PREMIUMS ON RATE PAGE

Public & School Buses: The rate page shows per vehicle premiums or per seat rates for limits required by N. B. PUB regulations
 Other types: The limits shown are for each accident in accordance with END 6c or 6a.

Combined Limits for Passenger Hazard Bodily Injury and Property Damage

Public and School Buses

Determine the premium for the Passenger Bodily Injury accident limit required and add the premium for up to \$50,000 Passenger Property Damage.

Combined Limit for Road and Passenger Hazards where Table D is indicated above

1. Determine the premium for the Road Hazard limit of \$200,000.
2. Determine the premium for the Passenger Bodily Injury limit of \$200,000 any one person and \$200,000 any one accident.
3. Add Steps 1 and 2 Road and Passenger Bodily Injury premiums together and apply the Table D factor for the required limit.
4. From the rate table obtain the premium for Passenger Hazard Property Damage for a limit of up to \$50,000
5. Total the premiums from Steps 3 and 4. This is the liability premium for the combined limit

LIABILITY LIMIT TABLES

Note: Passenger Hazard Per Seat rates are applied incrementally as follows:

Seating Capacity 1 - 12
The 1-12 rate times number of seats = Passenger Hazard Premium

Seating Capacity 13 - 29
1. Multiply the 1-12 rate by 12
2. Multiply the 13-29 rate by the number of seats up to 29
3. Steps 1 + 2 = Passenger Hazard Premium

Seating Capacity over 29
1. Multiply the 1-12 rate by 12
2. Multiply the 13-29 rate by 17
3. Multiply the 30+ rate by the number of seats over 29
4. Steps 1+ 2+ 3 = Passenger Hazard Premium

Accident Benefits 12 or less seats
Charge \$8.49 per seat

13 - 29 Seats
Charge \$101.88 plus \$4.25 for each seat over 12.

30 or more seats
Charge \$174.13 plus \$1.42 per seat over 29

Uninsured Automobile 12 or less seats
Charge \$1.86 per seat

13 - 29 Seats
Charge \$22.32 plus \$0.93 for each seat over 12.

Over 29 Seats
Charge \$38.13 plus \$0.47 per seat over 29

Deductible Factors			
Apply to Rate Group premium rounded to dollar.			
Ded.	Coll.	Comp.	S. P.
1000	1.000	1.000	1.000
1250	0.980	0.980	0.980
1500	0.950	0.950	0.950
1750	0.930	0.930	0.930
2000	0.910	0.910	0.910
2250	0.890	0.890	0.890
2500+	0.870	0.870	0.870

Above \$195,000: for each additional \$15,000 or part thereof, increase the rate group by 1 and apply the factor shown below for the resulting rate group to the ABP (Adjusted Base Premium) and round to the \$ amount.

Example: For a value of \$209,000 with DR 3 and \$1,000 deductible, the rate group is 16, and the Collision rate is = 2.76 * 365.00 rounded to \$1,007.

Base Deductible premium subject to factor for the applicable Minimum Deductible.

Rule 400: Filed Underwriting Rules

A. The insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

For example: The vehicle is registered in New Brunswick but the application is being completed in Alberta. The vehicle must be registered in Alberta or an Agent/Broker in New Brunswick must complete and submit the application for coverage in New Brunswick.

Exception: See Rule 100.C Non- Residents and Vehicles Not Registered in Jurisdiction

4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 431: Suspension of Operator's Licence and Rule 401: Minimum Coverage.
5. The application is incomplete, has not been signed by the applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk "Sufficient valid information to write the risk" includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the applicant (i.e., has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.
8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles, rate group listed as A.

9. Non-payment of premium for the current policy period (for purposes of termination only).

10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
 - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
 - or**
 - b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
 - or**
 - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
 - or**
 - d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licensed for road use or for off road use and used as well for race or speed tests, optional physical damage coverage shall not be provided.

For DCPD coverage, establish rate group according to Rule 409 Motorcycle and Moped or Rule 411 Off Road Vehicles.

C. Non Residents and Vehicles Not Registered in Jurisdiction

These vehicles may be operated for 6 months at which point they must be registered and plated in this jurisdiction.

A policy of insurance may be required to cover the vehicle during this period. If necessary FA will issue a short term policy for a period not to exceed 6 months to cover the insurance requirement. Upon expiry the policy will lapse and will not be renewed. If the vehicle is registered in this jurisdiction prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term.

Rule 401: Coverages Available and Minimum Deductibles

A. Liability

Not more than \$2,000,000 except:

- When required by American or Canadian federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards).

If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Liability Limits in excess of \$2,000,000 may only be provided under circumstances described above. Where it is required and permissible to provide a higher Liability limit and the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

B. Accident Benefits

As prescribed by statute.

C. Optional Physical Damage (Collision, Comprehensive and Specified Perils)

Physical damage shall not be provided or continued for recreational vehicles valued at \$1,000,000 or more.

All Perils coverage is no longer available.

Minimum Deductibles

The following table indicates the minimum applicable deductibles determined by the value on which the premium is based.

Value on which the premium is based	Minimum Deductibles
Up to \$24,000	\$500
\$24,001-\$29,000	\$750
\$29,001-\$34,000	\$1,000
\$34,001-\$39,000	\$1,250
\$39,001-\$44,000	\$1,500
\$44,001-\$49,000	\$1,750
\$49,001-\$54,000	\$2,000
\$54,001-\$59,000	\$2,250
\$59,001-\$64,000	\$2,500
\$64,001 or more	5% of the value rounded to the nearest \$250. For example: If the appraised value is \$123,000, 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

NOTE: For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on rate group and another based on claims, the higher deductible applies.

Number of Automobile Insurance claims under each coverage (Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum \$5,000)

*Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive

Higher deductibles based on claims shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. For example one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

D. Uninsured Automobile

As provided in policy.

The premium for this coverage or the location of the applicable rate is shown on the rate pages. Where no premium or the location of the rate is shown, charge \$11.

E. Family Protection Coverage (END 44)

For a brief description refer to Rule 442: Endorsements Applicable to POL 1 (Owner's Policy). The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.

For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.

END 44 is not available for vehicles that are subject to the Public Section of this manual.

F. Direct Compensation Property Damage (DCPD)

No deductibles are available.

G. Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except as indicated below:

For recreational vehicles to which this section of the manual applies:

- a) Coverage other than Comprehensive or Specified Perils may not be suspended by means of END 16.
- b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils coverage may not be deleted.
- c) In the case of a new application, a policy may not be issued for Comprehensive or Specified Perils coverage only.

Rule 402: Not applicable**Rule 403: Binding Coverage – New Policies****A. Requirements/Procedures for binding new policies**

1. The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the applicant. If the Servicing Carrier is required to have a driver's permission to obtain a Driver Record Abstract, that written authorization must accompany the application.
2. Before binding coverage the Agent/Broker must either:
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating)
 - or
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
3. The insurance shall take effect as of the time and date the coverage is bound. *Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 am on the date the application is signed.* However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
- b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

4. If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
5. The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card

must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

6. Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt' a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be provided to the Servicing Carrier with the application.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short-term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 404: New Policies

A. Application Form

Every application for insurance must be made on a current approved Facility Association Application Form and must be fully completed and signed by both the applicant and Agent/Broker where required or as prescribed under Rule 204:D. Computer Generated Application Forms.

Garage, Public, Experience-rated and some specially rated risks will require completion of supplementary questionnaires.

If indicated on the current standard approved application form as a requirement for certain types of Commercial risks, a completed Commercial Vehicle Supplement must be submitted with the application.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement

B. Owners Policy (APP 1)

Only the Facility Association application forms may be used. The form requires the Agent/Broker to indicate the

time and date that coverage is bound. The multi-part form includes a temporary liability card.

C. Faxed Applications

Fully completed and signed Facility Association Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved standard application form.

A standard temporary liability card may be used.

The computerized application must be signed and dated by the applicant.

E. Applicant's Signature

The applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e., a limited company or partnership.

The name of the insured must include or be the same as the name on the vehicle registration. For garage and non-owned risks, the name of the business registered with the appropriate municipal, provincial or federal authority must be used. *For example:* The vehicle is registered to Pat Doe who is operating Pat's Garage. The name of the insured may be shown as Pat Doe o/a Pat's Garage.

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as husband's and wife's names, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the vehicles are separately registered to an applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage. If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage.

Separate policies must be issued at the time of next renewal.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a liability card may not be prepared before the insurer concerned has issued the notice of cancellation, or the insured has signed the request for cancellation

H. Variation in Coverage

To conform to the Insurance Act, the insured must be advised if the coverage provided by the policy is not as requested in the application.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

Driver Record Abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.

- b) Previous Insurance History obtained on all drivers with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles. See special instructions under Fleets and the Garage section.

- c) If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 405: Not applicable**Rule 406: General Definitions****A. List Price New**

The Manufacturer's Suggested Retail Price (MSRP) new (plus taxes) of the vehicle/unit, including the cost of any customizing features and all permanently attached equipment.

For Snow Vehicles and All Terrain Vehicles, List Price New must be established by using the price in one of the industry publications such as Sanford Evans Gold Book (Suggested Factory Price or MSRP) or the *Canadian ATV, Snowmobile & Watercraft Dealers Blue Book* (Original Retail Price). The figure found in these publications must be increased to include applicable taxes. For the model years 1991 and earlier, GST shall not be added.

In the event that the model to be covered is new and therefore not listed in one of these publications, the manufacturer's suggested retail price can be obtained from a dealer. In the event the model is not listed for that year in one of these publications, the manufacturer's suggested retail price for that model for a prior year or subsequent year may be used.

Actual cash value may be used for Snow Vehicles and All Terrain Vehicles with a value of \$15,000 or more provided the insured produces at his/her own expense an appraisal acceptable to the Servicing Carrier and END 19 is attached.

B. Non-Pleasure Use

Used for renting, driver training, demonstration, sales office or any other business or commercial purposes.

C. Pleasure Use

Used for pleasure/recreational purposes, including driving to and from work.

D. Multiple Uses

If a vehicle is used for more than one purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

For example:

The insured has a motorcycle used for courier purposes and for pleasure. Rate the vehicle for courier delivery.

Rule 407: Policy Issuance – General**A. Vehicle Not Used on Public Roads**

The object of the Facility Association, as stated in the Plan of Operation is to “ensure the availability of automobile insurance as required by law”.

A vehicle (e.g. Snow Vehicle, All Terrain Vehicle, Dirt Bike) operated solely on the applicant’s own land may not be required to be registered/licensed in which case Provincial/Territorial Acts do not require a motor vehicle policy. FA will decline to provide insurance to the owners of vehicles that are not required by law to be insured.

In the event the vehicle is registered/licenced, and a motor vehicle policy is required, FA will, in those cases, provide an automobile policy. Agents/Brokers must confirm with the insured that the vehicle is (or will be) registered/licensed and provide such confirmation to the Servicing Carrier at the time of application. This may take the form of a statement to that effect in the remarks section of the application.

Where FA is required to provide coverage, i.e. the vehicle is licensed; and the rating is dependent on driving record; the driving record assigned to that driver shall be no greater than 0 for the first 12 months of insurance.

B. END 32 – Recreational Vehicle Endorsement

This endorsement is permissible on any vehicle of the types specified in the standard endorsement whether the vehicle is registered/licensed for road use or off road use.

The vehicle types are as follows:

All Terrain Vehicles	Motor-assisted Vehicles
Dune Buggy	Motor Scooters
Midget Automobiles	Motorized Toboggans
Mini-cycles	Snow Vehicles
Mopeds	Snow Planes
Trailbikes	

C. Calculating Premium for Short Term Policies and Midterm Changes

Due to the nature of the following vehicles and the seasonal use to which they may be put, special premium calculation procedures are applicable to Liability, DCPD, Accident Benefits, Collision, Uninsured Automobile and END 44 coverages if the period of insurance is less than 12 months either from addition or deletion of coverage or cancellation:

1. Motorcycles and Mopeds

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 3).

2. Snow Vehicles

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 4)

3. Antique Automobiles

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 3).

The Comprehensive and Specified Perils premiums are calculated in accordance with Rules 419:C and 419:C (Short Term Table 1).

D. Use Outside Jurisdiction in Which Vehicle is Registered

If there is regular or frequent use of a vehicle outside the jurisdiction in which the vehicle is usually garaged, full details must be submitted to the Servicing Carrier so that the appropriate rates may be established. Refer to Rule 427: Outside New Brunswick Exposure.

E. Driver Record Abstracts & Convictions**Off Road Vehicles and/or Antique Vehicles**

Driver Record Abstracts and Previous Insurance History reports are not obtained for persons who operate only Off Road Vehicles and/or Antique Vehicles.

Traffic offence convictions that do not relate to Off Road Vehicles or Antique Vehicles are not used in the rating of these vehicles.

Motorcycles, Mopeds and Motor Homes

Driving record abstracts and previous insurance history reports are required for motorhomes. Driving record abstracts are required for Motorcycles and Mopeds.

F. END 20 – Loss of Use Endorsement

Facility Association does not provide this coverage for Recreational Vehicles.

G. After Market Sound and Electronic Communication Equipment

Where the vehicle is equipped with sound or electronic communication equipment, other than factory installed equipment, application of either the END 37 or END 38 is mandatory in those jurisdictions where the endorsements

and the END 38 rate have been approved. See Rule 442: Endorsements Applicable to POL 1 (Owner's Policy).

END 37 - Limitation to Automobile Sound and Electronic Communication Equipment

This endorsement limits the amount of coverage on such equipment to \$1,500. Where a vehicle is covered for Comprehensive or Specified Perils, this endorsement must be added if the applicant does not wish to purchase additional coverage. The endorsement must be signed by the insured.

END 38 – Increased Limit, Automobile Sound and Electronic Communication Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, and the applicant wishes to purchase additional coverage for the equipment, this endorsement may be added. Additional coverage may be purchased at a rate of \$30 per \$1,000 or part thereof, on the value in excess of \$1,500. Documentation (appraisal or receipts) is necessary to substantiate the value stated in the endorsement. The endorsement must be signed by the insured.

For example: END 38 has a limit of \$4,300. The premium for END 38 shall be \$90.

H. END 40 – Fire and Theft Deductible

This endorsement must be applied to every motorized recreational vehicle on which Comprehensive or Specified Perils coverage is provided. The endorsement requires the insured's signature.

Rule 408: Trailers, Motor Homes & Camper Units

Definitions, Rating and Policy Issuance

1. Trailer

A unit designed to be towed by a motor vehicle and falling into one of the following categories:

- Cabin or Home Trailer
- Tent Trailer
- Other Trailer designed for pleasure use (e.g., boat trailer, utility trailer or horse trailer used for pleasure only).

Trailer used only with a Motorcycle/Moped

See Rule 409:C Motorcycle/Moped Trailer.

2. Motorhome

A self-propelled vehicle containing living quarters that are an integral part of the vehicle and not removable.

Some vehicles are manufactured with refrigerator, stove, sink and bed as standard equipment. An example is the Volkswagen Vanagon. Where a vehicle such as this is listed in the Private Passenger Rate Group Table, the vehicle is to be rated as a private passenger vehicle and not a motorhome.

Commercial/Public Vehicles converted to Motor Homes

Where the insured requires coverage on such a vehicle before the conversion has taken place, Liability, DCPD and Accident Benefits and Uninsured Automobile coverage only may be provided. Optional physical damage coverage is not available.

The vehicle will be rated in accordance with the rules in the Private Passenger section.

Once the conversion or reconstruction of the vehicle is complete, the rating for the vehicle will be amended to that for a motorhome. An appraisal will be required before optional physical damage coverage can be added. The rate group for DCPD and optional physical damage will be based on the appraised value.

See Rule 432: Home Made Vehicles/Reconstruction The insurance shall be subject to END 19 (Limitation of Amount) which must be attached to the policy and a copy signed by the insured. END 19a (Valued Automobile) is not available.

Physical Damage

Except as otherwise stated for Commercial/Public Vehicles Being Converted to Motorhomes, rate groups are established as follows:

If the value of the vehicle is less than \$15,000 the rate group for optional physical damage (if purchased) may be based on the limit chosen by the insured subject to END 19 or the rate group may be established using list price new.

If the value of the vehicle is \$15,000 or more, the rate group for optional physical damage (if purchased) must be established based on list price new.

END 19 is not required where the rate group is based on list price new.

3. Camper Unit

A specifically constructed unit for living purposes, mounted on and removable from a vehicle. Non-owned camper units may be covered by attaching END 31 and rating as outlined in Rule 442: Endorsements Applicable to POL 1 (Owner's Policy).

Optional Physical Damage

For optional physical damage coverage, camper units are rated based on list price new fully equipped, independently of the vehicle on which they are mounted. The deductibles applicable to the camper unit must be the same as the deductibles for the vehicle on which the camper unit is mounted.

4. Non-Pleasure Use**Rentals and Driver Training:**

See Rule 435: Short Term Rental and Rule 437: Driver Training Vehicles.

Other:

Special rates found in the Schedule of Rates apply to Liability and Accident Benefits. There are no special rates applicable to Uninsured Automobile or physical damage coverage.

Rule 409: Motorcycles & Mopeds**A. Definitions****1. Motorcycle**

A self-propelled vehicle designed to travel on two or three wheels, steered by handlebars and having a seat or saddle for the use of the driver. This includes "motor scooters" and "mini-bikes" and motorcycles converted for use on snow and ice. This definition does not include mopeds, vehicles designed and used for commercial purposes and vehicles licensed but not for road use.

2. Moped

A vehicle defined in Canadian federal regulations or under similar legislation as a moped, power bicycle or motor driven cycle. Where no such definition exists, a moped will be defined as a bicycle with an attached motor. The motor is driven by electricity or has a piston displacement of not more than 50 cubic centimetres.

B. Driving Record**1. Driving Record Entitlement**

The full number of years immediately preceding the commencement date of the period of insurance for which:

- a) the principal driver has continuously held a valid operator's licence; and
- b) there has been no chargeable accidents

3. Calculating Driving Record with a Licence Suspension/Cancellation/Lapse

Suspension of Operator's Licence can be one of two types:

A. Suspension for cause: A driver's licence suspension or cancellation for more than two weeks resulting from a conviction or an accumulation of demerit points.

B. Administrative Suspension/

Cancellation/Lapse: A suspension/cancellation/lapse for one year or more for any reason other than those outlined in item A.

A. With suspensions for cause

- For the total of all suspensions within the last 3 years, deduct 1 year for each year (or partial year) of suspension from the driving record

Examples:

1. Risk is eligible for driving record 3. One operator has a 6 month suspension for demerit points. Risk qualifies for driving record 2.

2. Risk is eligible for driving record 3. One operator has 18 month suspension for convictions. Risk qualifies for Driving Record 1.

B. With administrative suspensions/cancellation/lapse:

- If the total time the driver's licence has been suspended/cancelled/lapsed is less than 1 year in the past 3 years, the driving record will not be affected.
- If the total time the driver's licence has been suspended/cancelled/lapsed is 1 year or more in the past 3 years, the driving record will be reduced by 1 for every year (or partial year) suspended/cancelled/lapsed.

Examples:

1. Risk is eligible for Driving Record 3. One operator has a 10 month suspension for unpaid fines. Risk still qualifies for Driving Record 3.

2. Risk is eligible for Driving Record 3. One operator has 24 month suspension for unpaid fines. Risk now qualifies for Driving Record 1.

If the driver's licence of the person reported as the principal operator is currently suspended/cancelled/lapsed see Rule 431: Suspension of Operator's Licence.

Notes:

1. An operator with a licence suspension is not eligible for a driver training discount or new driver credit.
2. Alcohol Ignition Interlock Device Programme
Under the Interlock Programme, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Interlock Programme was entered.

For example: License was suspended from January 1 to July 1. The driver entered the Interlock Programme on March 1. The total time the driver's licence is considered to have been suspended is 2 months (January 1 to March 1) not 6 months.

Regardless of the period during which an operator has held a Learner's Licence/Permit or Level One Licence, the risk will qualify for only Driving Record 0 until a regular motorcycle licence is obtained.

Years Licenced	Learner's Level 1	Valid or Level 2
Less than 1	0	0
1 year	0	1
2 years	0	2
3 years	0	3

A chargeable accident will affect the rating of both Liability and Collision coverage.

2. Valid Operator's Licence

A valid Canadian licence to drive the *type* of vehicle concerned. A Learner's Permit/Licence or Level One licence where there is Graduated Licensing will be regarded as a valid operator's licence except as it pertains to the accumulation of experience.

The operator of a Moped must meet the licence requirements of the jurisdiction in which the vehicle is operated.

For purposes of policy issuance, the operator of a motorcycle must possess a valid driver's licence. Where the operator fails to have the proper class of licence, the policy will be issued at Driving Record 0. If evidence of the correct class of licence is not provided to the Servicing Carrier within 30 days, the policy will be cancelled by registered letter.

3. Not Applicable

4. New Drivers

Where the applicant, actual owner or principal operator holds only a Learner's Licence/Permit or Level One Licence, the risk will qualify for only Driving Record 0 until a regular motorcycle licence is obtained. Refer to Rule 409:B.

Accumulation of experience begins only when a permanent licence (Level 2) is obtained. A newly licensed driver will qualify for only Driving Record 0 for the first year. 'Newly licensed' does not include Learner's Licence/Permit or Level One Licence.

A licensed (beyond stage one learner's licence) new driver shall be rated according to the number of years without at fault accidents or licence suspensions at the commencement of the period of insurance.

Note: Maximum driving record is 3.

5. Driver Training – No longer applicable

C. Rating Notes – Optional Physical Damage

1. Vehicle Rate Group

The limit chosen for END 19 (Limiting the Amount Paid for Loss or Damage Coverages) must include the value of the vehicle and any additional accessories and customization including sidecars. The vehicle's rate group is established from that amount using the Rating Group

Table and the factors found on the Motorcycles and Mopeds rate pages.

If the value of the vehicle is less than \$15,000 the rate group for DCPD and optional physical damage (if purchased) will be based on the limit chosen by the insured.

If the value of the vehicle is \$15,000 or more, the Rate Group for DCPD and optional physical damage (if purchased) must be established in accordance with the following conditions:

- a) Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement must confirm the vehicle's year, make, model, serial number and purchase price.
- b) In any other case, the value must be substantiated by a certificate (including photo) from an independent appraiser acceptable to the Servicing Carrier. The certificate must be obtained at the Applicant's expense and must be attached to the application or the change request.

2. END 19 – Limitation of Amount

This endorsement must be applied to every vehicle on which optional physical damage coverage is provided. The endorsement requires the insured's signature.

3. END 40 – Fire and Theft Deductible

This endorsement must be applied to every vehicle on which Comprehensive or Specified Perils coverage is provided. The endorsement requires the insured's signature.

4. Motorcycles 750 cc and over

Comprehensive/Specified Perils coverage may not be provided unless:

- a) Where the vehicle is newly acquired from a dealer a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement must confirm the vehicle's year, make, model, serial number and purchase price.
- b) The Agent/Broker or an independent appraiser acceptable to the Servicing Carrier has completed the Motorcycle Inspection Report verifying that he/she has seen the vehicle and has verified its licence number, year, make, model and serial number with the information shown on the vehicle registration and on the application. This report must be obtained at the applicant's expense and must be attached to the application or change request. If coverage is deleted from the vehicle and added again at a later date, a new inspection must accompany the request for the addition of coverage.

5. Motorcycle & Sidecar

A Motorcycle and Sidecar are to be treated and rated as *one* vehicle.

6. Motorcycle/Moped Trailer**Liability, Accident Benefits and Uninsured Automobile**

No charge

Optional Physical Damage

Establish the rate group based on the trailer's value.

Establish the physical damage premium by rating the trailer as though it were a motorcycle. Charge 10% of that premium.

For reporting under the Automobile Statistical Plan the trailer is identified as such by use of Driving Record code '7'.

7. Non-Pleasure Use**Commercial Vehicle:**

If the vehicle is designed and used for commercial purposes, it is rateable in the Commercial or Public Sections of this Manual. The vehicle rate group and minimum deductibles must be established using Rate Group Table II in the Commercial section of this manual. E.g. A three wheel motorcycle with a box built in between the rear wheels that permits the carriage of small packages for delivery purposes.

8. Motorcycles converted for use on snow and ice

These are to be rated using motorcycles rates. Motorcycles rates are established for seasonal use during the months of March through October as shown in Rule 414:D. under Short Term Table 3. When a motorcycle is converted for use during the winter months the period of exposure increases and requires an additional premium.

Rule 419:D.3. provides direction for calculating additional premium when a motorcycle/ski bike will be operated from November through February.

A motorcycle that has been converted solely for use during the winter months will be rated as a motorcycle with no additional premium charged for the period November through February.

Rentals and Driver Training:

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

Other Non-Pleasure Uses:

See the Special Use Factors in the Schedule of Rates.

D. Premium Determination

The rate pages are to be used in conjunction with the following instructions:

1. Establish the territory.
2. Establish the vehicle type.
3. Establish the driving record.
4. Establish the vehicle's rate group.
5. Establish a premium for each coverage from the rate page.
6. Apply accident and conviction surcharges if required as outlined in Rule 425.
7. Apply Rule 407:C if the period of insurance is less than one year.

Rule 410: Not applicable**Rule 411: Off Road Vehicles****A. Definitions****1. All Terrain Vehicle (A.T.V.)**

A self-propelled vehicle licensed but not for road use, excluding those vehicles that meet the definition of a Private Passenger vehicle (see **Private Passenger section**). It is designed for use off road on rugged terrain or on both land and water. It includes "Dune Buggy", "Trail Bike" and "All Terrain Cycle" but not Snow Vehicle unless adapted for year round use. If a Snow Vehicle has been adapted for year round use, it shall be rated as an All Terrain Vehicle but is subject to the provisions outlined under Rule 432: Home Made Vehicles / Reconstruction.

2. Snow Vehicle

A self-propelled vehicle designed to be driven exclusively on snow or ice.

B. Rating & Policy Issuance Notes

The Schedule of Rates is to be used in conjunction with the following instructions:

1. All Terrain Vehicle**Two or Three Wheeled Vehicles**

Two or three wheeled vehicles are to be rated using motorcycle rates, not as all terrain vehicles. Initially, these vehicles will be rated at Driving Record 0 and the driving record will increase by 1 each year thereafter as experience in Facility Association warrants. The physical damage coverages are subject to END 19 and 40; however, Short Term Table No. 3 does not apply.

Other All Terrain Vehicles

The Liability premium is dependent on the vehicle's engine capacity and horsepower.

2. Pickups, 4x4s and Similar Vehicles Designed for Road Use

These vehicles may be licensed for off road use only. If used for pleasure purposes, rate in the Private Passenger section of this manual. If used for commercial purposes, rate in the Commercial section of this manual.

3. Amphibious Vehicles – Marine Use excluded

In respect of amphibious vehicles (designed for use on both land and water), END 9 is mandatory so as to exclude coverage while the vehicle is in or upon water or being launched or landed. Amphibious vehicles include vehicles designed to be used in muskeg, swamps/bogs or to cross streams.

4. Snow Sleds, Toboggans or Komatiks Liability, DCPD, Accident Benefits and Uninsured Automobile – no charge

Optional Physical Damage

Except as otherwise stated for Pickups, 4x4s and Similar Vehicles Designed for Road Use, rate groups are established as follows:

If the value of the vehicle is less than \$15,000 the rate group for optional physical damage (if purchased) may be based on the limit chosen by the insured subject to END 19 or the rate group may be established using list price new.

If the value of the vehicle is \$15,000 or more, the rate group for optional physical damage (if purchased) must be established based on list price new or where the insured produces at his or her own expense an appraisal acceptable to the Servicing Carrier then the snow vehicle or all terrain vehicle may be rated according to the Actual Cash Value (plus applicable taxes) subject to END 19.

C. Non-Pleasure Use

1. Public Vehicle

If the vehicle is used in the manner of a public vehicle, it must be rated in the Public Vehicles section of this manual in accordance with all the rules of that section (including the establishment of rate group).

2. Rentals and Driver Training

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

3. Other Non-Pleasure purposes

- a) If the Gross Vehicle Weight exceeds 1 tonne (2,200 lbs.) or is a snow groomer of any weight the vehicle is rated as a Commercial vehicle in accordance with all the rules of that section. The Rate group must be established using Rating Group Table II in the Commercial section of this manual.
- b) Otherwise, see the Special Use Factors on the rate page.

D. Premium Determination

The rate pages are to be used in conjunction with the following instructions:

1. Establish the territory.
2. Establish the vehicle type.
3. Establish the vehicle's rate group.
4. Establish a premium for each coverage from the rate page.
5. Apply accident and conviction surcharges if required as outlined in Rule 425.
6. Apply Rule 407:C if the period of insurance is less than one year (Snow Vehicles).

Rule 412: Antique and Classic Vehicles

A. Definition

A vehicle that is a collector's item, used only in parades, exhibitions, auto club activities and other such functions and not for regular transportation. The vehicle must have a special Antique Vehicle plate issued by the jurisdiction in which it is registered. If the jurisdiction does not issue such plates, the vehicle must be at least 30 years old. The vehicle must not be changed or modified in any way from the original manufacturer's product and must be coded as 67 under the Statistical Plan.

A "classic vehicle" is rated as an Antique Vehicle if it meets the preceding definition otherwise it is to be rated in the appropriate section of this manual according to its type and use.

B. Optional Physical Damage

1. Appraisal

The value of the vehicle must be substantiated by a certificate from an independent appraiser (acceptable to the Servicing Carrier) who is a recognized authority on the valuation of antique vehicles. The certificate must be obtained at the insured's expense.

2. Amount of Insurance

END 19 (Limitation of Amount) is to be attached to the policy showing the appraised value of the automobile as the maximum amount of insurance.

END 19a (Valued Automobile) is not available.

C. Annual Premium Rates

1. Liability, Accident Benefits, Uninsured Automobile:

Charge 60% of private passenger rate Class 01 Driving Record 3 in the rating territory concerned.

2. DCPD and Optional Physical Damage

Rates per \$1,000 of the appraised value of the vehicles are shown in the Schedule of Rates.

Factors for other deductibles when the base deductible is \$500:

Deductible	Collision	Comprehensive	Specified Perils
500	1.000	1.000	1.000
750	0.919	0.956	0.957
1,000	0.872	0.922	0.924
1,250	0.837	0.900	0.902
1,500	0.814	0.889	0.891
1,750	0.802	0.883	0.886
2,000	0.791	0.878	0.880
2,250	0.785	0.872	0.875
2,500 or more	0.779	0.867	0.870

3. Short Term Insurance

Apply Rule 407:C if the period of insurance is less than one year.

Rule 413: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

The Endorsement Section provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rereated accordingly.

If a vehicle is registered in both the husband’s name and the wife’s name, endorsements that require signature must be signed by both husband and wife. If it is discovered that a policy is covering two vehicles (one registered in the husband’s name and one in the wife’s name), both signatures shall be required on any endorsements that require signature.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 414: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the “base” premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six-month policies charge 52% of the annual premium **except** for Motorcycles/Mopeds, Snow Vehicles and Antique Vehicles. See the **Recreational Vehicle** section for rating instructions on these vehicles.

Fleets as defined in Rule 438: Fleets are not eligible for six month policies.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. e.g. 46.56 will be rounded up to \$47.00 and 46.44 will be rounded down to \$46.00.

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

Unless otherwise stated in any other section of this manual, the minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Rule 415: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months, excluding seasonal vehicles (motorcycles, mopeds, antique vehicles and snow vehicles) which shall be issued for one year. See also Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate and Rule 400.C Non Residents and Vehicle Not Registered in Jurisdiction.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. A short term policy may also be issued for a vehicle being temporarily operated in a jurisdiction in which it is not registered.

The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

Policies subject to Rule 149: Fleets cannot be issued for a term of 6 months.

Rule 416: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled.

Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles

Leased Vehicles

- Where the insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of insured may be made by endorsement, provided there is no change in the name of the applicant, other than to add the lessor's name to the policy.
- In situations where the insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle. Where an insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 426: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

1. The Agent/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
2. Faxed or mailed policy change requests are acceptable.
3. If the policy change request cannot be sent to the Servicing Carrier on the date the insured makes the request, it must be sent to the Servicing Carrier on the next working day.
4. The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
5. Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.
6. Before physical damage coverage can be bound on a branded vehicle (salvage or rebuilt) a valid vehicle registration and at the Servicing Carrier's discretion a current safety certificate, must be submitted with the request for a policy change (addition or substitution).
7. Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage. Where a copy of the valid registration is not provided, the following shall apply:
 - The vehicle(s) shall be added or substituted at the correct premium.
 - If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
 - If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
 - Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

E. Deletions of Vehicles and Coverages

- a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

- b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

Note for a) and b)

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

- c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

- d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:

- i) The day after the salvage is signed over to the insurer

or

- ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

- e) In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver Record Abstract must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years. Driver Record Abstracts are not to be obtained on experience rated risks or for the operators of any Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles to be insured.
- b) Previous Insurance History must be obtained on the additional or replacement driver(s). This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.). Insurance history is not required for Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles. See special instructions under Fleets and Garage Sections.

If the information is different from that reported, to the extent that the premium or coverage requires amendment the Servicing Carrier shall promptly issue a correcting endorsement.

G. Not Applicable

H. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table except in the case of Snow Vehicles, Motorcycles/Mopeds and Antique Vehicles. For those vehicles, Short Term tables 3 and 4 are to be used for all coverages except Comprehensive/Specified Perils for which the Day Table is used.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy there will be a \$50 charge for each such substitution in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 417: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required – see Rule 426 Proof of Insurance.

NOTE: Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

Experience Rated, Garage and Commercial Risks may require the Agent/Broker to determine whether the information on record and/or coverages need revision or updating.

A Driver Record Abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal (for six month policies every other renewal). Renewals shall only be offered on policies for annual or six month terms.

B. Not Applicable

C. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

D. Renewal Processing

1. Other than Direct Billing Servicing Carrier Responsibilities

i. Renewal Notice to Agent/Broker

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

ii. Renewal Notice to the Insured

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the insured, the Agent/Broker must promptly return all the renewal documents (**including liability cards**) to the Servicing Carrier. A written request from the insured acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be

responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 418: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests a midterm cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the insurer,
- or**
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

5. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent/Brokers request or Servicing Carrier's initiative by registered letter,

a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires – see Rule 426: Proof of Insurance.

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company *regardless of the reason* for cancellation. The Agent/Broker’s account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

Motorcycles, Mopeds, Snow Vehicles, and Antique Vehicles use Short Term Table 3 or 4 for all coverages except Comprehensive/Specified Perils and Short Term Table 1 or 2 for Comprehensive/Specified Perils subject to any applicable minimum retained premium.

All other vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

All other vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent/Broker’s account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and

request that a notice of cancellation be issued to the insured,

or

- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent/Broker’s originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words ‘agent/broker’ will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the insured (unless the policy is financed through a premium finance company) and the Agent/Broker’s account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the insured or shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 418.E.6 Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the

Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and
 - b) the cheque was immediately deposited; and
 - c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
 - d) The return of the cheque by the financial institution or

dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier

Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles) is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 419: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the percent that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the percent that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change percentage .345
4. Where the policy is a six month policy, double the refund/change percentage.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change percentage. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change percentage.

B. (Pro Rata) Day Table

January			February			March			April			May			June

C. Short Term Tables

1. Motorcycles, Mopeds, Antique Vehicles.

Use Short Term Table 3 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

2. Snow Vehicles

Use Short Term Table 4 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

3. All Other Vehicles

For a policy cancellation use Short Term Table 1 or 2. For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the "Percentage of premium".
3. Subtract that percentage from 100% to determine the "refund percentage".
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the "Percentage of premium".
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

177-180	54						

**D. Short Term Tables No. 3 and No. 4
(seasonal use vehicles)**

These tables apply to all coverages except Comprehensive or Specified Perils for Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles. For Comprehensive or Specified Perils coverage use Short Term Table No. 1 or No. 2 or a pro rata calculation, depending upon the circumstances.

1. For each full month that insurance was provided, charge the corresponding "Percentage of annual premium" indicated below.
2. For part of a month charge pro-rata of the percentage applicable to the complete month. For example, in respect of a motorcycle insurance that commences on June 7th:
30 days minus 6 days = 24; 24 divided by 30 = .8; 8 times 20% = 16% for the month of June.

SHORT TERM TABLE No. 3			
Motorcycles & Mopeds and Antique Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	Nil	July	20
February	Nil	August	20
March	5	September	10
April	10	October	5
May	10	November	Nil
June	20	December	Nil

3. The tables below apply to seasonal use/Canadian conditions. If there is use outside the season or Canada during a month where the table indicates the charges as "Nil" there shall be an additional premium charged for that month equal to pro-rata of the annual premium. The surcharge for Outside New Brunswick exposure is applicable, except where the vehicle is used for personal use only and proof of insurance is not required.

Example 1: The insured has a motorcycle that he wishes to trailer down to Florida to use during the months of November and December in addition to regular use for the year in Moncton. The annual premium is \$1,250 excluding any premium calculation for November and December. Using the Pro Rata Day Table, calculate the pro rata fraction for the months of November and December (.164) and apply that to the total annual premium. The additional premium charge for November and December will be \$205.

Example 2: The insured has a motorcycle that will be converted for use on snow and ice for the months of November through February in addition to regular use for the remaining months of the year. The annual premium is \$1,250 excluding any premium calculation for November, December, January, February. Using the pro rata factor for the months of November through February (.326) and apply that to the total annual premium. The additional premium charge for November through February will be \$408.

SHORT TERM TABLE No. 4			
Snow Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	25	July	Nil
February	25	August	Nil
March	15	September	Nil
April	Nil	October	Nil
May	Nil	November	10
June	Nil	December	25

Rule 420: Not applicable

Rule 421: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 am. E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 422: Commission Schedule

The commission rates are:

	Experience Rated	Individually Rated
Cabin or Home Trailers		
Other private type Trailers		
Motor Homes		
Camper Units		
a) Used for pleasure purposes only:		
Class 10, 11, 12	7.5%	9%
All other private passenger classes	7.5%	11%
b) Used for other purposes: use the commission rate applicable to the class applicable to the use		
Motorcycles & Mopeds*	7.5%	7.5%
All Terrain Vehicles*	7.5%	7.5%
Snow Vehicles*	7.5%	7.5%
*including use of the above vehicles for police/fire department or commercial use		

For the purpose of determining Commission Rates, the expression 'Private Passenger Vehicles' includes Antique/Classic automobiles, Commercial-Type vehicles that are rated as Private Passenger vehicles and Driving School vehicles (Class 07), but excludes vehicles rated as Commercial or Public vehicles, Fire and Police Department vehicles (Class 53) and Funeral vehicles (Class 75).

Rule 423: Not applicable

Rule 424: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
- or**
2. A loss remains unsettled or unpaid,
- or**
3. A civil suit is pending **in respect of** Liability or Collision

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The insured’s degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the applicant’s vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words “loss(es)” and “claim(s)” where used in this manual are considered to have the same meaning as the word “accident.”

The words “at fault” and “chargeable” where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

A chargeable accident will affect the rating of both Liability (including DCPD) and Collision coverages.

When a driver (including a driver rated under Class 05) is responsible for a chargeable accident, the accident must be included for rating purposes. If the driver is removed from the policy, the accident shall be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned first to the vehicle for which the responsible driver is an operator regardless of which vehicle was involved in the claim. If the responsible driver is an operator of more than one vehicle, the claim shall be assigned first to the vehicle involved in the claim and if this is not possible, to the vehicle which that person principally operates that produces the highest premium.

At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is assigned to vehicle 1 and has had 2 losses on vehicle 1 and 1 loss on vehicle 2. Driver 2 is assigned to vehicle 2 and has had 1 loss on vehicle 1 and 1 loss on vehicle 2. For purposes of allocating accidents, the 3 accidents the applicant has had will be allocated to vehicle 1 and the 2 accidents Driver 2 has had will be allocated to vehicle 2.

The term ‘vehicle’ includes ‘one for which it has been substituted’.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motorhome, Light Commercial, Taxi or Garage
Light Commercial	Commercial, Private Passenger, Motorhome or Garage
Commercial	Commercial or Garage
Public (excluding Taxi)	Public (excluding Taxi)
Taxi	Taxi or Private Passenger
Motorhome	Motorhome, Private Passenger or Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

Note: “Type of vehicle” means the section of the manual in which the vehicle was or would have been rated.

For example: A car is rated as a private passenger vehicle and the insured had an at fault accident. The insured is now going to begin using the vehicle as a taxi. The accident that occurred while the vehicle was rated for personal use will continue to be applied when the insured begins using the vehicle as a taxi.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended

- to the vehicle that produces the highest premium where there is more than one remaining vehicle
- effective the date coverage on the original vehicle was deleted or suspended

Rule 425: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability and DCPD) and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

As long as there is a Class 05 premium charged on the policy, accidents relating to Class 05 drivers shall only be used to calculate surcharges on the Class 05 premium. The Class 05 premium develops its own surcharge independent of the underlying class.

If the only vehicle(s) on the policy are private type trailers as described under Recreational Vehicles, surcharges shall be assessed on the Collision premium only.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The insured owns a business in which three vehicles are driven by employees. Two of the vehicles are insured in the voluntary market, the other is insured in FA. There have been two accidents on each of the vehicles in the voluntary market none of which arose from the use or operation of the vehicle by the insured himself. There have been three accidents on the vehicle insured in FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the vehicle insured in FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered if the other listed driver is being charged with the accident as the principal operator of another vehicle.

a) One vehicle on the policy

Consider accidents that involved the described vehicle and accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator (excluding any other listed operator currently being charged with the accident as principal operator of another vehicle), subject to Rule 424: How to Allocate Chargeable Accidents.

For example: Driver 1 has had 1 at fault accident on the described motor home and 1 accident on the neighbour's car. Driver 2 had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. All accidents shall be allocated to the described motor home and a surcharge shall be applied.

b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant shall be assigned to the vehicle that produces the highest premium before the application of any accident or conviction surcharge.

For example: There are two motor homes on the policy, Applicant is the only operator. There has been one accident on Motor Home 1 and one accident on Motor Home 2. Applicant also had two accidents on a company car insured elsewhere. The premium for Motor Home 2 is higher than the premium for Motor Home 1. As the Applicant is principal operator of both vehicles, the claims are rated on the vehicle on which they occurred. A surcharge applies to Motor Home 2 as a result of the two accidents on the company car and the one accident that occurred on Motor Home 2.

c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he/she most frequently drives. Accidents that operator A had on any vehicle are to be considered. Accidents that occurred on the assigned (described) vehicle that cannot be assigned to the principal operator of another vehicle on the policy are to be considered. Accidents that arose from the use or operation of any other vehicle by any other listed driver, who has not been charged with the accident as a principal operator of another vehicle, shall be allocated to the vehicle which develops the highest premium before the application of any accident or conviction surcharges.

For example: Applicant is assigned to Motorcycle 1 and has had one accident on Motorcycle 1, two accidents on Motorcycle 2 and 1 accident on his company car. Driver 2 is assigned to Motorcycle 2 and has had no accidents. Driver 3 has had one accident on Motorcycle 2. The Applicant's four accidents will be rated against Motorcycle

Driver unaccompanied by a qualified driver
 Drive with front seat passenger
 Drive with excess passengers
 Drive on prohibited highway
 Drive at unlawful hour
 Drive motorcycle with passenger
 Drive motorcycle on prohibited highway

Stunting

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences added to an Act governing highway traffic, may be considered minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

Fail to notify police
 Fail to make written report
 Backing up/unsafe/illegal/improper: any type
 Brakes/none/inadequate/improper: any type
 Crowding driver's seat
 Door opening/illegal/obstructing traffic: any type
 Emergency vehicle/operating with no regard for safety
 Driving off roadway (including shoulder/sidewalk/median): any type
 Flagman/disobeying
 Following too closely (including tailgating)
 Headlights/parking lights/improper/lack of use: any type
 Lack of control of vehicle: any type
 Motor-assisted bicycle carrying passengers
 Motorcycle/operating with only an instruction permit
 Motorcycle/failure to wear helmet
 Passing infraction: any type except school bus or school/playground zone
 Pedestrian crossing violation: any type
 Radar warning device in motor vehicle: if illegal in province
 Railway crossing: any type

Safety zone violation: any type
 Seatbelt: any offence
 Signalling offences: any type
 Slow driving/endangering other: any type
 Smokescreen device on vehicle
 Speeding: any type, except when listed as major or serious
 Squealing tires
 Stopping/illegal/improper: any type
 Tires/defective/worn: any type
 Towing/prohibited/unsafe: any type
 Traffic signals/regulating lights: any type
 Traffic signs/disobeying any legal sign except parking regulations
 Trailer: improper attachments/improper towing
 Turns/illegal/improper: any type
 Unlicensed driver: any type including improper licence class
 Unsafe move
 Unsafe vehicle: any type
 Using handheld/operated electronic/wireless device
 Wrong side of road/wrong way: any type
 Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a Driver Record abstract identified as a Criminal Code conviction.

Driver under age 21 with more than zero percent blood/alcohol
 Exceeding the speed limit by 50kph or more
 Criminal negligence committed in the operation or use of a motor vehicle

- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Driving without due care and attention
- Driving without insurance
- Dangerous driving
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 426: Proof of Insurance Where Notice of Cancellation or Deletion is required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out-of-Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed, and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion,

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the insured. However, as a result of the authority's requirements the effective date of cancellation may be different.

For example:

The registered letter of cancellation for the policy is issued on June 1 for both the insured and the provincial authority. For the insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the insured had a Comprehensive loss on June 25, the policy would not respond. If however, the insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the insured and the authority concerned.

For example: The insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the

provincial authority is sent on June 5. The effective date of cancellation for the insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a split limit of \$1,000,000 road hazard and \$1,000,000 passenger hazard. A filing for a \$5,000,000 combined limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 inclusive limit. One filing should be made showing the split limits of \$1,000,000 and \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the Processing Fees.

Rule 427: Outside New Brunswick Exposure

A. Outside New Brunswick Exposure Surcharge

Any vehicle registered in New Brunswick and operated in the U.S. or another Canadian jurisdiction (excluding Nova Scotia, Prince Edward Island or Newfoundland and Labrador) is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required and/or where the vehicles are used for business, commercial purposes or are carrying passengers.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask insureds whether or not proof of insurance must be filed and, if so, in what amount.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside New Brunswick and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 433 and the relevant section of the manual.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), DCPD, Accident Benefits, Uninsured Automobile and END 44.

Liability, DCPD, Accident Benefits, Uninsured Automobile, END 44

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The surcharge percentage is calculated by means of the following formula:

Currency differential x Outside New Brunswick exposure surcharge

For example:

The rate of exchange for the U.S. dollar is 1.3085 Canadian.

Therefore the currency differential is 0.31.
The Outside New Brunswick exposure surcharge is 25%.

Currency differential surcharge:

$0.31 \times 25\% = 7.75\%$

The Currency differential surcharge is

1. Applied only to the Liability premium (Road/Passenger Hazard), not DCPD.
2. There is no minimum surcharge applicable.
3. Additional to but not compounded on the Outside New Brunswick exposure surcharge.

Example:

The Liability premium is	\$1,000
Outside N.B. Exposure Surcharge is	25%
The Currency Differential Surcharge is	7.75%
Base Premium	\$1,000
Outside N.B. Exposure \$1,000 X .25	\$250
Currency Differential \$1,000 X 7.75 = 77.50	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier's fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the U.S. exposure surcharge is subject to a minimum of \$50 per policy term.

For example: Using the example above, the dollar value of the Outside New Brunswick exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

Rule 428: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

1. Snow Vehicles and All Terrain Vehicles (with or without END 9) on Ice/Water

The following scenarios shall be considered

Comprehensive losses:

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake and hits open water.

An insured drives a Snow Vehicle or All Terrain Vehicle on a frozen lake. The ice cracks and the Snow Vehicle or All Terrain Vehicle sinks to the bottom.

A Snow Vehicle or All Terrain Vehicle is parked on ice. The ice cracks under the machine and it sinks to the bottom.

2. Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 429: Suspension and Reinstatement of Coverages – END16/17

END 16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicle section
4. Vehicles that were never intended to be driven.
5. Vehicles held for sale whether or not on an auto dealer's lot.

Rule 430: Not applicable

Rule 431: Suspension of Operator's Licence – Use of END 28

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28 is being added to the policy at the request of the insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.

3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

Note: Where the insured's licence is suspended, the insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 401: Minimum Coverage.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and . excluding physical damage where provided, for that person. END 8a shall be used in conjunction with END 28 except where END 28 applies to the named insured.
2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 28 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

- a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.
- b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28.

E. Completion of END 28

END 28 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word "Insured" in the Insured/Not Insured column. In any jurisdiction where Accident Benefits and Uninsured Automobile are mandatory when Liability coverage is provided, the word "Insured" must be shown against Section B and Section D in the Insured/Not Insured column.

Rule 432: "Home-Made" Vehicles / Reconstruction / Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier
And
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. Rate group 10 is to be used for Accident Benefits for private passenger vehicles where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
 - a) Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
 - b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.

The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

New Brunswick 1 October 2019

Rule 433: Vehicles Used Outside Jurisdiction of Registration

The Filed Underwriting Rules require that the vehicle must be registered in the jurisdiction in which the policy is issued. "If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction."

When an insured takes up residence in another jurisdiction, the insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

For example: The insured resides in New Brunswick and the vehicle is registered in that jurisdiction; however, the insured will be travelling the western provinces for the next year.

Regardless of where the vehicle is registered, Facility Association shall not provide insurance for vehicles which are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If the vehicle is operated outside New Brunswick, New Brunswick rates and a surcharge apply. Refer to Rule 138: Outside New Brunswick Exposure.
3. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
4. If the out of jurisdiction exposure is 5.0% or less of total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), Accident Benefits, Uninsured Automobile and END 44 only.

At the Servicing Carrier's discretion, a copy of fuel tax information log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

5. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. For example: The insured lives in Moncton, is on a sabbatical in California and the vehicle is registered in New Brunswick, New Brunswick rates apply.

Private passenger vehicles are to be rated class 01 using the appropriate driving record. There is no surcharge for Outside New Brunswick exposure. The territory to be used is the territory where the insured resides.

Commercial vehicles classified as light are to be rated class 36. Commercial vehicles classified as heavy are to be rated class 44. Driving record is 0. 100% Outside New Brunswick Exposure Surcharge applies.

Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an insured acquires a new vehicle and all vehicles owned by the insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the insurer is notified of the acquisition within 14 days.

When the insured:

a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates;

or

b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the insured comes through Customs, the vehicle must be declared and the insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Rule 435: Short-Term Rentals- Unspecified Lessees - Leases of 30 Days or Less

Use POL 1 and END 5c. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21a/b is not permitted. Use of END 44 is not permitted.

1. Coverages/Premiums Liability, Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
Liability	Non Pleasure rate plus \$15
DCPD	Normal rate
Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

Accident Benefits, Uninsured Automobile

Charge the normal rate for the type of vehicle concerned.

Rule 436: Long-Term Leases-Specified Lessees- Leases Exceeding 30 Days

A. Application

The lessee must complete an FA application form. The name and address of the applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 437: Driver Training Vehicles

All Driver Training Vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the applicant's liability for student drivers/observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles.

For example: The insured opens a driver training school and either uses his own car or buys another car to use as a driver training vehicle. The insured has no previous experience with driver training and is 5 years accident free. According to the rules in the Private Passenger section the insured is entitled to Driving Record 5. Therefore the insured is entitled to Driving Record 3 on the driver training vehicle. If the insured had never owned a tractor trailer and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in the Commercial section.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:

Rate as Class 07

Commercial Vehicles:

Light –Rate as Class 36; Heavy – Rate as Class 44

Public Vehicles (Buses, etc.):

Private Passenger Type Vehicles:

Rate as Class 07

Other Vehicles:

Light Rate as Class 36; Heavy Rate as Class 44

Recreational Vehicles:

Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the 'other use'.
For example: If the vehicle is used for driving to and from work less than 17 km one way, use Class 02.
3. Add the dollar value of the driver training surcharge calculated in step 1 to the premium calculated in step 2.
4. Compare the premium in step 1 to the premium calculated through steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a private passenger vehicle and using class 07, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in step 1 is therefore \$770.

Step 2

The driver training use is part time and the insured also uses the vehicle to drive to and from another job. Therefore a premium of \$400 is calculated by rating the vehicle as Class 02.

Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

D. Driver Training Vehicle Surcharge Table

1. Vehicles used only for Secondary School, College or University training courses.

Coverage	Equipped with dual controls	Other
Liability/DCPD	35%	135%
Collision	0%	75%

2. Other Vehicles

Coverage	Equipped with dual controls	Other
Liability/DCPD	70%	170%
Collision	25%	100%

Rule 438: Fleets

A. Definition

A fleet is a group of 10 or more self-propelled vehicles under common ownership or management and used for business, commercial, or public transportation. Vehicles on a long-term lease are considered the equivalent of owned in determining whether or not a risk is a fleet. The applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

For example: If the insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the insured has 132 months of Liability insurance. If the insured only had 9 vehicles insured for Liability in that period, there would only be 108 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the insured has owned or leased from others. The applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured by FA. If the policy does qualify for experience rating, only

the experience on the vehicles insured by FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the applicant’s business) is not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated 07 shall be added (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

B. Fleet Rating

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured in FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date so as to facilitate experience rating.

Experience rating includes the following:

- Losses are always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.
- Claims (paid by the previous insurer, reimbursed to the previous insurer or paid by the insured) outside the coverage on the application
- Any amount paid back by the insured due to an END 8 on the policy with the prior insurer
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss
- Amounts above FA deductibles when the prior insurer had higher deductibles
- Losses falling within any special agreements with the prior insurer

NOTE: Full experience details must be obtained directly from the prior insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21a and 21b is not permitted.

If vehicles being added to a fleet insured through Facility Association were previously on another fleet with the same common ownership or management as the Facility Association fleet, these added vehicles are subject to experience rating as outlined in Rule 438:B. Fleet Rating.

Midterm Rating

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 438:B. Fleet Rating.

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

For example: The new policy term will be May 1, 1999 to May 1, 2000. The insured had 2 losses between May 1, 1998 and May 1, 1999. The insured had 2 losses between May 1, 1997 and May 1, 1998. The insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a \$20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in

the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

D. New Applications

1. Forms required for Fleet Submissions

- a) Facility Association application
The application form fully completed and signed. Under vehicle items show "Fleet Policy".
- b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a Currency differential surcharge shall be applied to the Liability premium (road hazard, passenger hazard). See Rule 427: Outside New Brunswick Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 426: Proof of Insurance.

Fleets cannot be issued with a term of 6 months.

The applicant(s) must sign and date all documentation where indicated.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the Outside New Brunswick Exposure Surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the applicant the premium quoted at driving record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a "blanket" wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

For example: The Agent/Broker bound coverage as of June 1 and quoted the applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The Agent/Broker advises the insured of the premium increase and the insured advises they want to cancel the policy. On July 25, the Agent/Broker advises the insurer to cancel the policy for non-payment. Because the request for cancellation was received within 45 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rate has been established and the policy is cancelled because the applicant rejects the premium, where a new application is submitted within 30 days of the cancellation of the fleet policy, either covering the same vehicles, or covering less than 10 vehicles individually rated, and the applicant still has at least 10 vehicles insured under different FA policies, then the premium will be quoted at the full rate and not the individual vehicle premium.

For example: Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at a premium of \$12,000 and the Agent/Broker receives it on September 22. The insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

7. Premium Calculation

Liability

Where the applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

Public Vehicle - Road Hazard and Passenger Hazard

- a) Enter the premium applicable to the minimum statutory limit for Road Hazard.
- b) If one premium applies to both Road and Passenger B.I., or if a combined Road and Passenger B.I. limit is to be provided, enter the combined base premium for the two coverages. If separate premiums apply for Road Hazard and Passenger B.I., show each premium separately.

For example:

- a) The insured requires a combined Road Hazard and Passenger B.I. limit of \$1,000,000. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium shall be entered on the fleet schedule as \$700 because the same Liability limit will apply to both coverages.
- b) The insured requires \$1,000,000 Road Hazard and \$2,000,000 Passenger B.I. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium will be entered on the fleet schedule as \$400/\$300 because different Liability limits apply to each coverage.
- c) If Passenger Property Damage is to be insured, enter the premium for the required limit in the Endorsement column.

Note: The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6a/b/c/f, 22).

Every other vehicle

Enter the premium applicable to the statutory minimum limit.

Physical Damage

All Perils

- a) All Perils coverage is no longer available. Vehicles having All Perils coverage on existing Facility Association policies shall be renewed with Collision and Comprehensive coverage subject to a minimum deductible.
- b) Record All Perils losses according to the peril under which they were paid i.e. Collision under Collision and Comprehensive/ Specified Perils losses under Comprehensive/Specified Perils.

Rule 439: Not applicable

Rule 440: Not applicable

All other coverages

Enter premium and deductibles where indicated.

Rule 441: Not applicable

Premium Totals

Liability

- a) Total the appropriate premiums and enter the totals under the appropriate Tables i.e. Table 1A (Road Hazard Liability), Table 1B (Road Hazard Liability – Hazardous Cargo), Table 2 (Passenger Hazard B.I.) and Table 3 (Road Hazard and Passenger B.I. Combined)
- b) Apply the increased limit factor for limits up to \$1,000,000. See the Commercial and Public sections of the manual for the factors.
- c) Apply the increased limit factor for limits over \$1,000,000 if required. See Commercial section for tables 1A and 1B and Public section for Tables 1A, 2 and 3.
- d) Add the final total under each Table to the total derived from adding together all other premiums.

All Other Coverages

Total the premiums in each column.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer-to- renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Fleet renewals cannot be issued with 6 month terms. Annual renewals only will be issued. Policies currently having 6 month terms will be renewed as annual policies on their next renewal.

Rule 442: Endorsements Applicable to POL 1 (Owner’s Policy)

Notes:

1. **No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.**
2. **This Manual (in this section and elsewhere) provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.**
3. **In certain cases a copy of the endorsement must be signed by the applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.**

Liability or (TPL) means B.I. and P.D. Tort;
Physical Damage means Optional Coverages – Loss or Damage (Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	<p>Providing Coverage When Named Persons Drive Other Automobiles Extends the “drive other automobiles” Liability and Accident Benefits coverage to persons other than the insured and spouse.</p>	<p>The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11</p> <p>Accident Benefits per person \$1.</p>
3	<p>Drive Government Automobiles Covers the insured’s legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The insured must specify the types of vehicle that may be in their custody and, in regard to the physical damage coverages, must indicate the required limit per occurrence.</p>	<p>Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the insured’s custody as if he owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle’s value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability/DCPD:20% Accident Benefits:50% Physical Damage:100%</p>
4A	<p>Permission to Carry Explosives Removes the policy form’s exclusion in regard to carrying specified explosives only.</p>	<p>If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50.</p>
4B	<p>Permission to Carry Radioactive Materials Removes the policy form’s exclusion in regard to carrying radioactive materials only.</p>	<p>If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50.</p>

		Motorcycles & Mopeds 250% of DR 0 Snowmobiles & ATVs250% of normal See Rule 435
5D	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6A	Permission to Carry Passengers for Compensation Modifies the policy form’s restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Vehicles Rule 106.F and Public Vehicles. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For Private Passenger Vehicles used in car pools : add 10% of Liability premium. Attach 6A. Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of insured’s job and employer reimburses employee for expenses - then 07 rates apply. Attach 6A. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then 02 or 03 rates can apply. Attach 6A. iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6a would be attached, however, only if the vehicle is used in a car pool would the 10% surcharge apply. For Public Vehicles, rate vehicle accordingly. See Public Vehicles Section of the manual.
6B	School Bus Used in respect of School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers’ property or (b) a combined limit in respect of all passengers’ bodily injury and property damage. Also, see END 22.	Rate vehicle according to Public Vehicles Section.
6C	Public Passenger Vehicles Used in respect of buses other than School Buses. In regard to Passenger Hazard, provides either (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers’ bodily injury and property.	Rate vehicle according to Public Vehicles Section
6D	Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the insured’s liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both “any one person” and “two or more persons”. Also, see END 22	See Rule 437 for rating instructions
6F	Public Passenger Vehicles Used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Vehicles Section

7	<p>Separate Limits (Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.</p>	Premium is that applicable to an inclusive limit equal to the sum of the limits of "ii" and "iii".
8	<p>Property Damage Reimbursement</p>	<p>Not available on Facility Association policies.</p>
8a	<p>Property Damage Reimbursement for Operation by Named Person Used in conjunction with END 28 and 78. The insured agrees to indemnify FA for loss or damage to property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8a may not be used where the person to whom it applies is the named insured</p>	No charge
9	<p>Marine Use Excluded Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).</p>	No charge.
13C	<p>Deletion of Glass Coverage</p>	<p>Not offered in section</p>
16	<p>Suspension of Coverage The Liability, DCPD, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and Accident Benefits coverages that relate to "driving other vehicles". The endorsement may be used in respect of most private passenger and commercial-type vehicles. It is not available in respect of: a) vehicles for which proof of insurance is issued or filed; b) experience-rated vehicles c) the Recreational vehicles/items to which the Recreational Vehicles Section of this manual relates d) vehicles that were never intended to be driven e) vehicles held for sale whether or not on an auto dealer's lot</p>	In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days.
17	<p>Reinstatement of Coverage Used in connection with END 16.</p>	
19	<p>Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.</p>	Base physical damage premiums on estimated or appraised current value.

19A	Valued Automobiles	Not available on Facility Association policies.
20	Loss of Use	Not offered in section
1A	Receipts or Mileage Basis Fleet	Not available on Facility Association policies.
21B	Blanket Basic Fleet	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required.. See Public Vehicles Section.
22N	Cargo Insurance	Not available on Facility Association policies.
23A	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23B	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total physical damage premium; minimum net annual \$25.
24	Fire Apparatus Excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle	No charge.
25	Alteration Used by Servicing Carrier to record policy changes..	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobile(s) and Providing Other Coverages When Insured Persons Drive Other Automobiles	Not offered in section
27B	Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control Covers the insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence. This endorsement excludes customers automobiles under a garage policy in the definition of non-owned automobiles.	Coverage premiums charged are those applicable to the highest rated vehicle as if the insured owned such a vehicle; the limit per occurrence is used to calculate rate group; model year is assumed to be the current year.
28	Reduction of Coverage as Respects Operation By Named Persons	No premium reduction.

	Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	
29	Additional Coverage as Respects Operation By Named Persons	Not available on Facility Association policies
30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use. END 30 may not be used in conjunction with END 31	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge, equipment cost to be included in vehicle value
32	Recreational Vehicles Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense Provides coverage up to \$50 for towing and emergency service expenses necessitated by disablement of the vehicle.	\$6 per annual term per vehicle.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in
37	Limitation to Automobile Sound and Electronic Communication Equipment. Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total.	No charge.
38	Increased Limit, Automobile Sound and Electronic Communication Equipment Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. eg. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.

43	Removing Depreciation Deduction	Not available on Facility Association policies.
43A	Removing Depreciation Deduction for Specified Lessee(s)	Not available on Facility Association policies.
44	<p>Family Protection Provides limited protection to the insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the insured. For a complete description of the coverage, see the actual endorsement form and the "Supplement".</p> <p>The limit for any one accident (ie., all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.</p> <p>For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.</p>	<p>Premiums are dependent on class of vehicle and limit of Liability. Premiums are shown on rate pages in this section of the manual.</p> <p>This endorsement is not available on 'Public Vehicles' as described in the Public Section of this manual or any other vehicles used in the manner of 'Public Vehicles'.</p>

TRAILERS, MOTOR HOMES and CAMPER UNITS

SCHEDULE OF RATES

LIABILITY and ACCIDENT BENEFITS

Note: The dollar amounts indicated below for Liability apply whatever the Liability Limit. For a trailer, the limit should be the same as that of the towing vehicle, and for a camper unit, the same as that of the vehicle on which the unit is mounted. For a motor home the underlying premium varies with the Liability Limit.

TRAILERS

Type	Pleasure Use Only	Including Non-Pleasure Use*
A. LIABILITY		
<i>Note: If the number of trailers exceeds the number of towing vehicles for Third Party Liability charge:</i> (i) the full premium for the number of highest-rated trailers equal to the number of towing vehicles, plus (ii) for each additional trailer, 50% of the indicated premium.		
a. Cabin or Home Trailer	Bodily Injury \$16 Property Damage \$1	Bodily Injury \$115 Property Damage \$7
b. Tent Trailer	No Charge, but rate as a Cabin Trailer if the towing vehicle is not insured by the same policy.	Bodily Injury \$115 Property Damage \$7
c. Other Trailer		Bodily Injury \$115 Property Damage \$7
B. ACCIDENT BENEFITS		
a. Cabin or Home Trailer	Where the trailer and the towing vehicle are insured by the same policy: charge 50% applicable to towing vehicle Otherwise, charge 100% of the premium applicable to the towing vehicle	\$108
b. Tent Trailer	No Charge, but rate as a Cabin Trailer if the towing vehicle is not insured by the same policy.	\$108
c. Other Trailer	Not Applicable	Not Applicable
C. DIRECT COMPENSATION - PROPERTY DAMAGE		
Refer to next page for premiums. DCPD premium applies when there is a charge for liability.		
D. UNINSURED AUTOMOBILE		
All	No charge.	No charge.

MOTOR HOMES

Type	Pleasure Use Only	Including Non-Pleasure Use*
A. LIABILITY		
All	Rate the vehicle as a Private Passenger Vehicle; plus \$14 for Bodily Injury and \$1 for Property Damage.	Rate the vehicle as a Private Passenger Vehicle plus \$17 for BI and \$1 for PD.
B. ACCIDENT BENEFITS		
All	Rate the vehicle as a Private Passenger Vehicle with no extra charge.	Rate the vehicle as a Private Passenger Vehicle plus \$54.
C. DIRECT COMPENSATION - PROPERTY DAMAGE		
Rate as a Private Passenger Vehicle using the Table on the next page to establish the applicable Rating Group		
D. UNINSURED AUTOMOBILE		
All	Rate as a Private Passenger Vehicle with no extra charge.	

CAMPER UNITS

Type	Pleasure Use Only	Including Non-Pleasure Use*
A. LIABILITY		
All	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$14 for BI and \$1 for PD.	Rate the vehicle as a Private Passenger Vehicle; plus \$17 for BI and \$1 for PD.
B. ACCIDENT BENEFITS		
All	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit - no charge	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$54.
C. DIRECT COMPENSATION - PROPERTY DAMAGE		
Refer to next page for premiums		
D. UNINSURED AUTOMOBILE		
All	Rate as a Private Passenger Vehicle with no extra charge.	

* In the event of commercial use that includes carrying passengers, refer to the Servicing Carrier with complete details of risk.

Effective: February 1, 2020

TRAILERS, MOTOR HOMES and CAMPER UNITS

**SCHEDULE OF RATES
PHYSICAL DAMAGE**

Motor Home DCPD, Collision													
Rate the vehicle as a Private Passenger Vehicle, using the Rate Group in the Private Passenger Estimated Value Rate Group Table.													
Camper Units:													
1. The premiums are additional to the premiums applicable to the vehicle on which the Camper Unit is mounted.													
2. These premiums apply whatever the deductible; the deductible should be the same as that for the vehicle on which the Camper Unit is mounted.													
3. The List Price New (see Definition) applies to the Camper Unit fully equipped - but does not include the value of the vehicle on which the Unit is mounted.													
*DCPD premium applies when there is a charge for liability.

See Note 2 below													
See Note 3 below													

Note 1. Add 1 Rate Group for each additional \$5,000 or part thereof.

Note 2. Above \$30,000, for each additional \$1,000 or part thereof, increase the rate group by 1 and apply the factor shown below for the resulting rate group to the ABP (Adjusted Base Premium). Round to the \$ amount.

Example : For a List Price New of \$32,000, Trailers DCPD premium is 11.85 times 23.24 (RG 32) = 275.39, and rounded to \$ is 275.

Rate group 25 or higher for Collision, Comprehensive and Specified Perils - minimum deductibles apply - see Rule 401.

Apply the appropriate deductible factor to the Base Deductible premium.

Note 3. Above \$30,000, for each additional \$1,000 or part thereof, increase the rate group by 1 and apply the factor shown below for the resulting rate group to the ABP (Adjusted Base Premium). Round to the \$ amount.

Example : For a List Price New of \$35,000, Camper Units Coll. premium is 14.26 times 25.48 (RG 35) = 363.34, and rounded to \$ is 363.

Rate Group / Factor	31	32	33	34	35	36	37	38	39	40	For Each Additional RG over 40, increase the
DCPD	22.50	23.24	23.98	24.72	25.48	26.22	26.96	27.70	28.44	29.18	+0.74
Collision	22.50	23.24	23.98	24.72	25.48	26.22	26.96	27.70	28.44	29.18	+0.74
Comprehensive	15.50	16.00	16.50	17.00	17.50	18.00	18.50	19.00	19.50	20.00	+.50
Specified Perils	15.50	16.00	16.50	17.00	17.50	18.00	18.50	19.00	19.50	20.00	+.50

OTHER DEDUCTIBLES: Determine the Base Deductible premium for required Rate Group (rounded to nearest \$), then multiply by applicable deductible factor.

Deductible Amount	500	750	1000	1250	1500	2000	2250	2500+
Collision Factor (Base \$500)	1.000	0.919	0.872	0.837	0.814	0.791	0.785	0.779
Comp. & S. P. Factor (Base \$500)	1.000	0.979	0.958	0.948	0.938	0.922	0.917	0.911

Note: For each step from the Base Deductible there is a minimum difference of \$1.

Other deductibles NOT applicable to Camper Units

ANTIQUE VEHICLES - PHYSICAL DAMAGE

BI, PD, Acc. Ben. Unins'd Auto 60% of Private Passenger rate.	Physical Damage : Rates per \$1,000 of the appraised value of the vehicle: DCPD - \$5.74; Collision \$500 ded - 6.30; Comprehensive \$500 ded.- 10.85; Specified Perils \$500 ded. - 7.22

Rule 600: Garage Policy

A. Overview

The Garage Automobile Policy (POL 4) may be issued only for the Garage Risks identified in Rule 601: Definitions. It is understood that pickup and delivery of customer vehicles may be supplementary to the Insured's described business of selling, repairing, servicing or parking vehicles.

B. Underwriting Rules

Facility Association's rules for declining to issue, terminating or refusing to renew a POL 4 (Garage Automobile Policy) contract:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Facility Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The Applicant does not have an insurable interest in the garage business or the dealer's inventory of owned vehicles.
3. The business is registered and located in a jurisdiction other than New Brunswick. (If the business is registered and located in another jurisdiction in which Facility Association operates, the business may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)
4. Dealer plates are not New Brunswick issued or are never used in New Brunswick,.
5. The application is incomplete, has not been signed by the Applicant or has not been bound and signed by the Agent/Broker.
6. The Applicant/Agent/Broker does not provide sufficient current valid information e.g. Garage Rating / Underwriting Supplement to properly rate the risk.
7. Owned automobiles are not in the possession of the Applicant i.e. cannot be located. (This restriction is not intended to be used as a denial of a valid theft claim.)
8. Owned automobiles are branded 'nonrepairable'.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

Facility Association's rules for refusing to provide or continue a coverage on a POL 4 (Garage Automobile Policy) contract:

1. Owned automobiles are branded as 'salvage' or are in pieces.
2. Within the preceding thirty six months, the Applicant, owner or proprietor:
 - a) knowingly misrepresented or failed to disclose in an application any fact to be stated therein resulting in a policy being cancelled by registered letter for material misrepresentation or a claim being denied for material misrepresentation.
 - or**
 - b) wilfully made a false statement in respect of a claim.
 - or**
 - c) contravened a term of an insurance contract or been convicted of fraud in relation thereto.
 - or**
 - d) when making a previous application for automobile insurance, gave false particulars of a risk to be insured to the prejudice of the Insurer.

NOTE:

Where rating from a specific section of the Facility Association Rules and Rates Manual (e.g. Private Passenger Section) applies, the rules pertaining to the rating also apply.

Rule 601: Definitions

A. Auction- Stat. Class 86

This risk is engaged in the business of auctioning or selling customer vehicles (non-owned vehicles). END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles used in the course of the Insured's business must be insured on POL 1 (Owner's Policy) at full manual rates.

A risk that is engaged in the business of auctioning owned vehicles must be insured as an automobile dealer. Where the Insured is engaged in the business of auctioning both owned and customer vehicles (non-owned vehicles), the risk must be rated as an automobile dealer.

B. Auto Hauler

A vehicle designed for the transportation of more than one automobile.

C. Bailiff - Stat. Class 89

This risk is engaged in the business of repossessing vehicles whether or not using a dealer plate.

D. Courtesy Cars

These are vehicles supplied to customers for their use for a period not to exceed 30 days, while their own vehicles are being repaired or while they are awaiting delivery of a newly purchased or leased vehicle, regardless of whether or not the customer is charged a fee for use of the vehicle.

Supplying vehicles to customers for a charge in other than the circumstances outlined above is considered renting or leasing of vehicles and is expressly excluded under POL 4 (Garage Automobile Policy) and requires a separate POL 1 (Owner's Policy).

E. Customer Automobiles

These are vehicles owned by customers in the Insured's care, custody or control. Vehicles on consignment are considered to be customer automobiles.

F. Dealer - Stat. Class 86

This risk is engaged in selling new or used vehicles. Repair or servicing of vehicles is included.

POL 4 (Garage Automobile Policy) is not issued for collections of antique or classic vehicles whether or not publicly displayed.

G. Dealer Plates**Dealer Plates**

They are used by automobile dealers for private use or for sales purposes on motor vehicles owned as part of the dealer's inventory of vehicles for sale.

Note: For charges applicable to the dealer plate, refer to the rule in the Garage Section pertaining to the type of garage risk being insured. This charge is in addition to the premium applicable to the garage risk being insured.

H. Delivery Services - Stat. Class 91

This risk involves an Insured picking up and delivering vehicles using the owner's vehicle plates.

This is not a garage risk and must be insured on non-owned automobile policy - POL 6 or POL2. See Non-Owned Automobile or Drivers Policy section of this manual.

For example:

- a) The Insured's customer moves to a new address. The Insured picks up the customer's vehicle from the old location and delivers it to the new location. This may be done by driving, towing or carrying the vehicle on a trailer to the new location.

This may also be done by driving or towing the vehicle to a location from where it will be shipped by train or transport truck. Upon reaching its destination, the Insured will then deliver the vehicle to the customer.

- b) The Insured's customer drives to Florida and flies home. The Insured picks up the customer's vehicle in Florida and drives it back.

- c) The Insured picks up vehicles on behalf of an automobile dealer using that dealer's dealer plate. The Insured is performing a delivery service for the automobile dealer.
- d) The insured picks up a motor home in the U.S. and takes it to a New Brunswick dealer who will sell it. The owner of the motor home leaves the owner's plate on the motor home during this process and the vehicle is driven using the owner's plate.

NOTE: Any vehicle which is not a tow truck (as defined under Tow Truck), must be rated in the Commercial Section of the manual.

I. Demonstrator Models (Demos)

These are considered owned vehicles. See Rule 601.L. There is no additional charge.

J. Detailers – Stat Class 82**1. Cleaning and Reconditioning**

These are risks that complete detailed cleaning and reconditioning (fine painting and upholstery cleaning) of automobiles with no installation of equipment and no body and mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

2. Installations

These are risks operating under contract with an automobile dealer to install equipment options (CD players, navigation equipment) to new automobiles and no body or mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

For both types of operation described above:

Pickup and delivery of customer automobiles using the customer's plates or dealer plates is included.

K. Driveaway Service - Stat. Class 89

The Insured delivers customer vehicles using the Insured's dealer plate. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

For example:

- a) The Insured delivers tractors from New Brunswick to Ontario and uses his/her own dealer plate to do this.
- b) The Insured picks up motor homes in the U.S. and takes them to a dealer in New Brunswick who will sell them. The Insured uses his/her own dealer plate to do this.

L. Owned Automobiles

Vehicles owned by the Insured (the garage) and used for pleasure and/or in connection with the business stated in the application and/or held for sale or demonstration and/or sold but not delivered.

Vehicles leased by or from a garage must be insured using POL 1 written in the name of the lessor with END 5 attached.

M. Parking Lot - Stat. Class 84

This is a risk engaged in the business of operating an open air parking lot which may include parking and moving of customer vehicles by employees, washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

N. Repair Garage - Stat. Class 81

This is a risk engaged in repairing and servicing but not selling vehicles. Any garage performing engine, body or transmission repair along with incidental minor repair is classified as a repair garage. A salvage/junk yard without vehicle sales is classified as a repair garage. END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured on POL 1 (Owner's Policy) at full manual rates.

Use of a dealer plate that is incidental to the operation of a repair garage is included.

O. Service Station - Stat. Class 82

This is a risk engaged in operating a refuelling station and/or service station providing any of these services:

- Selling, servicing and installation of incidental vehicle parts and accessories
- Lubrication
- Washing and detailing (including automatic wash)
- Minor repairs excluding body, engine or transmission
- Auto electric repairs
- Muffler installation and repairs
- Glass installation and repairs
- Sound equipment installation and service (including mobile phone systems)
- Tire installation and repairs

END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

P. Shuttle Bus

A vehicle used to transport garage customers to or from the garage to facilitate the purchase, servicing or repair of the customer vehicle regardless of whether or not the customer is charged a fee for this service. Use of the vehicle to carry passengers for compensation for any other purpose is expressly excluded under POL 4. See Rule 628: Courtesy Cars and Shuttle Buses for rating.

Q. Staff Units

Staff is comprised of all owners, proprietors, active partners, employees and other persons (persons on contract) engaged in the business declared in item 3 of the application regardless of their driver's licence status. Drivers who are unlicensed or have a suspended licence are to be included in the staff count as well as those listed on END 78 (Reduction of Coverage for Named Persons).

When counting staff units:

- a) Each owner, proprietor, active partner, full time employee and full time other person = 1 staff unit
- b) Each part time employee, clerical staff and part time other person = 1/2 staff unit
- c) Total a) and b) and if necessary, round up to the next whole number

For example: 1 proprietor, 1 full time employee, 3 part time employees = 3 1/2 staff units which when rounded up to the next whole number will be 4 staff units.

END 76 must be used on automobile dealer policies to provide coverage for persons other than active partners, proprietors and full time employees, who have been provided with a vehicle for their regular use.

Inactive/Silent Partners

Silent partners are those who do not participate in the management of the business and do not receive remuneration of any kind from the business. They are not counted in staff units.

Example: An incorporated company requires three directors. Applicant and Partner are incorporating a garage business. The lawyer who signs the incorporation papers becomes the third director. The lawyer is an inactive or silent partner.

R. Storage Garage - Stat. Class 85

This risk engaged in the business of operating a storage/parking garage which may include parking and moving of customer vehicles by employees and/or washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

S. Tow Truck

A vehicle designed for towing a vehicle or a tilt deck truck (a flatbed with a winch) designed to carry a single vehicle rather than towing it, is considered a tow truck. If the vehicle is designed to carry more than 1 vehicle, it must be insured on POL 1 for Automobile Hauling.

If a tilt deck truck is towing another vehicle by means of a towbar or similar equipment, the 'Cargo Other' trailer charge (found in the Commercial Section of this manual) applies.

T. Valet Parking - Stat. Class 85

This risk is engaged in the business of taking away, parking and returning of customer vehicles at (for example) social or special events. This does not include risks that are operating as Storage Garage or Parking Lot. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

U. Vehicles

These include private passenger, commercial type vehicles including buses and recreational type vehicles.

Rule 602: New Policies

A. Application Types

1. Faxed Applications

Fully completed and signed current approved Standard Garage Application Forms submitted by fax are acceptable in lieu of original applications. These applications must be accompanied by the required Garage Rating/Underwriting Supplement. Where an original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

2. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Garage Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

B. Completing the Application

When underwriting a garage policy, the following is required:

- a) A fully completed and signed current approved Standard Garage Application Form showing the date and time coverage was bound along with a completed Binder Control Register signed by the insured. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form; therefore, coverage may not be bound as of 12:01 a.m. on the date the application is signed. If there is any other insurance in force in respect of the risk, binding shall not be made effective before the expiry of that other insurance.
- b) A fully completed and signed Facility Association Garage Rating / Underwriting Supplement attached to the Garage Application Form.
- c) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- d) The Servicing Carrier will normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period.
- e) The employee's/driver's authorization to enable the Servicing Carrier to obtain a driver record abstract where such authorization is required by law.
- f) The Agent/Broker shall collect or assume responsibility for the full indicated premium.

Or

Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

g) A copy of the valid registration for all owned plated vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage. Where a copy of the registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicle meeting the registration requirement.

C. Item 1 of the Application

The name appearing on the policy must be that of a legal entity i.e. an adult individual, limited company or partnership. The name of the business registered with the appropriate municipal, provincial or federal authority must be used.

If the Insured operates a location with both building and open lot exposure, each must be shown on a separate line of the application as a separate location.

D. Item 3 of the Application

Specify the principal business e.g. Automobile Dealer. Should the risk have other business in respect of which automobile insurance is to be provided, then it must be listed. Any business/operation not listed is not covered.

E. Applicant's Signature

The Applicant's signature shall be provided on the manual application form or the computerized application at the time of binding whenever possible. If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier. If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

Rule 603: Policy Term

Garage policies may only be issued for a term of one year. No six month policies are available.

Rule 604: Coverage Available

Unless otherwise stated, garage risks are written on POL 4 (Garage Automobile Policy) which provides Liability, Accident Benefits, UA and DCPD while owned, customer and non-owned vehicles are being operated.

Coverage for owned vehicles is only provided to Automobile Dealers. Owned vehicles may also be covered for Collision, Comprehensive, Specified Perils and Specified Perils without Theft.

For risks other than Automobile Dealers, END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured by means of POL 1 (Owner’s Policy).

Legal Liability coverage for Collision and Specified Perils coverage to customer vehicles may also be provided.

If the Insured operates a location with both building and open lot exposure, each must be shown on the application.

Open Lot Theft - Owned Automobiles (END 74), Customer Automobiles (END 75) and (END 77) are not available on policies written through Facility Association).

A. Liability limit

(Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction.)

Not more than \$2,000,000 except:

- When required by federal or provincial statute by regulation issued under authority thereof or by municipal by-laws (but not by other local authorities). If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.
- Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

B. Accident Benefits

As prescribed by statute

C. Uninsured Automobile (UA)

As provided in POL 4

D. Direct Compensation Property Damage (DCPD)

As provided in POL 4

E. Optional Physical Damage - Owned and Non-Owned Vehicles

All Perils coverage is not available on POL 4 (Garage Policy).

Physical damage coverage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.

1. Owned Vehicles

Coverage may only be provided where owned vehicles are not excluded e.g. END 71 (Excluding Owned Automobiles) has not been attached.

a) Collision - Owned Automobiles

Coverage is available for Automobile Dealers only. Coverage may be restricted to operation by a named person (END 70) or specific vehicles (END 80). For all other garage risks END 71 must be attached to the policy and coverage for owned vehicles must be provided by a separate POL 1 (Owner’s Policy).

If all owned vehicles including those held for sale are to be insured for Collision, the deductible will be a minimum of \$1,000. Where END 70 (Named Chauffeur) or END 80 (Specified Owned Automobile Physical Damage Coverage) is being used, the deductibles are determined on a per vehicle basis in accordance with the section of the manual under which the vehicle is rated. Therefore, when using END 70 and 80, the minimum deductible under the Garage section does not apply.

b) Comprehensive / Specified Perils/Specified Perils Excluding Theft provides coverage for:

- i) Automobiles at locations specified in Item 1 of the application

This coverage is to be written on an 80% co-insurance basis. Policies are not written on a monthly average basis. The required limit must be in line with the values shown in item 3 of the Garage Supplement - Vehicles Held for Sale. **Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.**

One possible method of calculating the required limit is the maximum number of vehicles times the average value.

The deductible per occurrence will be determined as follows based on the ‘Maximum Number’ of ‘Vehicles Held for Sale’ in item 3 of the Garage Rating/Underwriting Supplement.

<u>Number of Vehicles</u>	<u>Deductible</u>
1 - 5 VEHICLES	1,000
6 - 10 VEHICLES	2,500
OVER 10 VEHICLES	5,000

Rating - Refer to Rule 624: Automobile Dealers

- ii) Automobiles at newly acquired locations not in excess of the amount of the lowest limit of any stated location. The Servicing Carrier must be notified of new locations. Only locations in New Brunswick may be insured under this policy.
- iii) Not more than four automobiles at any location not used by the Insured in the business specified in item 3 of the application.
- iv) Automobiles specified in END 80

2. Legal Liability for Damage to Customer Automobiles

Limits in excess of \$5,000,000 must be referred to Facility Association Central Office.

a) Collision

The required limit is the value of the most expensive vehicle for which the Insured will be responsible. The deductible for any one occurrence is 5% of the required limit rounded to the nearest \$250 subject to a minimum \$500 deductible.

b) Specified Perils

The application must specify the maximum number of customer automobiles at each location and a limit of liability. The minimum required limit for each location must be the total value of all customer vehicles at that location.

Each location is subject to a 100% co-insurance clause based upon the number of vehicles at each location at the time of loss to the maximum number of customer vehicles stated in the application for that location. **Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.**

One possible method of calculating the required limit is the maximum number of vehicles multiplied by the value of the most expensive vehicle. The Applicant has 5 vehicles; 4 are valued at \$10,000 and 1 is valued at \$16,000. The required limit would therefore be \$80,000.

Rule 605: Minimum Deductibles

a) Owned Automobiles

Collision: \$1,000.
 Comprehensive/Specified Perils/Specified Perils
 Excluding Theft: \$1,000.

b) Legal Liability For Customer Automobiles

Collision: Deductible for any one occurrence is 5% of the required limit rounded to the nearest \$250, subject to a minimum deductible of \$500.

Specified Perils Excluding Open Lot Theft: No deductible applicable.

c) Individually Rated Vehicles

These vehicles are subject to the minimum deductible requirements outlined in the section of manual in which they are being rated.

d) Risks with Claims

Where garage operations have incurred claims, optional physical damage insurance shall be provided at the higher of the deductibles referred to above or the following minimum deductible amounts:

Number of automobile insurance claims under each coverage			Deductible amount applicable to the coverage under which the claims were made
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$5,000
-	3	-	\$2,500
-	4	-	\$5,000
-	5 or more	-	5% of LPN (minimum deductible \$5000)
		3 or more	No coverage offered

Rule 606: Garage Endorsements

Changes to standard approved forms are not permitted.

Refer to Rule 637: Standard Endorsement Forms Applicable to POL 4 (Garage Policy) for more information. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsement forms require one or more signatures. Where the required signatures are not obtained, the policy may be cancelled in accordance with the Statutory Conditions or issued without the endorsement and rerated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy term, once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

The following endorsements are not available on policies written through Facility Association:

END 74 Open Lot Theft – Owned Automobiles

END 75 and END 77 Open Lot Theft – Customers Automobiles

Rule 607: Territory and Outside New Brunswick Exposure

Policies may only be issued for those locations in a jurisdiction in which FA operates.

If vehicles are operated regularly i.e. more than 12 trips per year to or through more than one rating territory in New Brunswick, the highest rated of those territories is to be used

Outside New Brunswick Exposure Surcharge

Any vehicle insured under the POL 4 (Garage Policy) and operated in the U.S. or another Canadian jurisdiction (excluding Nova Scotia, Prince Edward Island or Newfoundland and Labrador) is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required.

NOTE: Where vehicles/dealer plates associated with the garage risk are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

The surcharge does not apply where the exposure involves a vehicle used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that vehicles/dealer plates outside New Brunswick and the jurisdiction(s) into which the vehicle is and will be driven.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to the Basic Garage Premium for Liability, DCPD, Accident Benefits, Uninsured Automobile and END 81.

Basic Garage Premium -Liability, DCPD, Accident Benefits, Uninsured Automobile, END 81

For each percentage point of total mileage in the U.S. or other applicable jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	10%
25%	25%
50%	50%

Basic Garage Premium – Optional Physical Damage

For each percentage point of total mileage in the U.S. or other applicable jurisdiction, surcharge .50 % of the applicable premium

For example:

Outside New Brunswick Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

At the Servicing Carrier’s discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

Rule 608: Proof of Insurance Where Notice of Cancellation or Deletion is Required

A. General Information

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier’s standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles and/or Described Location basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
 - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
 - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.

2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out-of-Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of insurance must only be issued on a 'Described Automobile' and/or 'Described Location' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles or garage locations), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed, and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The currency differential surcharge is:

- Applied only to the Liability premium (not DCPD)
- Not subject to a minimum surcharge.
- Additional to but not compounded on the Outside New Brunswick exposure surcharge (See Rule 607: Territory and Outside New Brunswick Exposure).

- Additional to the Servicing Carrier's fee for filing proof of insurance.
- Payable only when proof of insurance is required by U.S. authorities.
- Subject to a minimum of \$50 per policy term for the combined dollar value of the currency differential surcharge and the Outside New Brunswick exposure surcharge.

Sample Calculation:

Rate of exchange for U.S. dollar is 1.3085 Canadian

Therefore the Currency Differential is 0.31
 Outside N.B. Exposure Surcharge is 25% (.25 factor)
 Currency Differential Surcharge is 0.31 X .25 = .0775

Liability premium	\$1,000
Outside N.B. Exposure Surcharge	.25
Currency Differential Surcharge	.0775
Base premium	\$1,000
Outside N.B. Exposure \$1,000 X .25	\$250
Currency Differential \$1,000 X .0775 = 77.50	\$78
Total Liability premium	\$1,328

C. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise, the Agent/Broker/Insured shall be responsible for time on risk charges.

D. Policy Cancellation

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the

Insured. However, as a result of the authority's requirements, the effective date of cancellation may be different.

2. Insured's Request

Where proof of insurance has been issued or filed, and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation shall be the same for both the Insured and the authority concerned.

3. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit. Where filings are required in multiple jurisdictions, the filing should be made showing only the limits required in that

jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

4. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis. Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Rule 609: Excluded Uses, Automobiles and Drivers

A. Excluded Uses

- Renting or leasing to others (either short term rental or long term leasing)
- Carriage of passengers or goods for compensation
- Others as described in the POL 4 (Garage Automobile Policy) wording

B. Excluded Automobiles

- Vehicles owned in connection with, or used for the purpose of any business not described in item 3 of the application
- Vehicles owned by the Insured which are designed for racing purposes
- Vehicles provided for the regular use of persons other than active partners and full time employees. On automobile dealer policies, coverage may be extended to these vehicles from the inventory of vehicles held for sale (not regular plated) by adding END 76 (Additional Insured), which provides insurance for vehicles that are supplied for the regular or frequent use of specified persons who are not active partners or full time employees.
- Vehicles designed for bulk transportation of petroleum products or other materials while being used for such purposes.
- Vehicles designed for the transportation of other vehicles, but tow trucks shall not be deemed to be designed for such purposes.

Excluded Drivers

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 78 is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver on the garage policy

- a) An application for insurance shall be declined by the Agent/Broker.
- b) If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter.

- c) The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
- d) If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

B. If there is another licensed driver on the garage policy

(It is assumed that the person concerned will not drive without a valid licence.)

- a) The Servicing Carrier shall issue END 78 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and excluding optional physical damage where provided, for that person.
- b) If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 78 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.

b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 78

If END 78 is not signed, END 78 shall be deleted and the policy shall be re-rated as though there was no END 78.

E. Completion of END 78

END 78 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word “Insured” in the Insured/Not Insured column. The word “Insured” must be shown against Section B and Section D in the Insured/Not Insured column.

Rule 610: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

Losses involving collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 611: Renewals

A. Renewal processing

If the renewal involves a vehicle for which proof of insurance has been filed or is required, refer to Rule 608: Proof of Insurance.

Prior to the expiry date of the policy, the Servicing Carrier shall ask the Agent/Broker to have a new Garage Rating / Underwriting Supplement completed and signed to update the information on record for the upcoming renewal term. Such a request shall be made well in advance of the expiry date because of the need to issue the renewal policy before the insurance expires.

NOTE:

- i) Renewals shall only be offered for annual terms.
- ii) Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

A driver record abstract must be obtained for those risks where rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

The renewal shall not be issued unless and until the properly completed and signed Garage Rating / Underwriting Supplement has been returned.

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date. Before releasing any renewal documents, the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

B. Direct Bill Renewals

Servicing Carrier Responsibilities

1. For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
2. The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
3. If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
4. If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy will be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.
5. The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

C. Renewal Not Accepted

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise, the Agent/Broker/Insured shall be responsible for time on risk charges.

If the renewal is not accepted by the Insured, the Agent/Broker must promptly return all the renewal documents (including liability cards) to the Servicing Carrier. A written request from the Insured acceptable to the Servicing Carrier for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier received instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

Rule 612: Midterm Changes

Changes to drivers, vehicles, dealer plates, locations etc. must be reported in writing (showing the effective date and time) to the Servicing Carrier at the time of the change and the appropriate policy changes will be issued.

1. Optional Physical Damage

Once chosen, physical damage limits for owned and customer vehicles may not be reduced during the policy term.

For example:

The Insured chooses a limit of \$65,000 for Legal Liability on Customer Vehicles. A month later the limit is increased to \$85,000 and the Servicing Carrier processes the policy change. The next month, the Insured wants to reduce the limit back down to \$65,000. The Insured must wait until renewal date to have the limit reduced.

2. Binding Coverage – Policy Changes

Before binding coverage, the Agent/Broker must collect or assume responsibility for any indicated additional premium. For policies requiring Proof of Insurance, refer to Rule 608.

- a) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- b) Faxed or mailed policy change requests are acceptable.
- c) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- d) The Servicing Carrier shall normally issue any required policy change, updated Certificate of Insurance (if required) and permanent liability card

(if required) within 30 days of the effective date of the change.

- e) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

3. Changes Not to be Processed

A change to a policy shall not be processed if the change is substantial e.g. the Insured is covered under a POL 4 (Garage Automobile Policy) and now requires a POL 1 (Owner's Policy) instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

4. Rates to be used

- Rates in effect at the start of the policy period
- Calculated pro rata by using the Day Table

5. Minimum Premiums for Midterm Changes

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- Addition of coverage or location
- Increase of Liability limit
- Increase of limit on owned or customer automobiles

Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

When there are frequent policy changes requested by the Insured, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 613: Rating/Underwriting Supplement

The Garage Rating/Underwriting Supplement is designed to obtain information that is not requested in the garage application. If the additional information provided by the supplement does not fully explain the risk to be written, the problematic points must be discussed with the Agent/Broker/Insured. Some of the information provided by the supplement can be verified when the driver record abstracts, previous insurance history, inspection reports and vehicle plate search reports are obtained.

The signed Garage Rating/Underwriting Supplement must accompany every new garage application. A signed updated supplement must be obtained prior to each renewal.

Rule 614: Reports

A. Driver Record Abstracts

The Servicing Carrier is required to order driver record abstracts (MVRs) on all listed drivers (listed under question 2 a and 2b of the Garage Rating/Underwriting Supplement) at the beginning of each policy term.

Driver record abstracts must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

B. Previous Insurance History

These may take the form of an electronic report or a letter from the previous carrier. This report must be ordered by the Servicing Carrier, on the garage risk itself and on the principal operator of every owned vehicle for which a separate premium is being charged. In lieu of an electronic report or letter, a phone call to the prior insurance company to confirm insurance history is acceptable. The Servicing Carrier's file must be clearly documented with details of the phone call.

C. Inspection Reports

An underwriting report (Sentinel, Equifax, IAO etc.) must be ordered by the Servicing Carrier on every new garage risk. If the information in the underwriting report is not consistent with the information in the Garage Rating/Underwriting Supplement or the garage application, the Agent/Broker, Insured and underwriting report company must be queried to resolve the inconsistency. In the event that the inconsistency cannot be resolved the matter must be referred to Facility Association Central Office.

D. Vehicle Plate Search Report

In some jurisdictions it is possible to order a report which provides a list of all vehicle plates belonging to an individual or business. In addition, the list may include vehicles leased by the Insured to other and vehicles leased to the Insured. Where the report indicates that plates are lost, stolen or returned or the

Insured can provide proof of such a situation, no charge will be made for those plates. The circumstances must be clearly documented in the Servicing Carrier's file. Where available this report must be ordered by the Servicing Carrier on every new garage risk and at each renewal.

NOTE:

Where it is possible to order both an inspection report and a vehicle plate search report, the vehicle plate search report must be ordered. It is not necessary to order both. In those circumstances where both reports are necessary to properly assess the risk, both reports may be ordered.

If the information received in the Inspection Report or Vehicle Plate Search Report is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting policy change.

Rule 615: Premiums

A. Minimum Policy Premium and Minimum Retained Premium

The minimum premium for a policy term is \$250, subject to the minimum retained premium of \$250 in the event of cancellation midterm.

B. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar (\$46.56 shall be rounded up to \$47.00 and \$46.44 shall be rounded down to \$46.00).

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 shall be rounded up to \$46.00).

C. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual. Where there is any doubt on the matter the Servicing Carrier will be pleased to assist, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

D. Rating Example

Insurance is required for the operator of a garage (automobile dealer), the spouse who is a part time bookkeeper and two children who are not involved in the business (son with 4 speeding convictions and a daughter with a clear record both licenced less than 9 years). There is one owned vehicle not held for sale and one dealer plate.

Since the spouse is only a part time employee and the son and daughter are not involved in the business, END 76 naming the spouse, son and daughter must be attached.

The owned vehicle is individually rated at Class 03 with the spouse as principal operator (more than 2 occasional drivers licenced less than 9 years) plus the Class 05 premium including the appropriate conviction surcharge.

The garage owner will be charged one dealer plate rate. An excess dealer plate rate will be charged for the dealer plate. Under the POL 4 (Garage Automobile Policy), there are 1 ½ staff units so 2 staff unit rates are charged.

The garage premium is the staff unit rate plus the rate for the owned automobile, the dealer plate rate for the owner and the excess dealer plate rate to cover the dealer plate..

For statistical purposes, the total policy premium is reported as Class 86. The garage commission rate is applicable to all premiums. The premium field on END 76 (Additional Insured) will show 'included'. The endorsement field on the declaration page will show 'included'.

Rule 616: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests a midterm cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

New Brunswick 1 October 2019

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Received by Servicing Carrier after 30 days and business sold

In the event that the business has been sold, and a copy of the bill of sale, satisfactory to the Servicing Carrier, is produced, the policy shall be cancelled the day after the business is sold regardless of what that date might be.

4. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 or 4 exist.

5. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

6. Where Proof of Insurance Has Been Filed

Where proof of insurance has been filed, refer to Rule 608: Proof of Insurance.

Rule 617: Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

Cancellation of risks being placed in the voluntary market, are calculated on a pro rata basis using the Day Table subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and any applicable tax) and request that a notice of cancellation be issued to the Insured,
- Or**
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation. When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Once the renewal is issued

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 617: Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. (A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.)

5. Flat Cancellation Exceptions

- 1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
- 2) If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and
 - b) the cheque was immediately deposited; and
 - c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
 - d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

6. Cancellation initiated by the Servicing Carrier

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

7. Refund Calculation

a) Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles) is being placed in the voluntary market.

b) Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 618: Time on Risk Tables

A. Pro Rata

Calculation for Policy Changes & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.

Policy expiry date	1999.233
Policy change date	1998.888
Refund/change factor	.345
4. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
5. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. (Pro Rata) Day Table

January			February			March			April			May			June		
Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year

C. Short Term Tables

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date.

Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1			
ANNUAL POLICIES			
Days in force	% of Premium	Days in force	% of Premium

Rule 619: Reinstatements

1. A policy may only be reinstated if:

- A. The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated.

If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

- B. The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

2. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

Rule 620: Commission

Garage Policy	Class 80-89	10%
---------------	-------------	-----

Rule 621: Rating

Basic Garage Premium by Coverage

There is a basic garage premium based on staff units which is charged for every garage risk to cover the exposure of the garage operation. If END 71 (Excluding Owned Automobiles) is not attached to the policy, an individual premium is charged for each regularly plated (non-dealer plate) vehicle and each dealer plate. Refer to Rule 622: Additional Charges to the Basic Garage Premium.

A. Liability and DCPD

Determine class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units and limit of Liability.

- Multiply the number of staff units by the appropriate staff unit rate.
- Multiply the result by the increased limit factor if limits in excess of \$200,000 are required.
- Add any applicable accident and conviction surcharge.

B. Accident Benefits and Uninsured Automobile

- Determine class (Automobile Dealer, Service Station, Repair Garage etc.) number of staff units.
- Multiply the number of staff units by the appropriate staff unit rate.

C. Owned Automobiles - Collision

Automobile Dealers only

For owned automobiles held for sale with no plates, the premium is calculated on the rate multiplied by the number of staff units as follows :

- Determine number of staff units and deductible
- Multiply the number of staff units by the appropriate staff unit rate
- Multiply the result by the deductible factor
- Add any applicable accident and conviction surcharge

D. Owned Automobiles - Comprehensive/Specified Perils/Specified Perils Excluding Theft

Automobile Dealers only

For owned automobiles held for sale with no plates

- Multiply the total limit per location by the rate per \$1000 for the coverage (Comprehensive, Specified Perils or Specified Perils excluding Theft).
- Multiply the result by the deductible factor.

E. Legal Liability for Customer's Automobiles - Collision

- Determine class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units, required limit and deductible
- Multiply number of staff units by the staff unit rate
- Multiply the result by the Other Limit Per Automobile factor if a limit of other than \$10,000 per vehicle is required
- Multiply the result by the deductible factor
- Add any applicable accident and conviction surcharge

F. Legal Liability for Customer Automobiles - Specified Perils Excluding Open Lot Pilferage

Multiply the required limit for each location by the rate per \$1,000.

Rule 622: Additional Charges to the Basic Garage Premium

A. Owned Vehicles

For automobile dealers only, each regularly plated vehicle not held for sale will be charged a premium for all coverage according to the appropriate section of the manual (Private Passenger, Commercial or Recreational).

B. Dealer Plates

The premium associated with dealer plates used by garages classed as Automobile Dealers while picking up, delivering, repairing, road testing or combinations of these uses with new or used vehicles held for sale is determined as outlined under Rule 624: Automobile Dealers

C. END 76 (Additional Insured)

For Automobile Dealer Policies, a premium is charged for each operator insured by END 76 (Additional Insured) who is not rated principal operator on a dealer plate or regularly plated vehicle. See Rule 624: Automobile Dealer.

D. Accidents

Additional charges for accidents shall be assessed based on the following pertaining to accidents:

1. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,

Or

2. A loss remains unsettled or unpaid,

Or

3. A civil suit is pending **in respect of** Liability, Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.

2. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.

2. Damage to the applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words "loss(es)" and "claim(s)" where used in this manual are considered to have the same meaning as the word "accident." The words "at fault" and "chargeable" where used in this manual are considered to have the same meaning.

3. Accident Surcharge

All at fault accidents arising out of the use of vehicles in the business stated in item 3 of the application and all at fault accidents arising out of the use of any vehicle by a person listed as a driver are to be counted.

At fault accidents of a listed driver will first be counted against the individually rated vehicles (includes service/parts trucks, tow trucks, END 70, 76 and 80, dealer plates) to which they have been assigned in accordance with the section of the manual in which they are rated.

If accidents cannot be counted in this manner because the driver has not been assigned an individually rated vehicle, then the accidents will be counted against the Basic Garage Premium.

Accidents for which a charge has been made on another policy written through Facility Association with the same Servicing Carrier are not included when determining the surcharge amount for the Basic Garage Premium.

The surcharge for at fault accidents applied to Liability, DCPD, Owned Automobiles Collision and Legal Liability for Customers' Automobiles is 10% for each at fault accident up to and including 5. For each additional accident above 5, the surcharge is 20%. Accidents will only be considered if they occurred in the 36 months preceding the commencement date of the policy term.

Accidents occurring after the original inception date of the policy involving customer vehicles and non-owned vehicles are to be counted against the Basic Garage Premium on renewal. All other at fault accidents are to be charged against the owned vehicle or plate on which the accident occurred.

Accidents occurring after the original inception date of the policy involving a driver who has signed a valid END 78 will be considered a chargeable accident.

E. Convictions

Additional charges for convictions shall be assessed based on the following pertaining to convictions.

Conviction surcharges shall be assessed for traffic offences for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to an excluded driver shall be taken into consideration. The endorsement END 78 (Reduction of Coverage in Respect of Named Persons) must be signed by the Insured.

Surcharging the Basic Garage Premium

The conviction surcharge for the Basic Garage Premium will be determined by reviewing the conviction records of all persons who are regular and frequent drivers but are not principal drivers of individually rated vehicles.

Establish which of the conviction records produces the highest charge percentage in accordance with the conviction surcharge schedule (Refer to Rule 623: Conviction Definitions and Surcharge Tables.) That record is used to determine the conviction surcharge percentage.

Once determined, this surcharge is applied to Liability, DCPD, Owned Automobiles Collision and Legal Liability for Customers' Automobiles. This surcharge should apply to one staff unit only.

For example:

A valet parking risk that employs a driver with many convictions increases the risk's exposure while that person is driving customer vehicles. Although that person may be surcharged for those convictions under his/her own policy insured elsewhere, there is an additional risk on the garage policy through Facility Association when that person is driving customer vehicles.

Surcharging Drivers with their own Individual Rating

If the garage risk is an automobile dealer, the conviction record of the principal drivers and Class 05 drivers will be considered in calculating the premium for individually rated vehicles (include service/parts trucks, tow trucks, END 70, 76 and 80, dealer plates).

Convictions and accidents will be used only once in the determination of premium for vehicles/garages insured through Facility Association with the same Servicing Carrier.

Rule 623: Conviction Definitions and Surcharge Tables

Maximum surcharge to be applied for Accidents and Convictions is 250%.

A. Conviction Surcharge Table

Events in the preceding 36 months	Percentage
Serious Convictions	
1	100%
Each additional	100%
Major Convictions	
1	15%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%

B. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Failure to stop on request of or obey directions of a police officer
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Stunting

Graduated Licence (where applicable):

- Permit novice driver in contravention of cond/rest
- Accompanying driver has excess blood alcohol
- Driver unaccompanied by a qualified driver
- Drive with front seat passenger
- Drive with excess passengers
- Drive on prohibited highway
- Drive at unlawful hour
- Drive motorcycle with passenger
- Drive motorcycle on prohibited highway

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences added to an Act governing highway traffic, may be considered minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving imprudently
- Driving off roadway (including shoulder/ side walk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type
- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a Driver Record abstract identified as a Criminal Code conviction.

- Driver under age 21 with more than zero percent blood/alcohol
- Exceeding the speed limit by 50kph or more
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Driving without due care and attention
- Driving without insurance
- Dangerous driving
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 624: Automobile Dealers

In addition to the premium developed from the staff unit rate (Basic Garage Premium), premiums are also chargeable for each regularly plated vehicle not held for sale and dealer plate registered to the Insured.

If the Applicant owns any antique or classic vehicle or a vehicle that is being reconstructed or restored, that vehicle must be insured on a POL 1 (Owner's Policy).

A. END 76 (Additional Insured)

This endorsement is available on automobile dealer policies to extend coverage to the persons named on the endorsement who have been provided with a vehicle from the inventory of vehicles held for sale for their regular use.

Because only full time employees, active partners, owners and proprietors have coverage under the policy for pleasure and business use other than that stated in item 3 of the application, END 76 must be used to provide coverage for other persons e.g. part time employees or family members of the Insured.

B. Owned Automobiles

Add the following premiums to the Basic Garage Premium.

(Owned vehicles not held for sale are listed under 3.a on the Garage Supplement)

- a. For each owned vehicle not held for sale used by an owner or partner for non garage purposes
- b. For each owned vehicle not held for sale provided regularly or frequently to a full time employee
- c. For each owned vehicle not held for sale provided to another person (insured by means of END 76)
- d. For each vehicle used in connection with the business stated in item 3, including
 - Parts & Service Trucks. (see Rule 626)
 - Snowplowing (see Rule 627)
 - Courtesy Cars. (see Rule 628)
 - Tow Trucks (see Rule 629)

Charge a premium for all coverage according to the appropriate section (private passenger, commercial, recreational) of the manual. All rules pertaining to that section of the manual including all additional charges and discounts will apply except commission.

For each owner or full time employee who is not being rated as principal operator of an owned vehicle not held for sale or of an owned vehicle insured elsewhere, charge a rate equivalent to a dealer plate rate (Rule 624.C)

Where all owners and all full time employees are being rated as principal operator of an owned vehicle not held for sale (a or b above) or of an owned vehicle insured elsewhere and the insured has no dealer plates, charge one excess dealer plate rate as indicated under Rule 624.D to cover the sale of all vehicles.

Operators who are not owners or full time employees must be named under END 76 and a premium charged for each under the rules of the section of the manual that relates to their use of garage vehicles e.g. private passenger, commercial, recreational. All rules pertaining to that section of the manual including all additional charges and discounts will apply except commission. Refer to Rule 624.C. for rate groups to be used.

Notes:

Those drivers that develop the highest premium must be designated as principal operator of a vehicle not held for sale before those that would develop a lower premium.

Where satisfactory evidence is supplied to the Servicing Carrier that an individual vehicle not held for sale is insured elsewhere, no charge will be made under this policy for that vehicle.

Where a full time employee or person named on END 76 has an owned vehicle insured elsewhere and is the principal operator of that vehicle, that person will not be charged as an operator of a vehicle held for sale or premium under END 76

C. Dealer Plate Rate

The dealer plate rate is calculated follows:

- Private passenger vehicles are rated Class 10 to 13 for principal operators licenced less than 9 years or Class

07 if licenced 9 or more years using rate group 12 for DCPD and optional physical damage and the rate group from Table A Rate Groups in the Private Passenger Section for Accident Benefits.

- Commercial type vehicles are rated Class 10 to 13 for principal operators licenced less than 9 years or Class 44 if licenced 9 or more years using rate group 10 for physical damage..
- Recreational Vehicles are rated as licenced 4 or less years in the over 750 cc category for motorcycles. All terrain vehicles are to be rated as heavy. Use rate group 12 for motorcycles and motor homes and rate group 11 for all terrain and snow vehicles.

The driving record of the assigned operator is used as the initial driving record, at 0, 1, 2 or 3 maximum, subject to proof of prior accident free insurance acceptable to the Servicing Carrier.

On subsequent renewals, the driving record may increase by one, each year the driver/vehicle remains accident free to a maximum of Driving Record 3.

Conviction and accident surcharges apply.

D. Excess Dealer Plates

For each dealer plate in excess of the number of operators (who are rated as principal operator of a dealer plate or a regularly plated owned vehicle), for all coverage except Comprehensive or Specified Perils, charge 25% of Class 07 premium driving record 0 or 25% of the non-pleasure recreational premium for the type of vehicle concerned at Driving Record 0 where applicable. The driving record will increase by 1 each year the excess plates remain accident free based on FA experience.

E. Owned Vehicles Insured Elsewhere

Where owned vehicles are insured elsewhere, the name of the Insurer and policy number must be recorded on the garage supplement.

Servicing Carriers will verify this information at new business and renewal. The Premium Computation Statement will include a statement to the effect that the described vehicle(s) or vehicles are insured by that company and policy number stated on the PCS form and should this information change, the Servicing Carrier must be notified. These vehicles will not be charged for under this policy.

For example: “2010 Chevrolet Silverado insured with XYZ Company under Policy #1223. Should this information change, this Insurer must be notified immediately.”

Where a full time employee or person named on END 76 has an owned vehicle insured elsewhere and is the principal operator of that vehicle, that person will not be charged as an operator of a vehicle held for sale or premium under END 76.

F. Automobile Dealer Rating Examples

- 1) There is one owner and spouse who is a part time employee. There are no owned vehicles not held for sale. The spouse must be named on END 76 so the spouse is covered to drive vehicles owned by the garage. In addition to the Basic Garage premium, a private passenger rate will be charged for the spouse. The owner will be charged a dealer plate rate.
- 2) There is one owner and spouse who is a part time employee. The spouse has own vehicle insured elsewhere. The owner is an occasional driver on that policy. The spouse must be named on END 76 so the spouse is covered to drive vehicles owned by the garage. No premium will be charged for the spouse because of the owned vehicle insured elsewhere. In addition to the Basic Garage premium, the owner will be charged a dealer plate rate.
- 3) There is one owner and one full time employee. Neither has an owned vehicle insured elsewhere. In addition to the Basic Garage premium, the owner will be charged a dealer plate rate. The full time employee will be charged a dealer plate rate.
- 4) There is one owner and one full time employee. The full time employee has own vehicle insured elsewhere. In addition to the Basic Garage premium, the owner will be charged a dealer plate rate.
- 5) There is one owner and one full time employee. The full time employee and the owner each have their own vehicle insured elsewhere. In addition to the Basic Garage premium, an excess dealer plate rate will be charged.
- 6) There are 3 owned vehicles not held for sale. There are 6 drivers on the policy. There is one owner, 2 full time employees. Spouse, son and daughter are listed drivers but are not involved in the business (they must be named on END 76). The employees do not own their own vehicles.

In addition to the Basic Garage premium, the spouse will be assigned to one of the vehicles not held for sale and rated as principal operator. The son and daughter will be assigned as occasional operators of that vehicle and a class 05 premium will be charged depending on which occasional driver generates the higher premium.

The owner and one of the full time employees will each be assigned to each of the remaining vehicles not held for sale. Each will be rated as principal operator of that vehicle.

The other full time employee will be charged a dealer plate rate.

G. END 70

This endorsement is used when Owned Automobiles Collision coverage is to be provided when specified persons are personally in control of the vehicles. The premium is calculated on the number of highest rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

H. END 80

If the Insured does not wish to cover the vehicles held for sale for Section C coverage, END 80 may be used to provide physical damage coverage for specific owned vehicles. Calculate the rate for Section C coverage in accordance with the applicable section of the manual (Private Passenger, Recreational etc.).

Rule 625: Repair Garage, Service Station, Parking Lot, Storage Garage

See the definition under Rule 601. Owned Automobiles are not covered and END 71 (Excluding Owned Automobiles) must be attached.

The Basic Garage Premium is calculated at the staff unit rate.

Rule 626: Parts And Service Trucks

The premium for these vehicles is determined by using the Commercial Section of this manual (including any accident and conviction surcharge) The determined premium is then added to the Basic Garage Premium.

Rule 627: Snowplow Operations

Unless declared in item 3 of the application, snowplowing for others performed by the Insured is not covered under the garage policy. However, snowplowing to clear the Insured's own lot is considered incidental to the garage operation and is therefore covered.

Rule 628: Courtesy Cars and Shuttle Buses

These vehicles are to be rated Class 07, Driving Record 0 + 50% for all coverage. Driving Records 1, 2 and 3 are not available.

Where demonstrator models are used as courtesy cars, the above rating also applies to demonstrators.

If the courtesy vehicle is a recreational vehicle, rate in the Recreational Section and use the special non-pleasure factors found in that section plus 50% for all coverage. For motorcycles, use licenced 4 years or less and over 750cc.

Shuttle buses are to be rated as Hotel & Country Club Buses according to the rules in the Public Section of the manual.

Rule 629: Tow Trucks

Tow Trucks Incidental To An Automobile Dealer Operation Use Pol 4 Only

Because END No. 71 is not applied to risks rated as Auto Dealers, coverage for tow trucks is included on the POL. 4.

Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage for each tow truck regardless of the radius of operations within the same province and add the premium to the basic garage premium.

For Legal Liability for Customer Autos for Collision and Specified Perils, calculate the rate as indicated below for each tow truck and include under the basic garage premium.

Tow Trucks Incidental To All Other Garage Operations

These vehicles must be insured on POL 1, as owned autos are excluded.

Legal Liability for Customer Automobiles, must be provided by means of POL 4. It is recommended that both POL 1 and POL 4 be placed with the same Insurer to protect the Insured in the event of a claim dispute and that the Liability limits be the same on both policies.

For each tow truck

POL 1 - Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage regardless of the radius of operations within the same province. The driving record is determined in the Commercial Section of the manual.

POL 4 - Charge the staff unit rate for Liability, Accident Benefits, Uninsured Automobile and DCPD according to the type of garage operation (Repair, Service Station, Storage Garage). If the garage operation is other than a Repair, Service Station or Storage Garage, charge Storage Garage rates or Service Station rates if the Insured does not store vehicles.

For Legal Liability For Collision and/or Specified Perils to Customer Autos calculate the rate as indicated below for each tow truck and include under the basic garage premium.

Tow Trucks Not Incidental to a Garage Operation

For Each Tow Truck

POL 1 - Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage regardless of the radius of operations within the same province. The driving record is determined in the Commercial Section of the manual.

POL 4 or END 27B – To provide Legal Liability for Damage to Customer Autos, END 27B may be added to POL 1 or POL 4 may be issued. For POL 4, charge the Service Station staff unit rate for Liability, Accident Benefits, Uninsured Automobile and DCPD. If using END 27B include this staff unit rate in the premium charged under END 27B.

For Legal Liability For Collision and/or Specified Perils to Customer Autos, calculate the rate as indicated below for each tow truck and include under END 27B or the basic garage premium for POL 4.

Legal Liability for Damage to Customer Automobiles

Legal Liability For Collision To Customer Automobiles will be rated as follows based on the vehicles towed:

- A) **PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)**
- Use Class 02 and the same driving record as the tow truck.
 - Use the estimated rate group value table in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
 - Calculate the Class 02 Collision premium.
 - Charge 50% of that premium.
- B) **Vehicles over 4.5 tonnes or 10,000 LBS GVW**
- Use the same driving record as the tow truck.
 - Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
 - Determine the Commercial Collision premium.
 - The charge will be 50% of that premium for each tow truck.

Legal Liability for Specified Perils on Customer Automobiles will be rated as follows:

Multiply the limit chosen by the rate for Specified Perils on Customer Automobiles.

Rule 630: Driveaways

Please see the definition found under Rule 601. These risks are written on POL 4 with END 71. Use Service Station rates for Liability, Accident Benefits, Uninsured Automobile and DCPD, based on the number of staff units and add each of the applicable following premiums:

For Each Owner and Full Time Employee

The premium for Liability, Accident Benefits, Uninsured Automobile and DCPD, is to be calculated for each plate by using Class 07 rates or Class 10-13 if the principal operator is licenced less than 9 years. The driving record will be 0, 1, 2 or 3 years accident free based on risk qualifications. The driving record is based on FA experience only for all coverage. The rate group and premium for DCPD is calculated as outlined under Legal Liability for Customer Automobiles except substitute the words 'DCPD' premium for 'Collision premium'.

If the Insured tows a vehicle behind the vehicle being delivered in order to make a return trip home, charge 10% of the Liability premium. The towed vehicle must have separate coverage on a POL 1.

If the Insured is delivering more than one vehicle by means of driving one and towing or piggybacking others, then charge an additional premium as follows using Liability, Accident Benefits, UA and DCPD premium:

- a) If only 1 vehicle is being towed or piggybacked, charge 10%
- b) If more than 1 vehicle is being towed or piggybacked, charge 25% for each towed or piggybacked vehicle.

Legal Liability For Collision To Customer Automobiles will be rated as follows based on the vehicles towed:

- A. PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)
 - Use the Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
 - Calculate the Class 07 (Class 10-13 if the principal operator is licenced less than 9 years) Collision premium.
- B. Vehicles over 4.5 tonnes or 10,000 LBS GVW
 - Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles
Multiply the limit chosen by the rate for Specified Perils on Customers Automobiles.

Rule 631: Bailiff

This description includes those persons lawfully repossessing vehicles. If the Insured owns a compound and is storing vehicles there, the limit per occurrence must reflect the total exposure at that location. These risks are written on POL 4 with END 71.

Use Service Station rates for Liability, Accident Benefits, Uninsured Automobile and DCPD based on the number of staff units and add each of the applicable following premiums:

For each owner and full time employee:

The premium for Liability, Accident Benefits, Uninsured Automobile and DCPD is calculated for each owner and full time employee using Class 07 rates or Class 10-13 if the principal operator is licenced less than 9 years..

The driving record will be 0, 1, 2 or 3 depending on the risk's number of verified accident-free years. The driving record is based on FA experience only for all coverage.

The rate group and premium for DCPD is calculated as outlined under Legal Liability for Customer Automobiles except substitute the words 'DCPD' premium for 'Collision premium'.

If the Insured uses a tow truck, see Rule 629: Tow Truck Incidental to All Other Garage Operations. END 27B may not be used to provide Legal Liability for Damage to Customer Automobiles.

Legal Liability for Collision to Customer Automobiles will be rated as follows based on the vehicles towed :

- A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)
 - Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
 - Determine the Class 07 (or 10 – 13 if the principal operator is licenced less than 9 years) Collision premium
- B) Vehicles over 4.5 tonnes or 10,000 LBS GVW
 - Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles
Multiply the limit chosen by the rate for Specified Perils on Customer Automobiles.

Rule 632: Auctions

Please see Rule 601: Definitions. These risks are written on POL 4 with END 71. Use Storage Garage rates for Liability, Accident Benefits, Uninsured Automobile and DCPD based on the number of staff units and add the following premium:

For each owner and full time employee:

The premium for Liability, Accident Benefits, Uninsured Automobile and DCPD, is to be calculated for each plate by using Class 07 rates or Class 10-13 if the principal operator is licenced less than 9 years.

The driving record will be 0, 1, 2 or 3 depending on the risk's number of verified accident-free years. The driving record is based on FA experience only for all coverage.

The rate group and premium for DCPD are calculated as outlined under Legal Liability for Collision to Customer Automobiles except substitute the words 'DCPD premium' for 'Collision premium'.

Legal Liability for Collision to Customer Automobiles

Rating is based on the vehicles to be transported and auctioned.

A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Determine the Class 07 (or 10 – 13 if the principal operator is licenced less than 9 years) Collision premium

B) Vehicles over 4.5 tonnes or 10,000 LBS GVW

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles

Multiply the chosen limit by the rate for Specified Perils on Customer Automobiles.

Rule 633: Raffles

The vehicle must be insured on POL 1 (Owner's Policy). If the organization that is raffling the vehicle does not own the vehicle, that organization should be insured under POL 6 (Non-Owned Automobile Policy).

On POL 1 (Owner's Policy) the vehicle is to be rated Class 07. The driving record will be 0.

If the vehicle is private passenger, the rate group will be determined using the Private Passenger Rating Notes in the Private Passenger Section; if the vehicle is commercial, the rate group will be determined using Commercial Rate Group Table II in the Commercial Section.

Rule 634: Consignment

Vehicles on consignment, not being owned by the Insured, are Customer Automobiles.

Rule 635: Valet Parking

For each employee (full or part time) charge the Storage Garage staff unit rate. Coverage for Open Lot Theft is not available. END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured on POL 1 (Owner's Policy).

Rule 636: Auto Hauler

The vehicle must be insured on POL 1. A cargo policy must be purchased if legal liability for damage to vehicles being carried is required while in transit. The insured may purchase POL 4 with END 71 to cover the exposure for loading and unloading vehicles. Item 3 of the policy declaration must state "loading and unloading vehicles from auto hauler". Use Storage Garage rates for Liability, Accident Benefits, Uninsured Automobile and Legal Liability for Damage to Customers Automobiles based on the number of staff units.

Rule 637: Standard Endorsement Forms Applicable to POL 4 (Garage Policy)

70: Named Chauffeur

This endorsement is used when the Owned Automobiles Collision coverage is to be provided only when specified persons are personally in control of the vehicles.

Instead of applying a rate to staff units, the premium for the coverage is calculated on the number of highest-rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

71: Excluding Owned Automobiles

The use of this endorsement is mandatory on policies issued in respect of risks not rated as Automobile Dealers.

72: Multiple Alteration

This form is used by the Servicing Carrier to record a change of the information supplied on the application form and the change (if any) of the policy premium.

73: Excluding Financed Automobiles

This endorsement is used when it is required to specify that the Owned Automobiles Comprehensive/Specified Perils coverage does not apply to any vehicle which, although held for sale by the Insured, is financed by a named lienholder or mortgagee.

74: Open Lot Pilferage - Owned Automobiles

This endorsement is not available for Facility Association business.

75: Open Lot Pilferage - Customers Automobiles

This endorsement is not available for Facility Association business.

76: Additional Insured

The purpose of this endorsement is to provide insurance in respect of vehicles that are provided for the regular or frequent use of specified persons who are not active partners or full-time employees. Full details of each such vehicle and person must be supplied on an APP 1 (Owner's Policy Application form) and the premium is developed from the applicable Private Passenger, Commercial or Recreational Vehicle rates. The calculated premium becomes the additional premium on the END.76.

77: Comprehensive Damage - Customer Automobiles (including Open Lot Pilferage)

This endorsement is not available for Facility Association business.

78: Reduction of Coverage as Respects Operation by Named Persons

This endorsement is used if the coverages provided by the policy are to be restricted when certain named persons are driving a vehicle.

79: Fire and Theft Deductible

This endorsement is used when the deductible shown for the Owned Automobiles Comprehensive/Specified Perils coverage is to be made applicable also to fire losses or theft of the entire automobile.

80: Specified Owned Automobile Physical Damage Coverage

This endorsement is used when Physical Damage coverage is to be provided only to specified automobile(s).

Full details of each such vehicle and person must be supplied on an APP 1 (Owner's Policy Application form) and the premium is developed from the applicable Private Passenger, Commercial or Recreational Vehicle rates. The calculated premium becomes the premium on the END 80.

81: Family Protection

This endorsement provides limited protection to certain persons in the event of bodily injuries caused by another motorist who has less Third Party Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form.

The limit in respect of any one accident (i.e. all claimants) is normally the difference between the Third Party Liability limit carried by the other motorist and the Third Party Liability limit applicable to the insured vehicle.

The coverage provided by END 81 shall be the same as the Liability limit applicable on the insured vehicle.

82: Liability for Damage to Non-Owned Automobiles and Drive, Rent or Lease Other Automobiles – Named Persons
Provides insurance for specified persons to cover legal liability for loss of or damage to a non-owned vehicle arising from Collision and/or Comprehensive or Specified Perils.

The premium is \$50 per named person per annum. Coverage is offered only to risks with owned vehicles insured on POL 4 (Garage Policy) carrying both Collision and Comprehensive/Specified Perils.

This is a flat fee per policy term and is not prorated when the endorsement is added midterm to a policy or deleted midterm from a policy unless the owned vehicle is deleted or the policy cancelled.

This is a policy level endorsement. The coverage provided is Collision and Comprehensive. The limit provided by the endorsement is \$40,000 subject to a deductible of \$500.

Rule 638: Territories

Rule 700: POL 2 – Driver's Policy Overview

The purpose of the POL 2 (Driver's Policy) is to provide coverage that is excess of any policy specifically insuring the automobile concerned.

Insureds (individuals or companies) wishing to purchase this policy instead of the coverage available through a car rental company should be advised that Facility Association does not offer primary coverage through non-owned policies.

A Driver's Policy indemnifies the insured against legal liability for bodily injury or property damage that arises from the use or operation of any non-owned automobile while the insured is personally in control of the automobile with the owner's consent. Under the Highway Traffic Act, owners of vehicles and drivers of vehicles are liable in the event of an accident.

The Insurance Act provides that, in the event of an accident, the Third Party Liability coverage provided by a Driver's Policy is not primary coverage. It is excess of the coverage provided by any policy specifically insuring the automobile concerned.

This provision cannot be varied and every applicant should be made aware of it when the insurance is arranged.

Rule 701: Filed Underwriting Rules

A. The insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The non-owned exposure is in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Facility Association operates.

For another jurisdiction in which Facility Association operates, the risk may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

4. The driver does not hold a valid operator's licence.
5. The application is incomplete, has not been signed by the applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk. "Sufficient valid information to write the risk" includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. Non-payment of premium for the current policy period (for purposes of termination only).
8. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
 - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
 - or**
 - b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
 - or**
 - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
 - or**
 - d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

Rule 702: Coverages Available

A. Third Party Liability

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial/state statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards).

If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit, the increased limit factors can be found in the relevant section. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

B. Legal Liability Physical Damage

The insurance may be extended by means of END 60 (Legal Liability for Damage to Non-Owned Automobile) to cover the Insured's legal liability for damage to the non-owned automobile arising from Collision and/or Comprehensive/ Specified Perils. See Rule 731: Endorsements Applicable to POL 2 (Driver's Policy).

1. Minimum Deductibles

Refer to the section of the manual pertaining to the type of automobile to be driven e.g. Private Passenger Section.

Refer to the same section for minimum deductibles applicable due to claims.

2. Legal Liability Physical Damage

Policies may not be written for this coverage only.

Rule 703: Rating

1. Liability

This coverage is rated according to the use, driving record, territory, etc., as if the applicant owned the type of automobile driven. This premium is subject to a 50% discount.

2. Accident Benefits and Uninsured Automobile

Where the Insurance Act of the jurisdiction requires that Accident Benefits be provided on a policy that provides Liability coverage, the premium for Accident Benefits shall be determined based on use and territory as if the applicant owned the type of automobile driven. This premium is subject to a 50% discount.

3. END 60 (Legal Liability for Damage to Non-Owned Automobile)

All premiums (Collision, Comprehensive and Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven, as if the Applicant owned the vehicle. The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle(s) is known. There is no discount applicable to the premium calculated.

4. Coding

For the Statistical Plan, the Class (Type of Use) Code to be reported is 98.

All other codes (including coverage codes for END 60 physical damage premiums) are the same as those applicable to POL 1.

Rule 704: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the applicant. If the Servicing Carrier is required to have a driver's permission to obtain a Driver Record Abstract, that written authorization must accompany the application.
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium

or

 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

- 3) The insurance shall take effect as of the time and date the coverage is bound. *Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 am on the date the application is signed.* However, except when the binding time is 12.01 a.m. of a future date, the policy shall be shown as effective at 12.01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
 - b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short-term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 705: New Policies

A. Application Form

Every application for insurance must be made on a current approved Facility Association Application Form and must be fully completed and signed by both the applicant and Agent/Broker where required or as prescribed under Rule 705:D. Computer Generated Application Forms.

B. Application (APP 2)

The Servicing Carrier’s APP 2 must be used. The application must be clearly marked ‘**Facility Association and must be attached to a Facility Association Application (APP 1).**’ The following information must be completed on APP 1 which is to be attached to APP 2:

1. Applicant’s name and postal address
2. Policy period – including the effective date and binding time and date
3. Applicant’s signature
4. Date of applicant’s signature
5. Year, make and model of the vehicle on which the premium is calculated. This is only required where END 60 (Legal Liability for Damage to Non-Owned Automobiles) is purchased.
6. Territory, rate class and driving record on which the premium is calculated
7. Driver’s name, driver’s licence number and details of any losses in the last 5 years

NOTE – The temporary and permanent liability certificates for the Driver’s Policy must not show the year, make and model of the vehicle on which the premium is calculated.

C. Faxed Applications

Fully completed and signed Facility Association Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved standard application form.

A standard temporary liability card may be used.

The computerized application must be signed and dated by the applicant.

E. Applicant’s Signature

The applicant’s signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities.

G. Variation in Coverage

To conform to the Insurance Act, the insured must be advised if the coverage provided by the policy is not as requested in the application.

H. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver Record Abstract must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.
- b) Previous Insurance History obtained on all drivers with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 706: Definitions

A. Automobile

The word "automobile" includes a recreational vehicle and/or a trailer unless otherwise indicated.

B. Non-owned Automobile

An automobile that is not owned in whole or in part by or registered in the name of the applicant.

C. Valid Operator's Licence

1. Definition

A valid Canadian licence to drive the type of vehicle concerned. Where there is graduated licensing, a Level Two licence is a valid operator's licence. A Learner's permit or a Level One licence (where there is graduated licensing) is not regarded as a valid operator's licence.

2. International Driver's Licence

An International Licence is not a valid licence in and of itself. It is a permit to drive in another country if the driver already has a valid licence. It is valid in Canada only for temporary residents e.g. embassy staff, exchange students, tourists.

Permanent residents must apply for a licence in the Canadian jurisdiction in which they reside. Where a driver holds an International Licence, the application must show complete details of the driver's licence upon which it was granted. This would include the country in which the valid licence was issued, drivers licence number, expiry date etc.

D. Types of Licence Suspension

1. Suspension for Cause

A suspension or cancellation of the operator's licence for a period exceeding two weeks resulting from a conviction or from the accumulation of demerit points.

A suspension/cancellation/lapse because a fine was not paid is treated as an administrative suspension/cancellation/lapse even if the fine resulted from a conviction.

2. Administrative Suspension/Cancellation/Lapse

A suspension/cancellation/lapse for a period of one year or more for any reason other than those outlined under Suspension for Cause.

Rule 707: Rating Territory

Rating territories are described in Rule 732: Territories. The rating territory refers to where the vehicle is garaged.

Rule 708: Rating Class

Rating class is determined by the type of vehicle being driven and the use. Refer to the specific section of the manual for rating criteria.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Vehicles Section
Bus	Public Vehicles Section

Rule 709: Driving Record

Driving record is determined by the type of vehicle being driven and the driver’s experience. Refer to the specific section of the manual for driving record requirements.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Vehicles Section
Bus	Public Vehicles Section

Rule 710: Not applicable

Rule 711: Vehicle Rate Group

When END 60 (Legal Liability for Damage to Non-Owned Automobile) is to be added to the policy, the applicable rate group is determined by the type of vehicle. Refer to Rule 731 for rating instructions.

Rule 712: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

Collision with Animals

If END 60- (Legal Liability for Damage to Non-Owned Automobile) is purchased, losses involving Collision with animals, both wild and domestic, may be paid.

Rule 713: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 731: Endorsements Applicable to POL 2: Driver’s Policy provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy re-rated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal

Rule 714: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the “base” premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six-month policies charge 52% of the annual premium.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. e.g. 46.56 will be rounded up to \$47.00 and 46.44 will be rounded down to \$46.00.

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall *always* be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Rule 715: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

Rule 716: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which the non-owned vehicle is registered.

B. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 725: Proof of Insurance. Before binding coverage the

Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested

C. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Rates to be used

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro-rata) by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Rule 717: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required – see Rule 725: Proof of Insurance.

NOTE: Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

A **Driver Record Abstract** must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal (for six month policies every other renewal).

Renewals shall only be offered on policies for annual or six month terms.

B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

C. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

i. Renewal Notice to Agent/Broker

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

ii. Renewal Notice to the Insured

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the insured, the Agent/Broker must promptly return all the renewal documents (**including liability cards**) to the Servicing Carrier. A written request from the insured acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time

on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 718: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests a midterm cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing

policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3 exists.

B. Where Financial Responsibility Certificate Has Been Filed

If an FRC (financial responsibility certificate) has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires – see Rule 725: Proof of Insurance.

C. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company *regardless of the reason* for cancellation. The Agent/Broker’s account shall be debited with the amount of the premium refund sent to the premium finance company.

D. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For POL 2 vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For POL 2 vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent/Broker’s account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured,

or

- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent/Broker’s originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words ‘agent/broker’ will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the insured (unless the policy is financed through a premium finance company) and the Agent/Broker’s account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the insured **or** shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro-rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 718: Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal’s effective date, a full refund shall be credited to the Agent/Broker’s Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled on a pro-rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

- 1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
- 2) If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and
 - b) the cheque was immediately deposited; and

c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier’s requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and

d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro-rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association’s Board of Directors.

F. Refund Calculation

1. Insured’s Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro-rata basis using the Day Table.

Rule 719: Time on Risk Tables

A. Pro Rata

Calculation For Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the percent that corresponds to the policy’s expiry month and day. For example March 26 is .233. Express the policy’s expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the percent that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888.
Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.

Policy expiry date	1999.233
Policy change date	1998.888
Refund/change percentage	.345
4. Where the policy is a six month policy, double the refund/change percentage.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change percentage. The policy premium is the full term premium for the coverage in force at the time of cancellation.
Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change percentage.

C. Short Term Tables

For a policy cancellation use Short Term Table 1 or 2. For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the "Percentage of premium".
3. Subtract that percentage from 100% to determine the "refund percentage".
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the "Percentage of premium".
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2			
ANNUAL POLICIES				SIX MONTH POLICIES			
Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium
1-3	8	181-184	55	1	15	87-88	58
4-7	9	185-188	56	2-3	16	89-90	59

177-180	54						

Rule 720: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 am. E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 721: Commission Schedule

The commission rates are:

1. Private Passenger Vehicles	Experience	Individually
	Rated	Rated
Class 10, 11, 12	7.5%	9%
All other private passenger	7.5%	11%

For the purpose of determining commission rates, the expression ‘Private Passenger Vehicles’ includes Antique/Classic automobiles, Commercial-Type vehicles that are rated as Private Passenger vehicles and Driving School vehicles (Class 07), but excludes vehicles rated as Commercial or Public vehicles, Fire and Police Department vehicles (Class 53) and Funeral vehicles (Class 75).

2. Commercial Vehicles

Long haul vehicles (including trailers) Classes 61-64 99	6%	6%
Classes 33-36,41-49,54,55	7.5%	10%

Fire & Police Class 53

Motorcycle, Moped, Snow Vehicle, All Terrain Vehicle	7.5%	7.5%
Other Recreational Vehicles	7.5%	7.5%
All Other Vehicles	7.5%	10%

3. Public Vehicles

Public Bus		
Class 70,73,74,78	6%	6%
School Bus Class 71	7.5%	10%
Hotel & Country Club		
Class 72	7.5%	10%
Private Bus Class 79	7.5%	10%
Taxi, Limousine Class 77	6%	6%
Van Pool Class 79	7.5%	10%
Ambulance Class 76	7.5%	10%
Funeral Vehicles Class 75	7.5%	10%
Short Term Rental Class 79	7.5%	10%

4. Recreational Vehicles

Motor Homes, Cabin/Home trailers, Other private type trailers, Camper units

Used for pleasure purposes only:		
Rated using Class 10 – 12	7.5%	9%
Rated using Class 01-07, 13	7.5%	11%
Not Pleasure only:	7.5%	10%
Motorcycles/Mopeds	7.5%	7.5%
All Terrain Vehicles	7.5%	7.5%
Snow Vehicles	7.5%	7.5%

5. Garage Policy POL 4

Class 81-89	10%	10%
-------------	-----	-----

6. Non-Owned Automobile

Drivers Policy POL 2 Class 98		
The rating determines the commission rate and cap.		
Non-owned Policy POL 6		
Class 91	10%	10%

No other additional fee for service may be charged.

Rule 722: Not applicable

Rule 723: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,

Or

2. A loss remains unsettled or unpaid,

Or

3. A civil suit is pending **in respect of** Liability, Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the insurer by or on behalf of the insured or if the insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The insured’s degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the applicant’s vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words “loss(es)” and “claim(s)” where used in this manual are considered to have the same meaning as the word “accident.”

The words “at fault” and “chargeable” where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association (whether or not on the same policy) by any Servicing Carrier.

A chargeable accident will affect the rating of both Liability and Collision coverages.

Rule 724: Accident and Conviction Surcharges

These surcharges are applicable to Liability, DCPD and Collision on END 60 (Legal Liability for Damage to Non-owned Automobile).

A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

Consider accidents arising out of the use or operation of any vehicle by the applicant.

2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the driver on POL 2 (Drivers Policy) shall be added:

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured in FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. Snow Vehicles, All Terrain Vehicles) and vice versa.

The conviction record of all persons who are listed drivers of the vehicle shall be reviewed to establish which conviction record has the greatest impact on the driving record (including developing the highest surcharge percentage in accordance with the surcharge schedule for convictions). That conviction record shall be used in calculating the maximum driving record and the conviction surcharge.

C. Accident/Conviction Surcharge Table

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	PEI
2	20%
3	30%
Each additional	15%
Major Convictions	
1	15%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%

D. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Failure to stop on request of or obey directions of a police officer
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Graduated Licence (where applicable):

- Permit novice driver in contravention of cond/rest
- Accompanying driver has excess blood alcohol
- Driver unaccompanied by a qualified driver
- Drive with front seat passenger
- Drive with excess passengers
- Drive on prohibited highway
- Drive at unlawful hour
- Drive motorcycle with passenger
- Drive motorcycle on prohibited highway

Stunting

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences added to an Act governing highway traffic, may be considered minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver’s seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province

Railway crossing: any type

Safety zone violation: any type

Seatbelt: any offence

Signalling offences: any type

Slow driving/endangering other: any type

Smokescreen device on vehicle

Speeding: any type, except when listed as major or serious

Squealing tires

Stopping/illegal/improper: any type

Tires/defective/worn: any type

Towing/prohibited/unsafe: any type

Traffic signals/regulating lights: any type

Traffic signs/disobeying any legal sign except parking regulations

Trailer: improper attachments/improper towing

Turns/illegal/improper: any type

Unlicensed driver: any type including improper licence class

Unsafe move

Unsafe vehicle: any type

Using handheld/operated electronic/wireless device

Wrong side of road/wrong way: any type

Yield, failing to: any type

Criminal negligence committed in the operation or use of a motor vehicle

Manslaughter committed in the operation or use of a motor vehicle

Driving while licence under suspension

Racing

Careless driving

Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped

Driving without due care and attention

Driving without insurance

Dangerous driving

Impaired driving

Failure or refusal to submit to a breath or blood test

Failure to pass a breath or blood test

Failure to stop/remain at the scene of an accident

Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver’s licence reinstatement

Learner/Level One driver fail/refuse breath sample

Learner/Level One driver with alcohol in blood

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a Driver Record abstract identified as a Criminal Code conviction.

Driver under age 21 with more than zero percent blood/alcohol

Exceeding the speed limit by 50kph or more

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 725: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Servicing Carrier must make all filings. The Agent/Broker is not permitted to do so.
2. The Agent/Broker must promptly advise the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. Authority.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

3. Once the proof of insurance is issued, a copy should be supplied to the Agent/Broker for their records.
4. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the driver is insured. This is the full extent of the guarantee.
5. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation, Vehicle Deletion

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the insured. However, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the insured and the provincial authority. For the insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the insured had a Comprehensive loss on June 25, the policy would not respond. If however, the insured had a Liability loss on

June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the insured and the authority concerned.

For example: The insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the Processing Fees.

Rule 726: Outside New Brunswick Exposure

A. Outside New Brunswick Exposure Surcharge

Any driver operating a non-owned vehicle in the U.S. or another Canadian jurisdiction (excluding Nova Scotia, Prince Edward Island or Newfoundland and Labrador) is subject to a surcharge. The surcharge does not apply where the non-owned vehicle is used for personal use only and proof of insurance is not required.

The insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside New Brunswick, Nova Scotia, Prince Edward Island or Newfoundland and Labrador and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 728: Vehicles Used Outside Jurisdiction of Registration

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), DCPD, Accident Benefits, Uninsured Automobile and END 44.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask insureds whether or not proof of insurance must be filed and, if so, in what amount.

Liability, DCPD, Accident Benefits, Uninsured Automobile, END 44

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of mileage in the U.S. or other applicable jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside New Brunswick Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The surcharge percentage is calculated by means of the following formula:

Currency differential x Outside New Brunswick exposure surcharge

For example:

The rate of exchange for the U.S. dollar is 1.3085 Canadian.

Therefore the currency differential is 0.31.

The Outside New Brunswick exposure surcharge is 25%.

Currency differential surcharge:

0.31 X 25% = 7.75%

The Currency differential surcharge is

1. Applied only to the Liability premium
2. There is no minimum surcharge applicable.
3. Additional to but not compounded on the Outside New Brunswick exposure surcharge.

Example:

The Liability premium is	\$1,000
Outside N.B. Exposure Surcharge is	25%
The Currency Differential Surcharge is	7.75%
Base Premium	\$1,000
Outside N.B. Exposure \$1,000 X .25 =	\$250
Currency Differential \$1,000 X 7.75 =	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the Outside New Brunswick exposure surcharge is subject to a minimum of \$50 per policy term.

For example: Using the example above, the dollar value of the Outside New Brunswick exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

Rule 727: Suspension of Operator’s Licence – Use of END 28/78

In the event of the suspension, cancellation or lapse of the driver’s licence, the POL 2 (Driver’s Policy) shall be cancelled in accordance with the Statutory Conditions.

1. An application for insurance shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

Rule 728: Vehicles Used Outside Jurisdiction of Registration

The Rule 701: Filed Underwriting Rules requires that the non-owned vehicle must be registered in the jurisdiction in which the policy is issued. Where the non-owned vehicle is registered in another jurisdiction, the policy must be cancelled in accordance with Statutory Conditions.

However, there are circumstances under which the non-owned vehicle may be used for a period of time in another jurisdiction where the vehicle registration in that jurisdiction is not required.

For example: The insured resides in New Brunswick and the insured will be travelling the western provinces for the next year.

1. The policy must be issued in the jurisdiction where the insured resides even if the vehicle is chiefly used in another jurisdiction.
2. If the non-owned vehicle is operated outside New Brunswick but within Nova Scotia, Prince Edward Island, Newfoundland and Labrador, New Brunswick rates apply.

If the non-owned vehicle is operated outside New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador, New Brunswick rates and a surcharge apply. Refer to Rule 726.
3. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
4. If the out of jurisdiction exposure is 5.0% or less of total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), Accident Benefits and END 44 only.

At the Servicing Carrier's discretion, a copy of fuel tax information may be required to verify mileage and travelled jurisdictions.
5. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. For example: the insured lives in Moncton, is on sabbatical in California and the vehicle is registered in New Brunswick, Moncton rates apply.

Rule 729: Not applicable

Rule 730: Not applicable

Rule 731: Endorsements

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
4A	Permission to Carry Explosives Removes the policy form's exclusion in regard to carrying specified explosives only.	If main cargo, rate as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4B	Permission to Carry Radioactive Material Removes the policy form's exclusion in regard to carrying radioactive materials only.	If main cargo, rate as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
6A	Permission to Carry Passengers for Compensation Used to modify the policy form's restrictions in regard to the use of the non-owned vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For non-owned private passenger vehicles used in car pools, add 10% of Liability premium. Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6A is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. ii) If transportation is very occasional (no more than once a week non-paying passengers) then Class 02 or Class 03 rates can apply. iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6A would be attached; however, only if the non-owned vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section of the manual.
25	Alteration Used by Servicing Carrier to record policy changes.	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
60	Legal Liability for Damage to Non-Owned Automobile The purpose of this endorsement is the same as that specified for END 27 in Private Passenger Section	All premiums (Collision, Comprehensive and Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven, as if the Applicant owned the vehicle. The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle(s) is known. There is no discount applicable to the premium calculated.

Rule 800: POL 6 (Non-Owned Automobile Policy) Overview

A Non-Owned Automobile Liability Policy indemnifies the named insured against legal liability for bodily injury and property damage that arises from the use or operation of non-owned automobiles by others.

Rule 801: Filed Underwriting Rules

A. The insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The non-owned exposure is in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Facility Association operates. For another jurisdiction in which Facility Association operates, the risk may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.
4. The application is incomplete, has not been signed by the applicant, or has not been bound by the Agent/Broker.
5. The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk. "Sufficient valid information to write the risk" includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
6. Non-payment of premium for the current policy period (for purposes of termination only).
7. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months.
 - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
 - or**
 - b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
 - or**
 - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
 - or**
 - d) Willfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

Rule 802: Coverages Available

Third Party Liability

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial/state statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards).

If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit, if the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

Rule 803: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the applicant.
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium

Or

 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound. ***Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 am on the date the application is signed.*** However, except when the binding time is 12.01 a.m. of a future date, the policy shall be shown as effective at 12.01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
- b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy within that time, the Servicing Carrier must be contacted immediately to determine the status of the policy.

B. Term of binding new policies

The term of binding is 30 days.

Rule 804: New Policies

A. Application Form

- Every application for insurance must be made on the approved Facility Association Application Form and must be fully completed and signed by both the applicant and Agent/Broker where required or as prescribed under Rule 804:D. Computer Generated Application Forms.

B. Application (APP 6)

The Servicing Carrier's APP 6 must be used. The app must be clearly marked '**Facility Association**' and must be **attached to a Facility Association Application (APP 1)**. The following information must be included on APP 6:

1. Applicant's name and postal address
2. Policy period – including the effective date and binding time and date
3. Applicant's signature
4. Date of applicant's signature

Even though the Advance Premiums are subject to retroactive adjustment, the "Estimated cost of hire" and "Estimated contract cost" must be reported as accurately as possible. The Agent/Broker should ensure the applicant is aware the premium is subject to adjustment at the end of the policy term.

C. Faxed Applications

Fully completed and signed Facility Association Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the Facility Association application form.

The computerized application must be signed and dated by the applicant.

E. Applicant's Signature

The applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e., a limited company or partnership.

G. Variation in Coverage

To conform to the Insurance Act, the insured must be advised if the coverage provided by the policy is not as requested in the application.

Rule 805: Definitions

A. Advance Premium

A premium that is based on an estimated exposure (e.g., cost of hired automobiles) and is subject to retroactive adjustment at the end of the period of insurance in accordance with the actual exposure during that period. See **Rule 812.D**.

B. Automobile(s)

The words "automobile" and "automobiles" include recreational vehicles and trailers unless otherwise indicated.

C. Automobiles Operated Under Contract

Non-owned automobiles where the complete supervision, direction and control remain with the owners of the automobiles. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

For example: The Food World grocery chain contracts with ABC Trucking Ltd. to pick up and deliver groceries to their chain of stores. ABC Trucking is responsible for scheduling the pick ups and deliveries, hiring drivers, maintaining the trucks, paying drivers salaries etc. although Food World's name may appear on some of ABC's trucks or trailers.

D. Contract Cost

The entire costs incurred for "automobiles operated under contract".

E. Cost of Hire

Automobiles hired with drivers

The entire cost incurred for "hired automobiles" and their drivers.

Automobiles hired without drivers

The entire cost incurred for "hired automobiles" **plus** the wages paid to the drivers thereof.

F. Hired

The word "hired" includes "rented" and/or "leased". A similar interpretation applies to "hire", "hiring", etc.

G. Hired Automobiles

Non-owned automobiles hired with or without drivers but used under the Applicant's control. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

For example: XYZ Construction Company hires Joe Smith who owns a dump truck to pick up gravel and deliver it to various construction sites. XYZ Construction Company specifies where the gravel is to be picked up and to what site it is to be delivered. They may specify the route to be used in the process.

When automobiles are hired without drivers, END 99 ("Excluding long-term leased vehicle") must be attached to the policy. Such automobiles, if hired for terms exceeding 30 days, must be insured on POL 1 with END 5 attached.

H. Non-owned Automobiles

Automobiles that are not owned in whole or in part by or registered in the name of the applicant but used for the purposes of the applicant's business.

I. Partners, Officers, Employees and Agents

Class A1

Partners, officers and employees of the applicant who regularly use Private Passenger type non-owned automobiles.

For example: A marketing representative for an insurance company who regularly uses his/her own vehicle to visit brokers and agents of the insurance company.

Class A2

Partners, officers and employees of the applicant who regularly use Commercial type non-owned automobiles.

Class B

All other partners, officers and employees of the applicant who do not regularly use their own vehicles on the business of the applicant.

Class C

All agents of the applicant. Persons operating independently of the applicant but on the applicant's behalf.

For example: A real estate agent or a life insurance agent.

Rule 806: Driver Services

POL 6 may not be provided to those applicants whose business activities include the provision of drivers to operate automobiles not owned by the applicant or the driver unless:

- a. Each driver is insured under a POL 2. A Certificate of Insurance stating the policy period and a limit equal to or more than the POL 6 Section A limit must be filed with the Servicing Carrier. The Certificate must state that if the policy is to be cancelled or not renewed or the Liability limits reduced, fifteen days prior notice shall be given to the Servicing Carrier. This Certificate is not required if the POL 2 is written by the same Servicing Carrier;
- and**
- b. POL 6 includes END 91 naming those for whom a POL 2 has been issued.
 - c. The premium for POL 6 shall be 20% of the Liability, Accident Benefit and Uninsured Automobile premium applicable to each POL 2 policy. No additional Class A, B or C premium is charged.

Example 1 – Saddle Up Roadhouse provides a drive home service for those patrons who have consumed alcohol. FA will provide a POL 6 for Saddle Up on condition that each designated driver is insured on a POL 2.

Example 2 – Acme Personnel Services will supply drivers to operate customers' trucks, some of which may be interurban petroleum tractors and tank trailers. FA shall provide a POL 6 only if each of the drivers has a POL 2 covering the operation of the type and purpose of the customers' vehicles, in this case interurban petroleum tractors and tank trailers.

Rule 807: Delivery Service

A risk where the applicant picks up and delivers non-owned automobiles using the owner's plates.

For POL 6, the premium is calculated by determining the appropriate Class 07 – 19 Liability premium (from the Private Passenger section) for each driver depending upon the driver's age, in the applicable territory. The driving record shall be 0 for the first year, to be increased by one for each consecutive year the driver remains accident free to a maximum of Driving Record 3. No additional Class A, B or C premium is charged.

Rule 808: Taxi Dispatch

The Facility Association will not consider the dispatch of taxis (by a company whose only function is to dispatch taxis) as exercising supervision, direction or control of the automobile.

The premium for POL 6 shall be 2% of Class 07, Driving Record 3 premium in the applicable territory for each \$1,000 cost of hire. The cost of hire for each taxi, regardless of the actual contract cost, is deemed to be \$1,000. In other words, the rate for each taxi is 2% of Class 073 in the applicable territory. No additional Class A, B or C premium is charged.

Rule 809: Driver Training Schools

The premium for POL 6 shall be calculated by charging 5% of Class 07, Driving Record 3 premium in the applicable territory for each Class A1 partner, officer and employee. No additional Class A, B or C premium is charged. The application must state the maximum number of partners, officers, employees and agents during the policy period.

For example, if a policy is written with an effective date of January 1st and at that time there are only three partners, officers and employees. During the summer season, an additional ten school teachers are employed by the applicant, then the partners, officers and employees must be declared as 13.

Rule 810: Legal Liability for Damage to Non-Owned Automobiles

In each of the cases described under Rules 806, 807, 808 and 809, only Liability may be provided by POL 6 because the vehicles being driven are not "hired automobiles" as defined by POL 6. END 94 (Legal Liability for Damage to Hired Automobiles) may only be provided to hired automobiles and is therefore not available in these situations. However, this coverage may be provided by attaching END 27 to the named insured's POL 1.

Rule 811: Rating

The premium calculated in respect of the complete policy period, even if based on estimates, is payable in full at the commencement of that period.

A. Third Party Liability

Partners, officers, employees and agents

The premium is dependent on the numbers of such individuals. See the Schedule of Rates.

Hired automobiles

The premium is dependent on the types of automobile hired and the cost of hire. Refer to the Schedule of Rates.

Automobiles operated under contract

The premium is dependent on the types of automobile and the contract cost. Refer to the Schedule of Rates.

B. Liability Assumed under Contract (END 96)

If the applicant enters into a contract or agreement by which he assumes any liability for bodily injury and property damage, a copy of the contract/agreement must be submitted to the Servicing Carrier so that the appropriate rates may be assessed.

Note:

“Blanket” contractual liability coverage is not available. The date and name of the other contracting party or parties must be specified on the endorsement.

Coverage is not available for the assumption of the legal liability of the owner of the automobile(s), by the applicant.

C. Liability for Damage to Hired Automobiles (END 94)

A copy of every hiring contract/agreement together with the following information must be submitted to the Servicing Carrier so that the appropriate rates may be assessed:

- a. The type(s) of automobile concerned; whether hired with or without drivers; the period(s) for which the automobiles will be hired; the estimated cost of hire.
- b. The required coverage and the desired limit of liability and deductible in respect of any one occurrence.

Note: In END 94, below the heading “Section B”, the words “or assumed by him under any contract or agreement” must be deleted unless a copy of the contract/agreement is submitted and provision of coverages in respect of the assumed liability is in fact approved by the Servicing Carrier.

For private passenger type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the appropriate Class 07, Driving Record 0 physical damage premium using Rate Group 17.

For commercial type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the Commercial vehicle Driving Record 3 Rating Group 8 premium in the applicable territory.

D. Coding

The codes to be reported to the IBC for POL 6 are as follows:

Type of business:	3
Class (Type-of-use):	91
Driving Record:	9
Coverage codes:	The same as those applicable to POL 1.

Rule 812: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual,

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six-month policies charge 52% of the annual premium.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. e.g. 46.56 will be rounded up to \$47.00 and 46.44 will be rounded down to \$46.00.

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall *always* be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Retroactive Premium Adjustments

If insurance is provided for hired automobiles and/or automobiles operated under contract, the policy provides that the insured shall, at the end of each policy period, provide a statement of the actual costs of hire and/or contract costs incurred for that period.

The insurer then calculates the appropriate retroactive adjustment of premium subject to Minimum Premium. If the total adjusted premium exceeds the total Advance Premium, the balance is immediately payable by the insured; if it is less, the balance shall immediately be refunded to the insured.

In the event the policy is cancelled, the appropriate premium adjustment shall be taken into consideration as stated above.

E. Audits

The policy provides that the insurer shall, through any authorized representative and at all reasonable times, have access to the insured's books and records for the purpose of determining any fact relating to the insurance.

F. Minimum Premium/Minimum Retained Premium

The minimum premium for POL 6 (Non-Owned Automobile Policy), shall be \$250 and the minimum retained premium, in the event of cancellation, shall be \$250.

Rule 813: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months.

Rule 814: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 822: Endorsements Applicable to POL 6 (Non-Owned Automobile Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy ratered accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal.

Rule 815: Policy Changes

A. A change to a policy shall not be processed if:

The change is substantial. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

B. Binding Coverage - Policy Changes

Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

C. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a partner, officer, employee or agent
- addition of hired automobiles or automobiles hired under contract
- increase of a liability limit

Note 1: Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Rule 816: Renewals

A. Before issuing a Renewal:

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured / Applicant / Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

i. Renewal Notice to Agent/Broker

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

ii. Renewal Notice to the Insured

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the insured, the Agent/Broker must promptly return all the renewal documents (**including liability cards**) to the Servicing Carrier. A written request from the insured acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

If the documents are received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent/Broker's Facility Association account. If the documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewal documents that have been returned to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above. If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the insured's last known address no later than 30 days prior to the policy's current expiry date.

- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the agent/broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 817: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests a midterm cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

Note for 1 and 2

If the date the request was received by the Agent/Broker is not evident the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Coverage placed in Voluntary Market

In the event the insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 exists.

B. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company *regardless of the reason* for cancellation. The Agent/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

C. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For POL 6 (Non-owned Automobile Policy) being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For POL 6 (Non-Owned Automobile Policy) not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent/Broker’s account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured,

Or

- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent/Broker’s originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words ‘agent/broker’ will be read to mean Servicing Carrier.

When insufficient premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the insured (unless the policy is financed through a premium finance company) and the Agent/Broker’s account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the insured **or** shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under 818.E.6 Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

E. Renewal

If renewal documents and liability cards are received by the Servicing Carrier within 15 days of the renewal’s effective date, a full refund shall be credited to the Agent/Broker’s Facility Association account. If the renewal documents are not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible

for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of renewal documents.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

- 1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
- 2) If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a) the cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective of the policy period concerned; and
 - b) the cheque was immediately deposited; and
 - c) in the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
 - d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the

Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 818: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the percent that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the percent that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.

Policy expiry date	1999.233
Policy change date	1998.888
Refund/change percentage	.345
4. Where the policy is a six month policy, double the refund/change percentage.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change percentage. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change percentage.

C. Short Term Tables

For a policy cancellation use Short Term Table 1 or 2. For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the “Percentage of premium”.
3. Subtract that percentage from 100% to determine the “refund percentage”.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the “Percentage of premium”.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

Rule 819: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 am. E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

Rule 820: Commission Schedule

The commission rates are:

	Experience Rated	Individually Rated
Non-owned		10%

Rule 821: Not applicable

Rule 822: Endorsements Applicable To POL 6 (Non-Owned Automobile Policy)

- 90: Limitation to Operation of Automobiles by Partners Officers and Employees**
Used when the insurance is to apply only to automobiles driven by partners, officers and employees (i.e. no agents and no "hired automobiles" or automobiles operated under contract). The classes concerned (A1/A2/B) are to be specified in the endorsement.
- 91: Limitation to Operation of Automobiles by Named Persons**
Used when the insurance is to apply only to automobiles driven by the persons whose names, occupations and locations are specified in the endorsement.
- 92: Limitation to Hired Automobiles and Automobiles Operated Under Contract**
Used when the insurance is to apply only to "hired automobiles" and/or automobiles operated under contract.
- 93: Limitation to Automobiles Owned by Named Persons**
Used when the insurance is to apply only to the operation of automobiles owned by the persons, firms or corporations whose names and addresses are specified in the endorsement.
- 94: Legal Liability for Damage to Hired Automobiles**
Used when the insurance is to be extended to cover the insured's legal liability for damage to hired automobiles arising from Collision and/or Comprehensive/Specified-Perils. See **Rule 810.C**
- 95: Limitation to Business Conducted at Specified Locations**
Used when the insurance is to apply only to the use of automobiles in connection with the insured's specified business locations.
- 96: Contractual Liability**
Used when the policy's exclusion of liability assumed under any contract or agreement is to be deleted in respect of specified contracts; the dates of the contracts and the names of the contracting parties to be specified. See **Rule 810.B**

- 97: Operation by Individual Named Insured**
Used if the named insured is an individual and coverage is to be provided in respect of the operation by the insured, in the business of the insured, of a non-owned automobile to which the insurance relates.
- The endorsement also extends the coverage provided by END 94 (Until the discrepancy is corrected, the reference in the second paragraph of END 97 to “exclusions (a)” should be Exclusion 1).
- If the endorsement is required, it is necessary for full details of the risk to be submitted to the Servicing Carrier so that the appropriate premium(s) may be assessed.
- 98: Excluding Automobiles Driven by Named Persons**
Used when it is required to exclude coverage in respect of automobiles driven by specific named persons.
- 99: Excluding Long-Term Leased Vehicle**
Applicable to insurance in respect of hired automobiles and must be used when the automobiles are hired without drivers. The insurance is provided in respect of non-owned automobiles, that are hired or leased with drivers or that are hired or leased *without* drivers for periods not exceeding 30 days.
- 100: Alteration**
Used by the Servicing Carrier to record a change of the information provided on the application form and the change (if any) of the policy premium.

Rule 823: Not applicable

Pol 6
SCHEDULE OF RATES

1. Partners, Offices, Employees and Agents

ANNUAL RATES PER PERSON															
Classes A1 and A2 (see definition)								Classes B and C (see definition)							
Each Person	Third Party Liability Limit							Each Person	Third Party Liability Limit						
	200,000	300,000	500,000	1,000,000	2,000,000	3,000,000	5,000,000		200,000	300,000	500,000	1,000,000	2,000,000	3,000,000	5,000,000
